CORNERSTONE FELLOWSHIP INTERNATIONAL(UK)

ANNUAL REPORT AND ACCOUNTS

Trustees Annual report for the year ended 31 MARCH 2021.

The trustees present their Annual Report and financial statements for 2020-21

Structure, Governance and Management

The Charity is governed by an Approved Governing Document that is commonly known as the constitution. Members of the Church are accepted in accordance with the Constitution and Church doctrine which requires them to be or to have been publicly baptised on the profession of faith in Jesus Christ or following other modes of baptism to renew their public profession of faith in Jesus Christ.

To achieve the principal objective, which is set out above, the Church provides a variety of activities both to its membership and to the community generally. The aim is to show the love of Jesus Christ in both word and deed and to bring people into a closer relationship with Him as living Lord.

Central to the work and witness of the Church is the provision of regular public services of Christian worship. These services take place each Sunday at both 10.30 am and 6.30 pm. There are also occasional services at other times which are advertised on the Church Notice Board and the website. There is a full children's programme during the morning services.

The church seeks to be a friendly and welcoming community, and anybody is free to attend any of these services. The Church runs a series of house groups for the growth of faith and discipleship in the homes of some members, and further details of these can be obtained from the Trustees on request, or at the Sunday services of worship.

The church has read the Charities Commission guidance on public benefit and is satisfied that the activities outlined above clearly demonstrate that the charity is providing a benefit to the public.

Achievements and Performance

The Church does not measure the success of its programmes only in numbers, including financial numbers, but also in less tangible areas like fellowship and encouragement. The Trustees believe that 2020-21 was a positive year in the life of the church apart from the challenges posed by the Covid 19 pandemic. As of 01 April 2021, the membership stood at 85. Our worship services were mainly done on the zoom platform because of the Covid 19 restrictions.

Financial Review

The Church continues to raise the funds which it needs to carry on its activities from within its own membership and congregation. No wider public appeal was made for funds during the year. The most significant expense related to the hire of Sunday Service Church Hall.

The Church expressed its part in the life of the wider church by making donations to national and international Christian organisations and societies with Christian aims and objectives compatible with the church's own charitable purpose. The financial results for the year, together with a summary of the accounting policies adopted are set out in the accompanying financial statements.
