Para 1.20	<p>At the start of this financial year gyms across the country were opening after to covid19 restrictions. In order to continue to provide our community with a fitness offering during this time we purchased online memberships on behalf of our community, to a commercial gym who were able to offer online classes. We had amazing feedback from the members that took advantage of this offering. Not only did it enable them to exercise, it also provided a very welcome human interaction (albeit online) for members of the community that were isolating. In total 20 memberships were provided.</p> <p>In addition to the above 122 hours of classes were provided across the year. These included community classes as well as a specific 12 week academy programmed for 18 - 24 year olds.</p> <p>All offerings have been met with enthusiasm from the community with some members, who have been particularly impacted by covid, really benefiting from the physical movement and the in person interaction.</p>
