## **Strategic Report for the Year Ended 31 March 2025**

The trustees, who are directors for the purposes of company law, present their strategic report for the year ended 31 March 2025, in compliance with s414C of the Companies Act 2006.

### **Financial review**

#### ***Policy on reserves***

The Charity seeks to hold sufficient reserves to cover operating activities in the next six months plus support key charities. At the end of this financial year, the trustees felt this should be £125,000. Current reserves are comfortably above this level.

#### ***Principal funding sources***

Funding has come from a number of donations, the specific fund raising events and from profits remitted from our trading company.

The strategic report was approved by the trustees of the charity on 9 December 2025 and signed on its behalf by:

A handwritten signature in black ink, appearing to read 'N. Holland', written over a dotted line.

Nicola Holland  
Trustee

# **The Brothers Trust**

## **Trustees' Report**

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements and auditors' report of the charitable company for the year ended 31 March 2025.

### **Objectives and activities**

#### ***Objects and aims***

The Brothers Trust (the "Charity") is a charity based and regulated in the United Kingdom with the key objectives:

- to raise funds and award grants to charities around the world. These charities are likely to be small and nimble, often managed by their founders and have a high coefficient of converting funds received to positive and tangible outcomes.
- to create awareness of our selected charities using our own social media platforms.
- to create memorable experiences for vulnerable and sick children from the charities that we support and also charities associated with endeavours like Make a Wish.

The charity aims to "support charities who struggle to be heard". It therefore seeks to give out as much as possible in grants and keep admin expenses as low as possible. As can be seen below, we have again been successful this year with 95% of revenues being available for grants with only 3% of costs relating to Governance or Office Expenses, and 2% on raising funds (excluding cost of merchandising). Despite the continued impact of inflation in the year, the Trustees have ensured that this has not negatively impacted the Charity. In the coming year, they will be looking at how they can use surplus funds to generate income to allow more sustained grants.

#### ***Grant making policies***

It is important to The Brothers Trust to identify charities without expensive administrative running costs and are efficiently run. The Trust generally discourages the notion of beneficiaries becoming reliant on TBT for continued support. Instead, TBT encourages the charities it supports to continue fundraising efforts and to seek financial support elsewhere to avoid dependency on our Trust.

The Charity regularly evaluates the effectiveness of its grants, asking for regular feedback and progress reports from beneficiaries. This progress is fully reported on TBT website so our supporters can see the positive impact of their support.

#### ***Use of volunteers***

The Charity could not function without the help and assistance of its volunteer trustees who give so much time to the running of the charity.

#### ***Objectives, strategies and activities***

In the past financial year, TBT continues to make key grants to specifically identified charities in line with the remit already explained. The outcomes of all our grants are assessed for their effectiveness and informs future decisions on further grants. Grants are made for specific and agreed purposes which TBT have selected from options that identified charities have presented to us.

These include the following grants:

#### ***Debra – £168,042***

Debra supports families affected by Epidermolysis Bullosa ("EB"). This grant funded the purchase of a new holiday home and its maintenance for one year. These homes offer families a precious opportunity for respite and rest.

#### ***Cure EB - £53,382***

Cure EB focuses on advancing global medical research and clinical trials aimed at developing effective treatments for EB, as well as supporting patients living with the condition. Our grant is funding a specialised research project in France.

## **The Brothers Trust**

### **Trustees' Report (continued)**

#### ***Momentum - £48,824***

Momentum supports families across Southwest London, Surrey, and Sussex whose children are facing cancer or other life-challenging conditions. This year, TBT funded a social worker to meet growing demand for practical, financial and emotional support for families caring for a seriously ill child.

#### ***P.E.A.K - £45,000***

P.E.A. K supports families and educators living or working with children pre- or post-autism diagnosis. They provide training and practical strategies to help children thrive across the autistic spectrum. The Brothers Trust has committed to three years of funding, enabling the charity to grow and assist hundreds more families.

#### ***Alex's Wish - £35,000***

Duchenne muscular dystrophy (DMD) is a severe, progressive genetic disorder affecting around 350,000 people worldwide, including 2,500 in the UK. The Brothers Trust has contributed to Therapeutic Grant Calls, which focus on addressing the root cause of DMD through gene therapy.

#### ***EBRP - £20,212***

EBRP is a US charity dedicated to curing EB by 2030. This grant supports ongoing research they are funding.

#### ***Mizen Foundation - £15,000***

This inspiring charity empowers young people across the UK to become change-makers and peacemakers within their communities. Our grant supported the Sparkle Award scheme, spotlighting remarkable acts of kindness and community impact by young individuals.

#### ***Together for Short Lives - £15,000***

Together for Short Lives is the UK's only national charity dedicated to children's palliative care. They work to enhance quality of life, ease suffering, and provide holistic support to children with life-limiting conditions and their families. Our grant will ensure 30 families - including parents, carers, siblings and extended relatives - receive vital support.

#### ***Orchard Hill - £14,001***

Part funding was provided to purchase a new Innwalk machine, now used by around 50 severely disabled children to help strengthen leg function.

#### ***Fairshot - £13,000***

Fairshot empowers young adults with learning disabilities by training them in their café. This grant funded their 2024 graduation ceremony and sponsored two new learners for a full year.

#### ***AYR Football Academy Grant - £10,000***

This grant supports the Honest Men's Club - an initiative to reduce isolation, loneliness and poor mental health among men aged 20 to 89 in the local community. The club meets weekly, with around 60 men attending each session.

#### ***Families United Network - £10,000***

FUN supports children and young adults with additional needs and disabilities across Bedfordshire. Our grant is helping to run social clubs and skills workshops for over 75 young people and adults as they transition toward independence.

#### ***Fine Cell Works - £10,000***

Fine Cell Works is a UK charity and social enterprise transforming the lives of prisoners and prison leavers through needlework and rehabilitation. This grant funded a motivational awards scheme.

#### ***Story Book Dads - £10,000***

Storybook Dads helps incarcerated parents remain connected to their children through recorded bedtime stories and messages. We supported their core costs and the work of two rehabilitated home editors.

## **The Brothers Trust**

### **Trustees' Report (continued)**

#### ***Sunny Days Children's Fund Grant - £8,090***

This charity supports children under 18 with a wide range of serious medical conditions. Our grant funded an eye-gaze balance machine, enabling a non-verbal four-year-old to communicate.

#### ***RB Kares - £6,980***

RB Kares is a volunteer group supporting hospital staff, carers, refugees, and vulnerable groups in Kingston. This grant funded three dental clinics, emergency packs for women escaping domestic abuse, and the establishment of a new soup kitchen.

#### ***Honeypot - £5,758***

Honeypot provides countryside respite breaks for young carers, giving them a chance to create happy childhood memories. This grant funded well-deserved respite for 12 young carers.

#### ***Beder Foundation - £5,000***

Beder raises awareness of mental health and suicide prevention. The Brothers Trust partnered with Beder to host walks for young people, encouraging conversation and connection.

#### ***Friends of the Elderly - £5,000***

Friends of the Elderly Ireland is a volunteer-driven organisation combating loneliness among older people through social programmes and companionship. For the second year, TBT has funded their Christmas celebrations.

#### ***Guy's Gift - £5,000***

Guy's Gift provides bereavement support to children, young people and families across Coventry and Warwickshire. Our grant funded 12 months of CPT sessions for school and healthcare professionals.

#### ***Latin American Foundation for the Future - £5,000***

This UK-based charity funds educational projects across Latin America. Our grant covers school fees and supplies for 38 children at Casa Mantay in Peru, ensuring access to books, uniforms and learning materials.

#### ***Mama Biashara - £5,000***

Since 2008, Mama Biashara has helped the most marginalised women in Kenya build small, sustainable businesses - enabling them to leave dangerous situations and support their families. This grant has been vital in supporting emergency rescues.

#### ***Spark School Books - £4,968***

We funded books for 720 disadvantaged children - many of whom struggle to access reading materials. These books offer encouragement, opportunity, and a love of reading.

#### ***Anthony Nolan - £4,449***

Anthony Nolan is a pioneering charity uniting people and science to transform treatment for those with blood cancer and blood disorders. All profits from Trustee Dominic Holland's book Open Links are donated to the charity.

#### ***Mind Step Foundation - £3,001***

This charity advances mental health awareness and research. Founded in memory of Max Davies, who tragically took his own life, the foundation supports vital community mental-health initiatives. Our grant enabled a local teacher in Monmouth to train as a counsellor.

#### ***Public benefit***

The Brothers Trust aims to help small charities either financially or through publicity. The charities supported cover a range of areas broadly split into education, health and social benefit. The split between each sector can be seen below.

## **The Brothers Trust**

### **Trustees' Report (continued)**

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

**The Brothers Trust**  
**Trustees' Report (continued)**

**Going concern**

The Trustees consider that it is appropriate to prepare the financial statements on a going concern basis. There are sufficient reserves in the charity to continue to operate, and the fundraising plans continue to be successful, alongside its merchandising.

**Trustees and officers**

The trustees and officers serving during the year and since the year end were as follows:

Trustees:	Andrea Michele Coates
	Dominic Holland
	Thomas Holland
	Greg Cook
	Lena Suan Hoon Koay
	Janine Cook
	Nicola Holland

# **The Brothers Trust**

## **Trustees' Report (continued)**

### **Structure, governance and management**

#### ***Nature of governing document***

The Charity operates under its memorandum and articles of incorporation as a private company limited by guarantee. These documents were created 12th April 2017 and have not been updated.

#### ***Recruitment and appointment of trustees***

The Trustees are recruited based on the needs of the Charity. In the past year, the board has been strengthened considerably through reviewing missing skills and seeking to fill these gaps. This has included legal, financial, and governance.

#### ***Arrangements for setting key management personnel remuneration***

None of the Trustees receive remuneration.

#### ***Organisational structure***

The Charity operates with a very small staff comprised of some paid contractors and volunteers. They work together making collective day-to-day decisions. The Trustees then meet at least 4 times per year to discuss strategic aims and objectives.

As noted elsewhere, the sale of Brothers Trust merchandising has moved to its wholly owned subsidiary, The Brothers Trust (Trading) Ltd. This gives all of its profits in cash each year to the Charity, and the same team are responsible for running this company.

### **Financial instruments**

#### ***Objectives and policies***

The charity's activities expose it to a number of financial risks including credit risk, cash flow risk and liquidity risk. The use of financial derivatives is governed by the charity's policies approved by the board of trustees, which provide written principles on the use of financial derivatives to manage these risks. Generally, the charity does not need to use these contracts but may do if required. The charity does not use derivative financial instruments for speculative purposes.

#### ***Cash flow risk***

The charity's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and interest rates. The charity uses foreign exchange forward contracts and interest rate swap contracts to hedge these exposures.

Interest bearing assets and liabilities are held at fixed rate to ensure certainty of cash flows.

#### ***Credit risk***

The charity's principal financial assets are bank balances and cash, trade and other receivables, and investments.

The charity's credit risk is primarily attributable to its trade receivables. The amounts presented in the balance sheet are net of allowances for doubtful receivables. An allowance for impairment is made where there is an identified loss event which, based on previous experience, is evidence of a reduction in the recoverability of the cash flows.

The credit risk on liquid funds and derivative financial instruments is limited because the counterparties are banks with high credit-ratings assigned by international credit-rating agencies.

The charity has no significant concentration of credit risk, with exposure spread over a large number of counterparties and customers.

#### ***Liquidity risk***

In order to maintain liquidity to ensure that sufficient funds are available for ongoing operations and future developments, the charity uses a mixture of long-term and short-term debt finance.

Further details regarding liquidity risk can be found in the Statement of accounting policies in the financial statements.

**The Brothers Trust**  
**Trustees' Report (continued)**

**Disclosure of information to auditor**

Each trustee has taken steps that they ought to have taken as a trustee in order to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information. The trustees confirm that there is no relevant information that they know of and of which they know the auditor is unaware.

The annual report was approved by the trustees of the charity on 9 December 2025 and signed on its behalf by:

A handwritten signature in black ink, appearing to read 'N. Holland', written over a dotted line.

Nicola Holland  
Trustee

## **The Brothers Trust**

### **Statement of Trustees' Responsibilities**

The trustees (who are also the directors of The Brothers Trust for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records that can disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by the trustees of the charity on 9 December 2025 and signed on its behalf by:

A handwritten signature in black ink, appearing to read 'N. Holland', written over a dotted line.

Nicola Holland  
Trustee

## **The Brothers Trust**

### **Independent Examiner's Report to the trustees of The Brothers Trust ('the Company')**

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2025.

#### **Responsibilities and basis of report**

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

Since the Company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of ACCA, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of The Brothers Trust as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

  
.....  
Shaun Ellis  
ACCA

For the financial year ending 31 March 2025 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the charity to obtain an audit of its accounts for the year in question in accordance with section 476; and
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

The financial statements on pages 12 to 26 were approved by the trustees, and authorised for issue on 9 December 2025 and signed on their behalf by:

Nicola Holland  
Trustee

The notes on pages 14 to 26 form an integral part of these financial statements.

# **The Brothers Trust**

## **Notes to the Financial Statements for the Year Ended 31 March 2025**

### **1 Charity status**

The charity is limited by guarantee, incorporated in , and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £1 towards the assets of the charity in the event of liquidation.

The address of its registered office is:

57 Canbury Park Road

Kingston

KT2 6LQ

These financial statements were authorised for issue by the trustees on 9 December 2025.

### **2 Accounting policies**

#### **Summary of significant accounting policies and key accounting estimates**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### **Statement of compliance**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

#### **Basis of preparation**

The Brothers Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

#### **Going concern**

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

#### **Exemption from preparing a cash flow statement**

The charity opted to early adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

#### **Income and endowments**

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

**The Brothers Trust**  
**Notes to the Financial Statements for the Year Ended 31 March 2025**  
**(continued)**

**2 Accounting policies (continued)**

***Donations and legacies***

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

***Donated services and facilities***

These are only included in income (with an equivalent amount in expenditure) where the benefit to the Charity is reasonably quantifiable, measurable and material.

***Gift aid***

Income from tax reclaims is included at the same time as the gift/donation to which it relates.

***Investment income***

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

***Expenditure***

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

***Raising funds***

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

***Charitable activities***

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

***Grant provisions***

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.

***Support costs***

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

***Governance costs***

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

# **The Brothers Trust**

## **Notes to the Financial Statements for the Year Ended 31 March 2025**

### **(continued)**

#### **2 Accounting policies (continued)**

##### **Taxation**

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

##### **Tangible fixed assets**

Individual fixed assets costing £0.00 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

##### **Depreciation and amortisation**

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

##### **Current asset investments**

Current asset investments are included at the lower of cost and net realisable value / market value.

##### **Trade debtors**

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

##### **Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

##### **Trade creditors**

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

**The Brothers Trust**  
**Notes to the Financial Statements for the Year Ended 31 March 2025**  
**(continued)**

**2 Accounting policies (continued)**

**Borrowings**

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Statement of Financial Activities over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the charity has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

**Foreign exchange**

Transactions in foreign currencies are recorded at the rate of exchange at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are reported at the rates of exchange prevailing at that date.

The results of overseas operations are translated at the average rates of exchange during the period and their balance sheets at the rates ruling at the balance sheet date. Exchange differences arising on translation of the opening net assets and results of overseas operations are reported in other comprehensive income and accumulated in equity (attributed to non-controlling interests as appropriate).

Other exchange differences are recognised in the Statement of Financial Activities in the period in which they arise except for:

- 1) exchange differences on transactions entered into to hedge certain foreign currency risks (see above);
- 2) exchange differences arising on gains or losses on non-monetary items which are recognised in other comprehensive income; and
- 3) in the case of the consolidated financial statements, exchange differences on monetary items receivable from or payable to a foreign operation for which settlement is neither planned nor likely to occur (therefore forming part of the net investment in the foreign operation), which are recognised in other comprehensive income and reported under equity.

**Fund structure**

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

**Financial instruments**

**Classification**

Financial assets and financial liabilities are recognised when the charity becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the charity after deducting all of its liabilities.

**The Brothers Trust**  
**Notes to the Financial Statements for the Year Ended 31 March 2025**  
**(continued)**

**2 Accounting policies (continued)**

***Recognition and measurement***

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the charity intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the charity transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the charity, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

**The Brothers Trust**  
**Notes to the Financial Statements for the Year Ended 31 March 2025**  
**(continued)**

**2 Accounting policies (continued)**

***Debt instruments***

Debt instruments which meet the following conditions are subsequently measured at amortised cost using the effective interest method:

(a) The contractual return to the holder is (i) a fixed amount; (ii) a positive fixed rate or a positive variable rate; or (iii) a combination of a positive or a negative fixed rate and a positive variable rate.

(b) The contract may provide for repayments of the principal or the return to the holder (but not both) to be linked to a single relevant observable index of general price inflation of the currency in which the debt instrument is denominated, provided such links are not leveraged.

(c) The contract may provide for a determinable variation of the return to the holder during the life of the instrument, provided that (i) the new rate satisfies condition (a) and the variation is not contingent on future events other than (1) a change of a contractual variable rate; (2) to protect the holder against credit deterioration of the issuer; (3) changes in levies applied by a central bank or arising from changes in relevant taxation or law; or (ii) the new rate is a market rate of interest and satisfies condition (a).

(d) There is no contractual provision that could, by its terms, result in the holder losing the principal amount or any interest attributable to the current period or prior periods.

(e) Contractual provisions that permit the issuer to prepay a debt instrument or permit the holder to put it back to the issuer before maturity are not contingent on future events, other than to protect the holder against the credit deterioration of the issuer or a change in control of the issuer, or to protect the holder or issuer against changes in levies applied by a central bank or arising from changes in relevant taxation or law.

(f) Contractual provisions may permit the extension of the term of the debt instrument, provided that the return to the holder and any other contractual provisions applicable during the extended term satisfy the conditions of paragraphs (a) to (c).

Debt instruments that are classified as payable or receivable within one year on initial recognition and which meet the above conditions are measured at the undiscounted amount of the cash or other consideration expected to be paid or received, net of impairment.

With the exception of some hedging instruments, other debt instruments not meeting these conditions are measured at fair value through profit or loss.

Commitments to make and receive loans which meet the conditions mentioned above are measured at cost (which may be nil) less impairment.

***Investments***

Investments in non-convertible preference shares and non-puttable ordinary or preference shares (where shares are publicly traded or their fair value is reliably measurable) are measured at fair value through profit or loss. Where fair value cannot be measured reliably, investments are measured at cost less impairment.

Investments in subsidiaries and associates are measured at cost less impairment. For investments in subsidiaries acquired for consideration including the issue of shares qualifying for merger relief, cost is measured by reference to the nominal value of the shares issued plus fair value of other consideration. Any premium is ignored.

**The Brothers Trust**  
**Notes to the Financial Statements for the Year Ended 31 March 2025**  
**(continued)**

**2 Accounting policies (continued)**

***Derivative financial instruments***

The charity uses derivative financial instruments to reduce exposure to foreign exchange risk and interest rate movements. The charity does not hold or issue derivative financial instruments for speculative purposes.

Derivatives are initially recognised at fair value at the date a derivative contract is entered into and are subsequently remeasured to their fair value at each reporting date. The resulting gain or loss is recognised in statement of financial activities immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in statement of financial activities depends on the nature of the hedge relationship.

***Fair value measurement***

The best evidence of fair value is a quoted price for an identical asset in an active market. When quoted prices are unavailable, the price of a recent transaction for an identical asset provides evidence of fair value as long as there has not been a significant change in economic circumstances or a significant lapse of time since the transaction took place. If the market is not active and recent transactions of an identical asset on their own are not a good estimate of fair value, the fair value is estimated by using a valuation technique.
