STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document - the Trust was established by a Trust Deed dated 22 December 2016 and was registered as a charity on 25 April 2017. The founders of the Trust are the current trustees, and they will be responsible for recruiting additional trustees as the need arises.

Risk Management policy - the Trustees have a risk management strategy which comprises a continual review of the risks the charity may face, and systems and procedures to mitigate any risks identified, minimising any potential impact on the charity. The Trustees have examined the major risks that the Trust faces and are satisfied that systems are in place to mitigate these risks.

Public Benefit- the Trustees have reviewed the Charity Commission's guidance on the requirement to report on public benefit. They are satisfied that the work of the charity, as described below, accords with its stated objectives, and provides tangible public benefit to an appropriate section of those who reside within the charity's area of benefit; they believe that the criteria used to assess those who may benefit are not unreasonably restrictive.

AIMS AND OBJECTIVES

The charitable objects of the Trust are 'To advance such charitable purposes (according to the law of England and Wales) and in such manner as the Trustees see fit from time to time benefiting people, causes and other charities anywhere in the world'.

STATEMENT OF TRUSTEE RESPONSIBILITIES

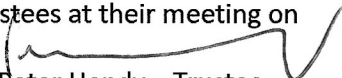

Charity law requires the Trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity and of the net income or expenditure for the year.

In preparing the financial statements the Trustees are required to: select suitable accounting policies and apply them consistently; make judgements and estimates that are reasonable and prudent; and prepare the financial statements on a going concern basis unless it is inappropriate to do so.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable it to ensure that the financial statements comply with the Charities Act 2011. INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES FOR THE YEAR ENDED 5 APRIL 2022

I report to the charity trustees on my examination of the accounts of the Trust for the year ended 5 April 2022 set out on pages 5 to 9.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the Charities Act 2011("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 14S(S)(b) of the Act.

Independent Examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 5 APRIL 2022

1. PRINCIPAL ACCOUNTING POLICIES

The financial statements have been prepared under the historical cost convention in accordance with the Financial Reporting Standard for Smaller Entities, the Charities Act 2011 and the requirements of the Statement of Recommended Practice, Accounting and Reporting by Charities (SORP FRS102). The charity is a public entity as defined under FRS102. There are no material uncertainties affecting the ability of the charity to continue as a going concern

Incoming resources - all incoming resources are included in the Statement of Financial Activities when the Trust is entitled to the income and the amount can be quantified with reasonable accuracy.

Resources expended - Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered and is reported as part of the expenditure to which it relates.

Tangible fixed assets and depreciation - Heritage Assets - The Trust owns two vintage buses which it uses in its charitable activities. These are reported in the Balance Sheet at estimated market value – gains and losses on revaluation will be recognised in the Statement of Financial Activities.

It is the Trust's policy to maintain its vehicles in full working order and maintenance and running costs are charged to the Income and Expenditure Account when incurred. The buses are deemed to have indeterminate lives and the Trustees do not therefore consider it appropriate to charge depreciation.

Fund Accounting - Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity. Restricted funds are subjected to restrictions on their expenditure imposed by the donor. Expenditure which meets these criteria is charged to the fund, together with a fair allocation of management costs. Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Taxation – The Trust is a registered charity and as such tax exemption applies to the income arising from and expended on charitable activities.

2. TRUSTEE REMUNERATION AND EXPENSES

The trustees did not receive any remuneration or reimbursed expenses from the Trust.
