Policies for the induction and training of new directors follow those of the ultimate parent, Oasis International Association.

d. ORGANISATIONAL STRUCTURE AND DECISION MAKING

Oasis Community Hub: Hobmoor (the Company) is a company limited by guarantee, whose registered number is 10615979. It is also a registered charity, number 1172925. The Company is governed by a Memorandum and Articles of Association of 13th February 2017. The Company is controlled by the Directors who are also the Trustees. The company was founded by Oasis Charitable Trust, however Oasis Community Partnerships is the immediate parent and sole member. The Company does not have a share capital. Directors are appointed by a majority of Directors or the Guarantor. The Directors have delegated the day to day activity of the Company to the Hub Leader, but retain responsibility for major strategic and governance decision.

The Company was established in furtherance of Oasis Charitable Trust and Oasis Community Partnership's intention to deliver individual and community transformation through local community hubs. As each Hub will need to respond to the issues and needs arising in its own locality and in order to engage local involvement each hub will operate as an independent legal entity but expressing the consistent ethos of Oasis.

e. RISK MANAGEMENT

The Directors have assessed the major risks to which the company is exposed, in particular, those related to the operations and finances of the company, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

The risks and impact of Covid-19 have been assessed by the Directors and they are satisfied that risks have been mitigated wherever possible. We have confirmed grant commitments from our major funders covering the period up to and beyond August 2022.

OASIS COMMUNITY HUB: HOBMOOR

(A company limited by guarantee)

DIRECTORS' REPORT (Cont.) FOR THE YEAR ENDED 31 AUGUST 2021

The Directors consider that Oasis Community Hub: Hobmoor has adequate resources to continue in operational existence for the foreseeable future and, for this reason, the Directors continue to adopt the going concern basis in preparing the accounts.

Objectives and Activities

The objective of the company is to operate as a catalyst for community transformation by facilitating improvements in the lives of individuals and growth in community activity and cohesion. This will be achieved by identify and understanding the needs and strengths within the community and by applying the Oasis Ethos to everything. The Oasis Ethos is:

- A passion to include everyone
- A desire to treat everyone equally, respecting differences
- A commitment to healthy and open relationships
- A deep sense of hope that things can change and be transformed
- A sense of perseverance to keep going for the long haul

Oasis Hubs will typically include activities in education, youth and children's work, community empowerment, housing, advice and support, personal and spiritual development and health and wellbeing.

Relationship of Oasis Community Hub: Hobmoor to other Oasis companies

The Hub has three relationships with the wider Oasis group:

1. With the national group of Oasis organisations
2. With the Oasis Community Partnerships group
3. With Oasis Academy Hobmoor

These are described below as follows:

1. The national Oasis Group

The Oasis family of charities in the UK has been structured to enable the entire group to benefit from working together towards national objectives while at the same time being able to deliver maximum impact in local communities. The challenge of running a national charity is in ensuring the correct needs are being addressed in local communities, while the advantage is working collaboratively at a national level to minimise cost locally and benefitting from the value of interdependent working. This 'hybrid structure' has been developed to ensure that local ownership and oversight is achieved whilst leveraging economies of scale.

At a national level, Oasis Charitable Trust is responsible for all Oasis' activities in the UK and is the parent company for three national subsidiaries. These are:

1. Oasis Community Learning – a multi-academy chain running 52 academies across England
2. Oasis Community Partnerships – a charity delivering community development work
3. Oasis Community Housing – a housing charity supporting vulnerable adults and young people

FOR THE YEAR ENDED 31 AUGUST 2021

2. The Oasis Community Partnerships Group

Within this group structure, Oasis Community Partnerships is responsible for all of Oasis' community development work in the UK. It is the national holding company for 19 local Oasis Community Hubs and one Trading Company, delivering integrated community development work in a number of targeted neighbourhoods across the country.

Oasis Community Hub: Hobmoor is a local subsidiary of Oasis Community Partnerships, which, in the same way as the group structure, is also a hybrid model. This enables sharing of resources, best practice and central support functions while Oasis Community Hub: Hobmoor operates locally in order to respond appropriately to the needs of the local area. As a result, Oasis Community Hub: Hobmoor benefits from higher quality and cheaper infrastructure than it would be able to access as an entirely standalone organisation.

3. Oasis Community Hub: Hobmoor and its partnership with Oasis Academy Hobmoor

Oasis Community Hub: Hobmoor is governed by a local board of trustees, who are accountable for the financial management of the hub, overseeing the development of projects to meet local needs and ensuring that those projects benefit from any funds raised. As explained about Oasis Community Hub: Hobmoor is a subsidiary of Oasis Community Partnerships, which in turn is a subsidiary of Oasis Charitable Trust.

Oasis Community Hub: Hobmoor delivers integrated community development work in the community surrounding Oasis Academy Hobmoor (primary school). One objective of Oasis Community Hub: Hobmoor is to provide wrap around care for students and their parents/carers at the Academy. Therefore, Oasis Community Hub: Hobmoor works in close partnership with Oasis Academy Hobmoor in order to provide integrated and holistic community transformation.

Because the Academy is able to articulate strong educational outcomes from the role of Hub Leader, a portion of their salary is funded from the Academy budget. The Academy is accountable to the Department for Education and Education Funding Agency, who rigorously regulate the spend of statutory funds and are therefore only able to fund community roles which have clear and identifiable educational outcomes for students. However, Oasis Community Hub: Hobmoor has a broader purpose in providing community interventions for the entire area and therefore there are a range of additional community roles and programmes which must be funded in other ways. Therefore, Oasis Community Hub: Hobmoor has been specifically established to govern our charitable community activities in the area.

Achievements and Performance in 2020/21

As with every other charity, at Oasis Community Hub: Hobmoor we are heavily impacted by the Covid-19 pandemic, since March 2020 when the national lockdown was imposed and further compounded by local restrictions. This has had a substantial impact on our work; the majority of our face-to-face work stopped until March and then we slowly opened up as restrictions allowed. Our priority was making sure that our vital food poverty and pastoral support services were able to continue. Whilst this time has been significantly challenging; it has presented us with opportunities to serve our community in a unique way and build an effective community movement.

Oasis Community Hub: Hobmoor is particularly focused in the South Yardley area of Birmingham. It is strategically located on the boundary of three wards: South Yardley, Tyseley and Hay Mills, and Yardley West and Stechford, although it also worked across the whole South Yardley constituency during the pandemic.

(A company limited by guarantee)
DIRECTORS' REPORT (Cont.)
FOR THE YEAR ENDED 31 AUGUST 2021

The work of the Hub incorporates the formal education delivered by Oasis Academy Hobmoor and Hobmoor Community Centre, as well as many community projects that are run alongside them to support students, their families and the wider community. The Hub has made a transformational change to the life of the local community in several ways. In 2020/21 the Hub had:

Total Participants: 1515
Unique Participants: 896
Total Meals provided: 19864
Total Participant Hours: 19988
Total Number Attended: 4572
Unique Attendees Across All Criteria: 896

A summary of key projects this year:

Oasis Pantry Hobmoor

As we moved to a new phase of the Pandemic and the closure of last year's food parcel distribution centre, Oasis Community Hub: Hobmoor opened a Your Local Pantry, on Thursday 3rd December at South Yardley Methodist Church in response to an unprecedented need, supporting families and individuals who struggle to pay their bills to gain access to affordable healthy food.

It is part of a national franchise Your Local Pantry owned by Church Action Against Poverty. Services, training and advice are provided by Birmingham Thrive. Essentially, we have set up a corner shop using rooms in the church. People can apply to become members or by referrals from the NNS, Early Help, Local Health Centres or other organisations. Members pay a £4 membership fee each time they come to the shop. Typically, they would choose 13 items to take away. 3 items valued at over £1.50 and 10 other items. They fill their basket with what they choose, just like in a shop. They typically take away food worth between £20 -£25 each visit. Members therefore have the opportunity to 'stretch' their income. The pantry project is an exemplary example of partnership working and empowering the community, a video showing the impact can be viewed on our YouTube channel.

Holiday Programmes and Covid 19 Oasis Summer Sessions

Over the last year, we provided eight weeks of holiday provision tackling Holiday Hunger and inactivity in Young People. Due to the lockdown restrictions, we were not able to provide any sessions during February half term. However, we had a very busy summer offering a holiday club and community day trips that involved:

Unique Attendees Across All Activities: 695
Provided Meals: 2864
Total Participant Hours: 17778:6
Total Number Attended: 2882

Oasis Lionhearts' Football Club

The Lionhearts' Football Club has continued to develop over the year with reduced numbers due to Covid -19. 64 individual Young People being involved taking part in physical exercise and gaining new skills each week. For the first time an Under14s team completed a season in the Central Warwickshire Youth League. We also ran a successful campaign with support from local councillors to get the football pitches reinstated on the local park, Oakland Recreation Ground. Check out our YouTube channel for more information.

Hobmoor Community Centre

The Community Centre was significantly affected by Covid -19 regulations and had to close. We began to offer a limited programme of activities including Adult Education and Young People's activities from April 2021 as restrictions were lifted.

Empower, Equip and Enjoy Volunteer Project

Empower, Equip and Enjoy. The aim of the project is to Empower and Equip volunteers for the neighbourhood. We have also developed a clear pathway for Young Volunteers through sport. We delivered a Level 1 Sports Leadership course, an FA Basic Referee and an FA Level 1 Coaching course as part of the pathway. An unexpected outcome during the lockdown was the acceleration of this project. Community assets came together and formed a community movement to meet the food needs across the Consistency together with the MP's office. Through innovation, resources were combined in an imaginative way. The project was affectively put on hold due to Covid-19 Restrictions. Our end of year vlogs can be found on our YouTube channel.

Financial review

Total income for the year ended 31 August 2021 amounted to £160,371 (2020: £256,728). Expenditure amounted to £207,774 (2020: £167,099). The overall result is a deficit of £47,403 (2020: £89,629), leaving retained funds of £148,588 (2020: £195,991).

Reserves

The Directors continue to review the Hub's need for reserves in line with the guidance issued by the Charity Commission and have adopted a policy to set aside funds of approximately three months running costs which we estimate to be £41,944 for 2021/22. Many staff are working on restricted projects and therefore the three months running costs are held within both unrestricted and restricted funds. We have sufficient reserves to guard against unexpected downturns in financial performance. The total level of funds as at 31 August 2021 is £148,588 (2020: £195,991), with unrestricted funds of £13,363 (2020: £35,440) and restricted funds of £135,225 (2020: £160,551). The reserves policy has therefore been met.

Going concern

The Directors have considered the risks to the Hub, including the impact of Covid-19, and these include a reduction in lettings income and the ability for the Hub to carry out its activities in an environment where social distancing rules are expected to be in force for some time. The Directors have confirmed that the major sources of grant funding are committed and the delivery of the activities can be adjusted to ensure that guidelines around social distancing can still be applied. Furthermore, the Directors are confident that costs will only be incurred to the extent that funding is secured. The Directors are confident that the Hub has adequate resources to continue operating for the foreseeable future and, for this reason, the Trustees continue to adopt the going concern basis in preparing the accounts.

Plans for the future

Oasis Community Hub: Hobmoor will continue to be a community hub for education, health and wellbeing for South Yardley and Oasis Academy Hobmoor, so that all who enter are transformed and leave with a better life story. It will remain an expression of the wider Oasis Vision of being committed to transforming communities by working in an inclusive way, so that all people experience wholeness and fullness of life. We will continue to innovate by putting local people in the lead.

Our aims for the immediate future are:

1. Rebuild a programme of Adult Education and other activities in the community centre that meet the needs of the community.
2. Volunteers and paid staff will resume some existing activity, offering support and advocacy so that families and individuals can become more financially and emotionally resilient lifting Young People out of poverty.
3. Help other local organisations to recover so they are not a loss to the neighbourhood both financially and through partnership working.
4. Reconnect the different groups in our community so they may thrive together and find capacity to tackle challenges in the future.

We will always work in line with Covid-19 Government Guidelines and in a way that minimises the spread of the virus through robust risk assessment.

Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period.

In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;

INDEPENDENT EXAMINER'S REPORT TO THE MEMBERS OF OASIS COMMUNITY HUB: HOBMOOR

I report on the accounts of the charity for the year ended 31 August 2021.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- 1) which give me reasonable cause to believe that in any material respect the requirements:
 - a. to keep accounting records in accordance with section 130 of the 2011 Act; and
 - b. to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act

have not been met; or

- 2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
