**Crop-Innovations CIO**  
**Report of the Trustees**  
**for the Year Ended 31 March 2023**

The trustees present their report with the financial statements of the charity for the year ended 31 March 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

**OBJECTIVES AND ACTIVITIES**

**Summary of the purposes of the charity**

The object of the Charitable Incorporated Organisation ('CIO') is to conduct and foster education, research, and information dissemination to promote and support the development and use of underutilized crops (defined as crops of local importance which have potential for enhanced production and wider use) with special reference to the benefits which will accrue to rural communities in the developing world in terms of improving their quality of life.

**Summary of the main activities of the charity**

Other than some minor expenses, the charity has not traded during the year while it considers the next steps.

**Guidance on public benefit**

The Trustees have paid due regard to the guidance issued by the Charity Commission on Public Benefit.

**ACHIEVEMENT AND PERFORMANCE**

**Summary of main achievements**

Other than some minor expenses, the charity has not traded during the year while it considers the next steps.

**FINANCIAL REVIEW**

**Review of financial position**

Crop-Innovations CIO delivered both the GENEPRINT and the AFLA projects finishing in 2020 and continues to explore other opportunities where research and innovation can benefit the production of traditional crops and the livelihoods of farmers.

**Statement on reserves policy**

Trustees agreed that a minimum of £10,000 plus £3,000 should be routinely always held in reserve to enable an orderly wind up of the charity should this be required in the future.

**Reserves position**

Total reserves at 31 March 2023 were £46,471 (2022: £47,558). Although not held in a separate account, the Trustees are satisfied that sufficient reserves are available as per the agreed policy (£13,000 total)

No funds are in deficit and no uncertainties about the ability of the charity to be maintained as a going concern during the reporting period.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Governing document**

The charity is governed by a constitution as lodged with the Charity Commission. The charity is constituted as Charitable Incorporated Organisation.

**Appointment of Trustees**

Selection and appointment of new trustees is covered by the charity's constitution:

**10. Appointment of charity trustees**

Apart from the first charity trustees, every trustee must be appointed for a term of three years by a resolution passed at a properly convened meeting of the charity trustees.

- (1) In selecting individuals for appointment as charity trustees, the charity trustees must have regard to the skills,
- (2) knowledge and experience needed for the effective administration of the CIO.

Chair

**FUNDS HELD AS CUSTODIAN FOR OTHERS**

Where Crop-Innovations CIO is the lead organisation on a project it may receive funding on behalf of third party partners which are then reimbursed to those partners. The receipt of such funds as agent is not recognised as income nor is the reimbursement recognised as expenditure in the financial statements on the basis that the funds are not within the control of Crop-Innovations CIO.

An amount of £nil (2022: £nil) was held as custodian trustees at the year end.

Approved by order of the board of trustees on 29 September 2023 and signed on its behalf by:

James Theobald - Trustee

## **Crop-Innovations CIO**

### **Notes to the Financial Statements** **for the Year Ended 31 March 2023**

#### **1. ACCOUNTING POLICIES**

##### **Basis of preparing the financial statements**

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

The charity is a charitable incorporated organization ('CIO') registered in England and Wales. The nature of the charity's operations and principal activities are stated in the Report of the Trustees. The charity constitutes a public benefit entity as defined by FRS102.

The charity has applied Update Bulletin 1 as published on 2 February 2016 and does not include a cash flow statement on the grounds that it is applying FRS102 Section 1A.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The financial statements are presented in sterling which is the functional currency of the charity.

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

##### **Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Grant agreements that fund historical expenditure are accrued to the extent that relevant expenditure has been incurred.

##### **Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

##### **Taxation**

The charity is exempt from tax on its charitable activities.

##### **Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

**Crop-Innovations CIO**

**Notes to the Financial Statements - continued**  
**for the Year Ended 31 March 2023**

**1. ACCOUNTING POLICIES - continued**

**Financial instruments**

The charity only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy trust and their measurement basis are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in the notes to the financial statements. Prepayments are not financial instruments.

Cash at bank - is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in the notes to the financial statements. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

**2. INVESTMENT INCOME**

	Year Ended	
	31.3.23	31.3.22
	£	£

**Notes to the Financial Statements - continued**  
**for the Year Ended 31 March 2023**

**11 RELATED PARTY DISCLOSURES**

There were no related part transactions in the year.

**12 FUNDS RECEIVED AS AGENT**

Where Crop-Innovations CIO is the lead organisation on a project it may receive funding on behalf of third party partners which are then reimbursed to those partners. The receipt of such funds as agent is not recognised as income nor is the reimbursement recognised as expenditure in the financial statements on the basis that the funds are not within the control of Crop-Innovations CIO.

During the year a total amount of £nil (2022: £nil) was received by Crop-Innovations CIO for third party partners and a total amount of £nil (2022: £nil) was paid over to those third party partners. The balance owing at 31 March 2023 was £nil (2022 £nil).
