

KINGDOM IMPACT VISION INTERNATIONAL TRUSTEES REPORT 2021

Introduction

Kingdom Impact Vision International (KIVI) is a global Christian network for the purpose of soul winning.

KIVI is an established global non-denominational network of believers reaching out to the nations of the earth, fulfilling Jesus' command: 'therefore go and make disciples of all nations, baptising them in the name of the Father and of the Son and of the Holy Spirit.' Matthew 28:19. These believers are connected by their love for Jesus Christ and their desire to see the good news of Jesus preached to all nations.

KIVI is connecting individuals, groups and churches, making strategic, personal and geographical connections for His purpose of reaching the lost with the good news of Jesus Christ. KIVI achieves this through the deployment of both lifestyle and evangelistic events, training for church communities, discipleship training and opportunities to experience the gospel overseas – across cities and nations.

While many leadership and ministerial groups operate under a denominational umbrella, KIVI has adopted networking as the tool which the Holy Spirit can use to set the world aflame with the good news of Jesus Christ.

2021 Outreaches and programs

Between January and April 2021 KIVI began preparations for outreach missions in Portland, our focus was mainly on United Kingdom. Importantly these plans were supported by weekly regular Zoom connection calls to the KIVI platform to pray and fast for these outreaches.

However, 2021 proved to be a challenging year globally. Outreach and mission plans for KIVI in 2021 for other countries were put on hold because of outbreak of the COVID-19 Pandemic which continued from 2021, to continued subsequent lockdown in the UK.

This led to delays, severe travel restrictions and cancellations in planned overseas missions travel it led to increased outreaches closer to home, in the local mission field across London and Greater London: Staines, Edmonton Green, Seven Sisters, Bromley, Wood Green, Crystal Palace, Croydon, Orpington, Shepherd Bush, Camden, Canning Town amongst others and prayer walks in Brockley, Bromley, Sittingbourne and Brighton.

This led to storming evangelism in different cities in UK.

Bromley, Bristol, Wales, Liverpool. Sittingbourne.

Prayer points focus on:

- i. Pray for safe passage and favour as the labourers travel.
- ii. Pray for the labourers as they go into the harvest field
- iii. Pray for boldness for the labourers as they speak.
- iv. Pray for the harvest: that the hearts of these precious souls will be soft and open to receive the seed of the gospel.
- v. Pray in advance for the discipleship of new believers that they may be firmly rooted in Christ.

Bristol 2021

KIVI concentrate on storming outreaches within United.

This storming outreach was particularly challenging due to Corvid 19. The KIVI team went with the mandate to share the gospel and win souls. The challenge was unity across the partners in United Kingdom. Without unity it was difficult to move ahead with the outreach. We thank God for the reconciliation of those involved and the unity and oneness in purpose in which the outreach went ahead.

Throughout the outreach dates. We recognise that there were challenges but with openness and prayer we were able to proceed.

We thank the Christians, Pastors in different cities in UK that were able to make this happen despite the challenges.

Local outreaches in London February 2021

As we have more than forty hubs in London, time was given to fine tune and structurise those outreaches, and prayer walk.

KIVI team was unable to travel to Dominican Republic and Columbia due to observation of Corvid 19 rules.

Discipleship and Evangelism with Salvation Prayer.

KIVI partnered with local Churches and ministries to deliver a soul harvest. Discipleship and prayer training to equip those who regularly engage with strangers with the Gospel on the streets.

The Discipleship training aims to help those who regularly engage with strangers with the Gospel to come alongside and partner with Christian who do not share their faith for a variety of reasons but with the intention of helping them overcome any fear of speaking to strangers about Jesus.

Salvation Prayer is an annual programme where Christians come together to pray for the salvation of people, family, friends, neighbours. This event also aimed to encourage more Christians to join those on the mission

A. United Kingdom:

Kingdom Impact Vision International moved towards a greater and increased focus on sharing the gospel of Jesus locally, giving hope to people desperately seeking answers in their local communities. with outreaches, evangelistic programmes, and events throughout the year across the globe. The following is a report of these programmes.

Street Gospel Proclamation-2021

As KIVI plans for overseas outreach in 2021 was limited during the pandemic there was an even greater focus on opportunities to share the gospel in local communities. From mid-March, street evangelism outreaches began to spring up and increase. In Bromley increased from one to two, on Thursdays and Saturdays. As COVID-19 and its restrictions continued there was a realisation that using speakers was an effective way of proclaiming the gospel on the streets. In early June KIVI requested raising funds to purchase speakers for various areas, primarily across London where outreaches were regularly taking place, and including countries where there was a KIVI presence to date we have purchased speakers which are currently being used in Bromley, Eltham, Staines, Deptford, East London, Orpington.

Each week, and on average, over 50 people were making a profession of faith in Christ as a result of street evangelism in areas outlined above. A daily prayer call has been developed and has been in place to support outreaches in prayer. This is further supported through a prayer meeting to pray for those who had a profession of faith in the previous week, those going out on the street, praying for more labourers.

Others

The KIVI UK team developed and shared a number of short videos encouraging Christians to share their faith. These can be found

Summary

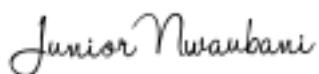

The body of Christ is a team. The body is not supported by one person, but by everyone involved in KIVI. We are one, we are strongest working together in unity. Teamwork is the key to living life in harmony, so that we can do God's will.

Partnership in the past year, has been tremendously encouraging particularly given the challenging backdrop of COVID-19. Those on the KIVI platforms laboured together, the gospel reached where it was needed most. Multitudes of people have experienced the transformative power of God through the sharing the good news of the gospel: Souls saved, disciples made, leaders trained, relief provided in diverse ways.

We thank KIVI trustees and KIVI partners who have prayed, given financially and supported those who have participated in the outreaches.
