

TRUSTEES ANNUAL REPORT FOR THE HONOURABLE EDWARD KARGBO TRUST
CHARITY NUMBER: 1172862

The charity is dormant due to delay in opening a bank account. We have been attempting to do this with a £500 deposit for nearly year. Barclays closed our original account and we have made numerous attempts to open another one. Due to this we have been unable to do any fundraising for our charity during this financial year.

Due to this situation we have no accounts for the financial year. Barclays are holding the £500 until they open an account for us.
