## Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	We believe that every one of the UK's 16.1m people with disabilities have their own unique superpowers. And we're here to help unleash them! Our mission is to remove the barriers to participation these 'Everyday Superheroes' face every day. With your support, we can give more people than ever the belief, tools and opportunities to enjoy the life-changing power of sport.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p><b>Super schools:</b> It's crucial that every school child is introduced to sport in the right way, with the right attitude, using the right vocabulary. We work with experts in different fields to develop a range of inclusive programmes, events and services that can be used by schools to ignite a passion for life. Winter Wonderwheels powered by Marvel – supported by Superhero Series is just one of those events that bring Charities, SEN schools, adult learning centres, communities and families together through the power of sport. As individuals or in teams, the event encapsulates the very essence of 100% inclusive sporting activity.</p> <p><b>Advancing amateur sport:</b> We want to extend these skills and knowledge to sports clubs, coaches, volunteers, charities and families in the wider community by providing all kinds of fun and innovative training, taster and awareness sessions to help make inclusivity the norm.</p> <p><b>The gift of grants:</b> We will provide financial support to organisations and individuals to enable them to participate in sports events, have access to specialist equipment and support to deliver the</p>

		programmes, services and events that will benefit their goals and aims.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees of Superhero Sport Foundation have complete commitment to the Charity Commission statement on public benefit and the measures that are in place. We believe that our mission to create access to full throttle, 100% inclusive sport completely aligns itself with the Commissions stance and we will continue to uphold those values in order to complete of missions.

## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>Superhero Sport foundation aligned it's missions with Superhero Series during this financial period. The foundations aim was to bring together communities across the country by subsidising access to 100% inclusive sport. Our main mission was to get a many SEN Schools both children and adults alike, to get involved in sport either at home/school or at an in person event.</p> <p><b>At Home Superheroes &amp; At Home Winter Wonderwheels.</b></p> <p>The At Home activations are fabulous as this allows our community of Superheroes and Sidekicks to get involved from where ever they are. The objective is to collate any distances they achieve on a daily basis over the course of a month and add it to a team total. This contributes to a 'Virtual' around the world 'race' tally which is led by 4 Everyday Superheroes and supported by their Sidekicks. Each Superhero and Sidekick receives a Medal/T-shirt/Race Number /Finish line tape and the community communicates through the various social media platforms. Superhero Sport Foundation purchased a package with Superhero Series which facilitated the places which were then donated to the organisations of the foundations choice. We achieved 623 places being donated which also had some families for the first time taking part in sport.</p> <p><b>Superhero Tri &amp; Winter Wonderwheels</b></p> <p>In addition supporting race places being activated as above, the 'live' events brings the community together in a unique way. Superhero Series have Celebrities with disabilities join forces with Every day Superheroes along with their Sidekicks forming teams which then together race around Dorney lake with Superhero Tri being staged over three different activities. Swim/Tow – Run/Push – Cycling/push/run. Superhero Sport Foundation also used its Partnership with Superhero Series to donate buses and a pack lunch to breakdown the cost of access sport to</p>

		<p>underprivileged families whom have a member with a disability of any kind . This was a huge success and achieved a further 728 Superheroes being exposed to live sport.</p> <p><b>Community benefit.</b></p> <p>There is no doubting the impact Superhero Sport Foundation is having on the disability community across the UK and as Superhero Tri is also televised on Channel 4 the spread of 100% inclusive sport is more than meeting the foundations objectives.</p>
