Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	<p>We have slightly exceeded our income this year and this has meant dipping into our reserves. The increased expenditure has mostly been accounted for by expenditure on building refurbishment and additional demands on the foodbank.</p> <p>Our major expenditure continues to be the food bank which is supported by giving from the congregation. We are saddened by the continued need for food support to families in the area and we believe we provide a lifeline for many.</p> <p>The trustees are aware of the excess expenditure, however we have sufficient funds in hand for this not to pose an immediate problem.</p> <p>We are considering how we can raise additional funds to sustain our charitable activities.</p>
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<p>The charity's policy is to maintain sufficient reserves to cover 6 months of operational expenditure. From time to time we may dip into these reserves to cover emergency building or maintenance costs.</p> <p>Separately we have established a building fund to cover ongoing maintenance and improvements to the building.</p>
Amount of reserves held	Para 1.22	£39,556
Reasons for holding zero reserves	Para 1.22	N/A
Details of fund materially in deficit	Para 1.24	N/A
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	N/A

Additional information (optional)

You may choose to include further statements where relevant about:

The charity's principal sources of funds (including any fundraising)	Para 1.47	<p>The charity's principal source of income is the faithful giving to the church members who although mostly retired, continue to support the ongoing operational costs of the charity.</p> <p>We have also received some more substantial gifts (or gifts in kind) from individuals who wish to support the youth work.</p> <p>Where appropriate in addition we seek grants from relevant awarding bodies to help fund our charitable activities.</p>
Investment policy and objectives including any social investment policy adopted	Para 1.46	<p>We have no long-term investments and hold our cash reserves in public banking deposit accounts. We have no specific policy on social investment.</p>
A description of the principal risks facing the charity	Para 1.46	<p>The principal risks facing the charity are</p> <p>1. The ageing church membership.</p> <p>Although our members are very faithful and active in their support, we recognise that they are getting older and several have passed away this year. However, we also recognise that this church has always had a similar age profile and so we trust that new members will join us as others depart.</p> <p>2. Ageing building in need of refurbishment</p> <p>Our building is an asset which continues to serve us well. We continue to sustain its usefulness through sustaining repairs and decoration. However, we recognise that as it gets older, more major work may become necessary for which the charity has no immediate provision.</p>

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	<p>We have slightly exceeded our income this year but this has mostly been accounted for by expenditure on building refurbishment.</p> <p>Our major expenditure continues to be the food bank which is supported by giving from the congregation. We are saddened by the continued need for food support to families in the area and we believe we provide a lifeline for many.</p> <p>The trustees are aware of the excess expenditure, however we have sufficient funds in hand for this not to pose an immediate problem.</p> <p>We are considering how we can raise additional funds to sustain our charitable activities.</p>
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<p>The charity's policy is to maintain sufficient reserves to cover 6 months of operational expenditure. From time to time we may dip into these reserves to cover emergency building or maintenance costs.</p> <p>Separately we have established a building fund to cover ongoing maintenance and improvements to the building.</p>

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended

**Responsibilities and
basis of report**

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. *Delete [] if not applicable.*

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Summary of the purposes of the charity as set out in its governing document	Para 1.17	<p>The purposes of the Church shall be:</p> <ul style="list-style-type: none"> • The advancement of the Christian faith [in accordance with the Statement of Faith] in such ways as the Charity Trustees may from time to time decide; and • The relief of persons who are in need by reason of financial hardship, ill-health, disability, unemployment, and such other economic or social disadvantage. • The support of Christian missionaries and humanitarian appeals outside of the UK.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>The main activities of the church remain as described below although these have been particularly challenging throughout the covid-19 crisis.</p> <p>We have for the most part moved our communal worship and bible studies online and as the restrictions have eased, we have continued to offer this facility for people in isolation.</p> <p>We have however tried where possible to continue to visit physically and provide support to people in isolation. We have also arranged a 'covid safe' party at Christmas for the children of the estate.</p> <p>Advancement of the Christian Faith:</p> <ul style="list-style-type: none"> • Sunday services of public worship • Weekly bible studies and prayer meetings • Ladies conferences and regular Men's Breakfasts <p>Youth (under 12)</p> <ul style="list-style-type: none"> • We run a weekly evening club open to all children from the surrounding housing estate. During the club we organise crafts, games and provide a small meal. This club is running at capacity with over 30 children regularly attending. • We have organised trips to take children and their parents to an environment outside the local estate including to Open Farms and surrounding beach or picnic spots • We run occasional seasonal events attended by over 80 children including an annual Light Party as an alternative to Halloween and annual Christmas carol services and meals for children and their parents.

		<p>Youth (12-18)</p> <ul style="list-style-type: none"> We run a weekly evening club for young teens (12-18). We organise an annual camp taking teens from the estate camping in the new forest. <p>Adults</p> <ul style="list-style-type: none"> We run a weekly food bank meeting the needs of residents in Golden Grove. During the covid lockdown we provided food for up to 50 families a week. This was funded from generous donations by church members alongside food donations obtained from local shops and restaurants. We work in partnership with SAFE to run back to work and confidence courses for local residents (http://www.safe.org.uk/). <p>Mission</p> <p>We support other relief and mission organisations working outside of the UK especially including;</p> <ul style="list-style-type: none"> Open Doors https://www.opendoorsuk.org/, Bringing Good News https://www.bringinggoodnews.org/ Ebenezer Child Care Trust http://www.friendsofebenezerchildcare.co.uk/

Achievements against objectives set	Para 1.41	<p>The trustees wish to record our profound gratitude to Alison Strudwick, our pastor, who despite personal family issues with covid, continued to provide leadership and pastoral support to the community.</p> <p>Covid 19 set back many of our plans for direct outreach to the Golden Grove estate. However, it also provided opportunities to expand our reach through the use of online meetings and our food bank which provided a vital lifeline to many on the estate.</p>
Performance of fundraising activities against objectives set	Para 1.41	<p>We are encouraging the majority of our members to rearrange their giving to give a regular gift to James Street through Stewardship Services who will handle direct debits and charitable tax recovery on our behalf. (https://www.stewardship.org.uk/)</p>
Investment performance against objectives	Para 1.41	N/A

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	<p>Our income has dropped significantly during the covid crisis due to the lack of car park and room bookings and the lack of physical collections during services.</p> <p>Last year we did receive a special one-off legacy which improved our position significantly. However, even taking this into account, our underlying position has weakened as members have sadly died and income has dropped.</p> <p>However, our expenditure has also dropped so, for now, we remain in a viable position although we are eating into our reserves.</p> <p>The trustees are aware of this trend and are considering how we can raise additional funds to sustain our charitable activities.</p> <p>We have had some extraordinary expenditure due to leaks in the roof but most of this has been offset by insurance claims.</p> <p>The trustees expect that we will have to plan some significant investment into more permanent roof repairs in the coming period.</p>
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<p>The charity's policy is to maintain sufficient reserves to cover 6 months of operational expenditure. From time to time we may dip into these reserves to cover emergency building or maintenance costs.</p> <p>Separately we have established a building fund to cover ongoing maintenance and improvements to the building.</p>
Amount of reserves held	Para 1.22	£26065
Reasons for holding zero reserves	Para 1.22	N/A
Details of fund materially in deficit	Para 1.24	N/A
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	N/A

Additional information (optional)

You may choose to include further statements where relevant about:

The charity's principal sources of funds (including any fundraising)	Para 1.47	<p>The charity's principle source of income is the faithful giving to the church members who although mostly retired, continue to support the ongoing operational costs of the charity.</p> <p>We have also received some more substantial gifts (or gifts in kind) from individuals who wish to support the youth work.</p> <p>Where appropriate in addition we seek grants from relevant awarding bodies to help fund our charitable activities. In particular we have received a small number of grants to assist with youth work from West Itchen Community Trust https://www.wict.co.uk/</p>
Investment policy and objectives including any social investment policy adopted	Para 1.46	<p>We have no long-term investments and hold our cash reserves in public banking deposit accounts. We have no specific policy on social investment.</p>
A description of the principal risks facing the charity	Para 1.46	<p>The principle risks facing the charity are</p> <p>1. The aging church membership.</p> <p>Although our members are very faithful and active in their support, we recognise that they are getting older and several have passed away this year. However, we also recognise that this church has always had a similar age profile and so we trust that new members will join us as others depart.</p> <p>2. Aging building in need of refurbishment</p> <p>Our building is an asset which continues to serve us well. We continue to sustain its usefulness through sustaining repairs and decoration. However, we recognise that as it gets older, more major work may become necessary for which the charity has no immediate provision.</p>

JAMES STREET CHURCH

Set out on pages

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended

**Responsibilities and
basis of report**

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. *Delete [] if not applicable.*

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
