Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

Forest of Dean Dog Rescue is a registered charity supported by likeminded people, dedicated to rescuing unwanted and/or abandoned dogs in the Forest of Dean and surrounding areas. These dogs are given necessary veterinary treatment, vaccinated and neutered, before being rehomed to carefully checked homes. The focus of our activities revolves around fundraising and awareness of the plight of the many unwanted and badly treated dogs in the area.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In planning our activities for the year, Forest of Dean Dog Rescue kept in mind the Charity Commissions guidance on public benefit.

Obtain, collect and receive money or funds by contributions, bequests, donations, grants and fundraising activities.

Our fundraising activities include,

Dog shows
Chocolate bingo
Psychic nights
Harvest festival
Raffles
Grant application

These events raise the funds needed to facilitate the rescue, rehabilitation and rehoming of dogs in the Forest of Dean.

We provide a dog foodbank service for local families who are struggling to provide food for their dogs in the Forest of Dean.

We also provide help towards outstanding veterinary fees for dogs that are subsequently signed over to us.

Additional details of objectives and activities (Optional information)

You may choose to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

A great contribution is made by volunteers, in fostering dogs, assisting at events, home checking potential homes and exercising our kennelled dogs. Without this valuable contribution of time, energy and expertise we would not have been able to achieve so much.

Summary of the main achievements of the charity during the year

2024 has continued to be busy for FODDR

51 dogs came into our care in 2024. We rehomed 46 dogs, 5 went to other rescues and we now have 23 dogs in long term foster. We have helped a few cases where owners needed help paying unexpected veterinary fees, again this is an ongoing problem especially with the steep rise in veterinary fees country wide.

We held our 2nd Angel's Bark in the Park at Speech House, this year it was even more successful, attended by well over a thousand people. We were blessed with good weather, which made it busier than last year's show.

We also held our ever popular chocolate bingo, psychic nights, Christmas wreath making and held online raffles, which are very popular.

We continue to take the Forest of Dean District Council strays if they are unclaimed after 7 days.

Section E

Financial review

Brief statement of the charity's policy on reserves

Funds held in reserves are made up of restricted funds (Cavalier Welfare Grant) and six months working capital.

We carry forward extra reserves at year end to cover our costs until our main fundraising activities commence in the Spring.

Details of any funds materially in deficit

Further financial review details (Optional information)

You may choose to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

We are funded primarily by our fundraising activities, adoption donations and bequests.

The welfare and wellbeing of the dogs in our care is of paramount importance. Our vets provide the highest standard of veterinary care and share our welfare values. Providing these dogs with the correct nutrition is equally important, expenditure in these areas is key to us achieving our welfare objectives.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In planning our activities for the year, Forest of Dean Dog Rescue kept in mind the Charity Commission's guidance on public benefit.

Obtain, collect and receive money or funds by the way of contributions, bequests, donations, grants and fundraising activities.

Our fundraising activities include.

Dogs Shows
Chocolate Bingo
Psychic Nights
Coffee Mornings
Christmas Dinner and dance
Grant Application

These events raise the funds needed to facilitate the rescue, rehabilitation, and rehoming of dogs in the Forest of Dean.

We provide a dog foodbank service for local families who are struggling to provide food for their dogs. We also provide help towards outstanding veterinary fees for dogs that are subsequently signed over into our care.

Additional details of objectives and activities (Optional information)

A great contribution is made by volunteers, in fostering dogs, assisting at events, home checking potential new homes, and without this valuable contribution of time, energy and expertise, we would not have been able to achieve so much.

You may choose to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

2022 has continued to be busy for FODDR.

71 dogs came into our care in 2022, these included 8 seized on welfare grounds from one home. We rehomed 63 dogs, 2 went to other rescues and 8 were added to our long term foster scheme, we now have 24 dogs in long term foster. We paid the outstanding vet bills for 3 animals where the owner could not afford to keep, and they were signed over to us.

2022 was an improvement on '21 as we were able to organise more events. Angel's Party, Maze dog show, Harvest Festival, Howlaween Dog Show, Chocolate Bingo, Psychic Night, Christmas Market, and our first very successful Christmas Dinner Dance. Our dog shows are particularly popular, we are organising bigger venues to accommodate our supporters. We are hoping to hold at least one event per month, with the introduction of online raffles too.

We continue to take on the Forest of Dean District Council strays if they are unclaimed after their 7 days.

Summary of the objects of the charity set out in its governing document

Forest of Dean Dog Rescue is a registered charity supported by likeminded people, dedicated to rescuing unwanted and/or abandoned dogs in the Forest of Dean and surrounding area. Summary of the main achievements of the charity during the year

This year was busy for us at FODDR, in total we had 101 dogs come into our care. These included 24 that were seized from a local puppy farm, and 8 pups that were seized on welfare grounds. 79 dogs were rehomed by us, 13 went to other rescues, and 6 joined our long-term foster scheme. We currently have 21 dogs in long-term foster, were we meet the costs of ongoing veterinary care.

We were able to resume our annual dog show in the summer, thanks to the support of Forest Oak Farm, who allowed us to use their facilities. The day was a great success, and we plan to hold more events there.

At Christmas we were able to hold our annual Christmas Coffee Morning / Craft Fayre, again this was well attended, as well as supporters taking part in our Christmas raffle.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

Forest of Dean Dog Rescue is a registered charity supported by like-minded people dedicated to rescuing unwanted and/or abandoned dogs in The Forest of Dean and surrounding area. These dogs are given any necessary medical treatment, vaccinated and neutered before being rehomed to carefully checked homes. The focus of our activities revolves around fundraising and awareness of the plight of the many unwanted and badly treated dogs and puppies in the area.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In planning our activities for the year, FODDR kept in mind the Charity Commission's guidance on public benefit.

Obtain, collect and receive money or funds by way of contributions, donations, grants and fund-raising activities in order to facilitate the rescuing, rehabilitation and rehoming of dogs in the Forest of Dean.

Fundraising activities include coffee mornings, dog activity events and grant applications. While the latter contribute the greatest amount in monetary terms, the other events maintain our profile in the Forest of Dean, and lead to additional opportunities.

Due to Covid restrictions applicable throughout most of 2020 all fundraising events were carried out on-line. This maintained our level of engagement with the public

Additional details of objectives and activities (Optional information)

A great contribution is made by volunteers, in fostering dogs, assisting at events, home checking potential new owners, and without this valuable contribution of time, energy and expertise we would not have been able to achieve so much

You **may choose** to include further statements, where relevant, about:

- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

We took in 90 surrendered/stray dogs for rehabilitation and rehoming and rehomed 80 dogs, an increase over the previous year. Several of the year's intake of dogs were not suitable for rehoming and are now under our care as Long Term Foster dogs.

We held hosted 2 virtual Coffee Mornings and several auctions and raffles. All on-line due to Covid restrictions.

Our Christmas event incorporated a virtual Christmas Craft Fair which included a raffle of amazing hampers, put together with products donated by our many supporters. Our Hamper raffle also featured 3 Friendship Hampers – these were donated by the charity to people who were struggling through the restrictions.

We were unable to run any physical dog shows but instead ran an online event.

Obtained a £5000 Covid grant from Support Adoption for Pets.
