Shows

This year saw things start to pick up again in terms of being able to attend shows and events and we were fortunate enough to attend our two main shows again. From these shows we received donations and funds through Lucky Dip and generosity.

We were also pleased to speak to the public about our work during the Open Farm Sunday and Big Apple celebrations as part of the farm from which we currently run from.

Visits

We were able to be a part of inviting the Herefordshire Young Carers to visit the farm and were pleased to welcome so of our regular families back for visits, as well as new visitors!

Schools

We have been fortunate enough to welcome several schools from a local SEMH school for regular visits during the school term. These sessions have included routine animal care, milking, and specific projects such as building a pony shelter, a chicken run, bird tables and general maintenance. Opportunities for free time to explore the outdoors were also given.

Trustees

Due to COVID-19 our trustees kindly continued until such a time that we could actively recruit new members. We have now been able to replace two of our trustees, while the third has been voted to remain until such time we can recruit another.

New trustees:

Johanna Knight

Jordan Nell

Matthew Nott

A huge thank you to the trustees whom are stepping down who have been with us from the beginning. Their continued support is very much appreciated.

Donations

We have kindly been donated two deliveries of wooden pallets from the local Bradfords store to enable us to facilitate the outdoor woodworking projects with the local school children.

Coronavirus

We sadly saw a second year of uncertainty due to various Government imposed Lockdowns, restrictions and a cancellation of all of our usual shows and events. This year has impacted us more significantly than 2020 as there has appeared to be a decrease in the audience willing to go out and about, even with measures in place to ensure safety. Meaning that even when we were able to attend shows there was less footfall and therefore less opportunity for us to raise money.

Shows

We were able to attend one of our significant events this summer which enabled us to raise some much needed funds. It was brilliant to be back out meeting people and it was wonderful to once again see people enjoying the animals.

Trustees

Our Treasurer, Matthew Nott, was due to end his term as a Delilah's Umbrella Trustee in May, however due to the pandemic we have been unable to recruit a replacement in the way that we had intended. As such, Matthew has kindly agreed to remain on our board of Trustees for the foreseeable future until we can recruit a suitable replacement. We have also begun looking for replacements for our other Trustees as their terms are due to expire in 2022.

Income	Expenditure
Visits - £90.00	Insurance - £245
Donation - £450.00	Bills - £300
Amazon Smile - £12.51	Hay & Feed - £1248
Total = £552.51	Total - £1793

2020 has been a difficult year for many. The biggest part of our fundraising comes from attending various shows throughout the year, which unfortunately have all been cancelled for 2020. The second area of our raising money comes from the attendance of people to see the animals, or visits out to care homes or other groups. Again, this has not been able to happen due to COVID restrictions. Like many other organisations we have had to rethink how we work and attempt to generate some income in other ways.

During the latter part of the summer months we introduced Lockdown Sessions where families, individuals, couples, could come and spend 2 hours with the animals for £10. This was done in a COVID safe way with each group being the only ones on site, public toilets cleaned between visits, hand sanitiser available and 2-metre distance maintained.

Feedback from visitors was always positive, with some families returning at a later date for another visit. The variety of animals were a huge hit and everyone commented on the novelty of being able to really get up and close with the animals rather than having a barrier between them and the animal. Many commented on the wonderful nature of the animals and how friendly and relaxed they were.

We saw many success stories including young children who were afraid of cows – by the end of his visit he was stroking them. Also a young girl who had become terrified to leave her home due to COVID and this had been her only outing, she said she felt calm and safe with us.

We anticipate that 2021 will also be a rather quiet year and therefore if possible we will begin the sessions again during the warmer months.

The charity also benefited from the arrival of some new stars! Some Shetland Sheep and a Shetland Pony foal arrived on site, as well as some chickens. All of which have been a big hit with visitors.

While the lack of shows has been disappointing for the team, we look forward to being able to get back into them in the coming years.

INCOME		EXPENDITURE	
Lockdown Sessions	£470	Feed	£1440
		Shetland Sheep	£150
Total	£470	Total	£1590
