Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To advance the Christian religion in England for the benefit of the public in such ways as the trustees think fit, including through the holding of prayer meetings, lectures, public celebration of religious festivals, producing and/or distributing literature on Christianity to enlighten others about the Christian religion
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Financial income is achieved entirely through donations of regular attenders. The charity is only in its second year of operation so the main expenditure is on the purchase of equipment and general hospitality. Glasshouse Church has held three prayer meetings per week attended by an average of 10 people. Trainee ministers have attended lectures on Christian leadership three times per week. 7 small group meetings were held during the week, meeting for encouragement in Christian teaching. Each group consists of about 10 people. Public Sunday services have been conducted weekly. The average regular Sunday attendance is 70. A total of about 80 people attend various weekly activities. Refreshments and snacks are provided at these meetings. Christmas activities took place including playing carols in two local cafes and three carol performances at different local churches. Training for interns for ministry has continued. After Christmas, lockdown began in March. All Easter plans were cancelled. Church activities continued online. New training and upskilling was required for this. Easter eggs were delivered to the front door of all members.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity	Para 1.18	In all activities planned for the year the trustees have considered the Commissions guidance on public benefit and the specific

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Glasshouse achieves a relevant, engaging Sunday service on a weekly basis. The quality of communication and performance is of a high standard. This is a huge benefit to the community and to young people who get a sense of belonging, value and personal achievement. We benefit society greatly by having a positive message and by engaging with those who attend our functions. We are embracing and encouraging to all who connect with us. Our music playing in coffee shops and for Christmas were well received by the general public. We also connect with other churches in Europe for training and development.
