TRUSTEES REPORT

FOR THE YEAR ENDED 30 SEPTEMBER 2024

The Trustees present their report and financial statements for the year ended 30 September 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity commission, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective from 1 January 2019).

Objectives and activities

The charity's objects are to advance the education of girls between the ages of 5 to 16 who are resident in the poor communities in Tanzania by awarding grants and financial scholarships for the beneficiary girls, who come from sections of the community which live in poverty and who would not otherwise have the opportunity to receive an education through lack of funds.

Achievements and performance

The charity has paid no grants during the year to institutions (2023: £20,962) as the charity moved to a bi-annual donation cycle. Next Grants will be disbursed in the year ending September 2025 (January-April 2025) and the next cycle of donations will be made in the year ending September 2027 (January-April 2027).

The Trustees have complied with their duty in section 17 of the Charities Act 2011 to have due regard to guidance published by the Charity Commission.

Financial review

During the year, investment income of £23,870 (2023: £15,663) were received by the charity and charitable expenditure of £8,020 (2023: £28,858) was incurred.

The Trustees have carefully considered the minimum amount of reserves that they should hold, having taken into account that they wish the Trust to continue for the long term and grants to be made in the future. The minimum amount of reserves that the Trustees will allow is £150,000 and this level was maintained throughout the year.

It is the Trustees' intention to make grants in the future where they see fit in line with the objectives of the charity.

Structure, governance and management

The charity is a Charitable Incorporated Organisation, governed by its constitution.

The Trustees who served during the year and up to the date of signature of the financial statements were:

Laila Manji

Dr. Nina Rajani

(Appointed 30 April 2024)

Trustees are appointed by majority vote of the board of Trustees. On appointment Trustees are provided with the constitution and a copy of the financial statements.

The Trustees report was approved by the Board of Trustees.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2024

1 Accounting policies

Charity information

Naseem Manji Education Trust is a charitable incorporated organisation, incorporated in England and Wales. The principal address is Acre House, 11-15 William Road, London, NW1 3ER.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective from 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

1.4 Income

All income is recognised once the charity has entitlement to the income, there is sufficient certainty or receipt and so it is probable that the income will be received, and the amount of income receivable can be measured reliably.

1.5 Expenditure

Liabilities are recognised as expenditure once there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses, including support costs and governance, are allocated to the two charitable activities in the statement of financial activities.

Cost of charitable activities include grants made. Grants payable are payments made to third parties in the furtherance of the charity's objectives. The grants are accounted for where either the trustees have agreed to pay a grant without condition and the recipient has reasonable expectation that they will receive a grant, or any condition attaching to the grant is outside the control of the charity.

Provisions of grants are made when the intention to make the grant has been communicated to the recipient but there is uncertainty as to the timing of the grant or the amount of grant payable.

Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice.

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

1 Accounting policies (Continued)

1.6 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.7 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources.

The Trustees do not believe there to be any judgements or estimates that would be considered critical to the financial statements.
