TRUSTEES REPORT 2022

Looking into filling account for January 2022 to December 2022
Explained in detail about the monthly storming occurring in KIVI from February 2022 to 29th October 2022 with lots of underground preparation with prayer and fasting. This means visiting cities in United Kingdom with the purpose of winning souls and uniting churches to work together.

We had event on 30th July 2022: London Storming, which involve all thirty-three boroughs in London. KIVI team scouted and prayed over each town hall of the thirty-three boroughs in London. Souls made commitment to the Lord

We are reviewing the frequency of this year's monthly storming to possibly reducing it to every two months for a more effective outcome.

Planning for next year storming will include possibly bringing into London music artist from Nigeria and other parts of the world. We have to look at processing the licence for it.

At present KIVI needs more or replacement of equipments, eg speakers, need to order tracts, SWAT cards and decision cards.

It was proposed to get a chairperson for Trustee and more trustees preferably female

The Charity is working towards updating KIVI's bank account to enable online banking with Letter required from Trustees to the bank. KIVI's signatory account now sorted and online banking in progress.

Matter arising in Kivi, fund raising in order to purchase tracts, leaflets and speakers

It was suggested that the Trustee's meeting be held monthly on a Saturday.

International mission to Portland Oregon which took place in September opened door for young missionaries to be sent to London in February 2023 to serve in various churches

Songs for souls was KIVI's last event for 2022.

It was suggested that a brochure be done with pictures of KIVI's events, listing what we do in order to raise money through awareness.

It was suggested that KIVI provide a monthly newsletter covering testimonials, pictures and videos of events etc. create a data base on the web site and a broadcast list that KIVI can channel the newsletter through.

The purpose is that the news letter will keep people informed and encourage them to partnership with KIVI.

The trustees were informed of the proposed training available in Texas in USA to express their interest if they wish to attend the training, and some requested for more details

It was expressed to the trustees to pray and trust God for an office to be rented to KIVI in London as it will give the network more credibility and also to have a proper structure by that having proper structure will enable businesses, churches etc to partner with KIVI.

KINGDOM IMPACT VISION INTERNATIONAL TRUSTEES REPORT 2021

Introduction

Kingdom Impact Vision International (KIVI) is a global Christian network for the purpose of soul winning.

KIVI is an established global non-denominational network of believers reaching out to the nations of the earth, fulfilling Jesus' command: 'therefore go and make disciples of all nations, baptising them in the name of the Father and of the Son and of the Holy Spirit.' Matthew 28:19. These believers are connected by their love for Jesus Christ and their desire to see the good news of Jesus preached to all nations.

KIVI is connecting individuals, groups and churches, making strategic, personal and geographical connections for His purpose of reaching the lost with the good news of Jesus Christ. KIVI achieves this through the deployment of both lifestyle and evangelistic events, training for church communities, discipleship training and opportunities to experience the gospel overseas – across cities and nations.

While many leadership and ministerial groups operate under a denominational umbrella, KIVI has adopted networking as the tool which the Holy Spirit can use to set the world aflame with the good news of Jesus Christ.

2021 Outreaches and programs

Between January and April 2021 KIVI began preparations for outreach missions in Portland, our focus was mainly on United Kingdom. Importantly these plans were supported by weekly regular Zoom connection calls to the KIVI platform to pray and fast for these outreaches.

However, 2021 proved to be a challenging year globally. Outreach and mission plans for KIVI in 2021 for other countries were put on hold because of outbreak of the COVID-19 Pandemic which continued from 2021, to continued subsequent lockdown in the UK.

This led to delays, severe travel restrictions and cancellations in planned overseas missions travel it led to increased outreaches closer to home, in the local mission field across London and Greater London: Staines, Edmonton Green, Seven Sisters, Bromley, Wood Green, Crystal Palace, Croydon, Orpington, Shepherd Bush, Camden, Canning Town amongst others and prayer walks in Brockley, Bromley, Sittingbourne and Brighton.

This led to storming evangelism in different cities in UK.

Bromley, Bristol, Wales, Liverpool. Sittingbourne.

Prayer points focus on:

i. Pray for safe passage and favour as the labourers travel.

ii. Pray for the labourers as they go into the harvest field

iii. Pray for boldness for the labourers as they speak.

iv. Pray for the harvest: that the hearts of these precious souls will be soft and open to receive the seed of the gospel.

v. Pray in advance for the discipleship of new believers that they may be firmly rooted in Christ.

Bristol 2021

KIVI concentrate on storming outreaches within United.

This storming outreach was particularly challenging due to Corvid 19. The KIVI team went with the mandate to share the gospel and win souls. The challenge was unity across the partners in United Kingdom. Without unity it was difficult to move ahead with the outreach. We thank God for the reconciliation of those involved and the unity and oneness in purpose in which the outreach went ahead.

Throughout the outreach dates. We recognise that there were challenges but with openness and prayer we were able to proceed.

We thank the Christians, Pastors in different cities in UK that were able to make this happen despite the challenges.

Local outreaches in London February 2021

As we have more than forty hubs in London, time was given to fine tune and structurise those outreaches, and prayer walk.

KIVI team was unable to travel to Dominican Republic and Columbia due to observation of Corvid 19 rules.

Discipleship and Evangelism with Salvation Prayer.

KIVI partnered with local Churches and ministries to deliver a soul harvest. Discipleship and prayer training to equip those who regularly engage with strangers with the Gospel on the streets.

The Discipleship training aims to help those who regularly engage with strangers with the Gospel to come alongside and partner with Christian who do not share their faith for a variety of reasons but with the intention of helping them overcome any fear of speaking to strangers about Jesus.

Salvation Prayer is an annual programme where Christians come together to pray for the salvation of people, family, friends, neighbours. This event also aimed to encourage more Christians to join those on the mission

A. United Kingdom:

Kingdom Impact Vision International moved towards a greater and increased focus on sharing the gospel of Jesus locally, giving hope to people desperately seeking answers in their local communities. with outreaches, evangelistic programmes, and events throughout the year across the globe. The following is a report of these programmes.

Street Gospel Proclamation-2021

As KIVI plans for overseas outreach in 2021 was limited during the pandemic there was an even greater focus on opportunities to share the gospel in local communities. From mid-March, street evangelism outreaches began to spring up and increase. In Bromley increased from one to two, on Thursdays and Saturdays. As COVID-19 and its restrictions continued there was a realisation that using speakers was an effective way of proclaiming the gospel on the streets. In early June KIVI requested raising funds to purchase speakers for various areas, primarily across London where outreaches were regularly taking place, and including countries where there was a KIVI presence to date we have purchased speakers which are currently being used in Bromley, Eltham, Staines, Deptford, East London, Orpington.

Each week, and on average, over 50 people were making a profession of faith in Christ as a result of street evangelism in areas outlined above. A daily prayer call has been developed and has been in place to support outreaches in prayer. This is further supported through a prayer meeting to pray for those who had a profession of faith in the previous week, those going out on the street, praying for more labourers.

Others

The KIVI UK team developed and shared a number of short videos encouraging Christians to share their faith. These can be found

here: <https://www.youtube.com/channel/UCPuwnpikQeJ490ZqIkrUEcw/featured>

Summary

The body of Christ is a team. The body is not supported by one person, but by everyone involved in KIVI. We are one, we are strongest working together in unity. Teamwork is the key to living life in harmony, so that we can do God's will.

Partnership in the past year, has been tremendously encouraging particularly given the challenging backdrop of COVID-19. Those on the KIVI platforms laboured together, the gospel reached where it was needed most. Multitudes of people have experienced the transformative power of God through the sharing the good news of the gospel: Souls saved, disciples made, leaders trained, relief provided in diverse ways.

We thank KIVI trustees and KIVI partners who have prayed, given financially and supported those who have participated in the outreaches.

KINGDOM IMPACT VISION INTERNATIONAL TRUSTEES REPORT 2020

Introduction

Kingdom Impact Vision International (KIVI) is a global Christian network for the purpose of soul winning.

KIVI is an established global non-denominational network of believers reaching out to the nations of the earth, fulfilling Jesus' command: 'therefore go and make disciples of all nations, baptising them in the name of the Father and of the Son and of the Holy Spirit.' Matthew 28:19. These believers are connected by their love for Jesus Christ and their desire to see the good news of Jesus preached to all nations.

KIVI is connecting individuals, groups and churches, making strategic, personal and geographical connections for His purpose of reaching the lost with the good news of Jesus Christ. KIVI achieves this through the deployment of both lifestyle and evangelistic events, training for church communities, discipleship training and opportunities to experience the gospel overseas – across cities and nations. While many leadership and ministerial groups operate under a denominational umbrella, KIVI has adopted networking as the tool which the Holy Spirit can use to set the world aflame with the good news of Jesus Christ.

2020 Outreaches and programmes ¹

Between January and April 2020 KIVI began preparations for outreach missions in Tanzania, Dominican Republic (DR), Colombia, Ukraine, Portland, Bangladesh and programmes/events in London. The goal for this first quarter was to raise £8,000 to finance these outreaches and programmes. Importantly these plans were supported by weekly calls to the KIVI platform to pray and fast for these outreaches.

However, 2020 proved to be an exceptionally challenging year globally. Outreach and mission plans for KIVI in 2020 were underway when the outbreak of the COVID-19 Pandemic struck resulting in a subsequent lockdown in the UK. While this led to delays, severe travel restrictions

and cancellations in planned overseas missions travel it led to increased outreaches closer to home, in the local mission field across London and Greater London: Staines, Edmonton Green, Seven Sisters, Bromley, Wood Green, Crystal Palace, Croydon, Orpington, Shepherd Bush, Camden, Canning Town amongst others and prayer walks in Brockley, Sittingbourne and Brighton.

Prayer points focus on:

- i. Pray for safe passage and favour as the labourers travel.
- ii. Pray for the labourers as they go into the harvest field
- iii. Pray for boldness for the labourers as they speak.
- iv. Pray for the harvest: that the hearts of these precious souls will be soft and open to receive the seed of the gospel.
- v. Pray in advance for the discipleship of new believers that they may be firmly rooted in Christ.

Tanzania Outreach, 3-9 February 2020

KIVI Tanzania conducted an outreach in Dar es Salaam on 3-9 February. Tanzania is in East Africa bordering Kenya and Uganda to the north, Rwanda, Burundi & the Democratic Republic of Congo to the west, Zambia, Malawi, Mozambique to the south and Indian ocean to the East where Zanzibar Island (98% Muslim) part of United Republic of Tanzania is situated.

Tanzania has 31 regions with almost 100 languages, in addition to first language most Tanzanians speak Swahili which is the official language. English and Arabic are also spoken. It has about 61% Christians (Pentecostal groups, Roman Catholics, Protestants, Lutherans and Moravians, 35% Muslims, 4% others).

This outreach was particularly challenging. The KIVI team went with the mandate to share the gospel and win souls. The challenge was unity across the partners in Tanzania and also the weather, constant downpours. Without unity it was difficult to move ahead with the outreach. While the outreach was slightly delayed with thank God for the reconciliation of those involved and the unity and oneness in purpose in which the outreach went ahead. The rain stopped and we had sunshine throughout the outreach dates. We recognise that there will be challenges and possibly opposition but with openness and prayer we were able to proceed.

We thank the pastors and the bishops who were able to understand the situation and the peace that was reached by the precious people who made a commitment. There was great rejoicing.

Bangladesh – February 2020

KIVI Bangladesh conducted their street evangelism programme in February. On 15 February, forty (40) people committed their lives to Jesus on the streets of Dhaka. The local team in Dhaka have introduced these new believers to local churches for further discipleship. We thank God for the amazing grace of our Lord Jesus to reach out and share the Gospel.

Dominican Republic (DR) Outreach: 27-29th February 2020

The KIVI team held a 3-day crusade in collaboration with ministries in DR. Prophetic words were delivered and thousands made a decision for Christ. The outreach ended in a celebratory evening with fireworks.

Columbia, 1-4 March 2020

The KIVI team were unable to travel to Colombia, 1-4th March, to meet with partners in preparation for future outreaches, due to unforeseen circumstances.

Discipleship and Evangelism and Salvation Prayer, March 2020

KIVI partnered with a team delivering a Soul Harvest- Discipleship Evangelism Training on 7 March. The Discipleship training aims to help those who regularly engage with strangers with the Gospel to come alongside and partner with Christian who do not share their faith for a variety of reasons but with the intention of helping them overcome any fear of speaking to strangers about Jesus.

Salvation Prayer is an annual programme where Christians come together to pray for the salvation of people, family, friends, neighbours. This event also aimed to encourage more Christians to join those on the mission field.

Soul Winning Challenge: 18-31 July 2020: Partnership with Kingdom Women in Ministry (KWIM)

In July KIVI partnered with a sister platform **Kingdom Women in Ministry (KWIM)** who were conducting a Soul winning Challenge between 18 – 31 July. There were many encouraging reports of those sharing and receiving the good news.

Bibles for Pakistan – July 2020

In July KIVI began to raise funds for 100 bibles (approx. £5 each) to Pakistan following a request for assistance. The platform raised funds for the bibles in November.

Greece visit – September 2020

A KIVI team travelled to Greece for 4 days in September to work with local churches, pastors and leaders.

The Great Commission, Portland, Oregon: 27th March to 6th April.

This was postponed. The KIVI team taught at the school via Zoom in November 2020.

A. United Kingdom:

Kingdom Impact Vision International moved towards a greater and increased focus on sharing the gospel of Jesus locally, giving hope to people desperately seeking answers in their local

communities. with outreaches, evangelistic programmes and events throughout the year across the globe. The following is a report of these programmes.

Street Gospel Proclamation-

As KIVI plans for overseas outreach in 2020 was limited during the pandemic there was an even greater focus on opportunities to share the gospel in local communities. From mid-March street evangelism outreaches began to spring up and increase. In Bromley increased from one to two, on Thursdays and Saturdays. As COVID-19 and its restrictions continued there was a realisation that using speakers was an effective way of proclaiming the gospel on the streets. In early June KIVI requested raising funds to purchase speakers for various areas, primarily across London where outreaches were regularly taking place, and including countries where there was a KIVI presence eg Tanzania and Zambia. To date we have purchased speakers which are currently being used in Bromley, Eltham, Staines, Deptford, East London, Orpington.

Each week, and on average, over 50 people were making a profession of faith in Christ as a result of street evangelism in areas outlined above. A daily prayer call has been developed and has been in place to support outreaches in prayer. This is further supported through a prayer meeting to pray for those who had a profession of faith in the previous week, those going out on the street, praying for more labourers.

Summary

The body of Christ is a team. The body is not supported by one person, but by everyone involved in KIVI. We are one, we are strongest working together in unity. Teamwork is the key to living life in harmony, so that we can do God's will.

Partnership in the past year, has been tremendously encouraging particularly given the challenging backdrop of COVID-19. Those on the KIVI platforms laboured together, the gospel reached where it was needed most. Multitudes of people have experienced the transformative power of God through the sharing the good news of the gospel: Souls saved, disciples made, churches planted, leaders trained, scholarship provided, relief provided in diverse ways.

We thank KIVI trustees and KIVI partners who have prayed, given financially and supported those who have participated in the outreaches.
