

2023/24 Report & Accounts Chairman's Statement

The Trusted Executive Charitable Foundation (TTECF / "the Charity") was registered as a Charitable Incorporated Organisation (CIO) by the Charity Commission on 16 May 2017. This report covers the period of operation of the charity from 6 April 2023 through to 5 April 2024.

1. Charitable Objects:

The objects of the CIO are:

Within the UK for the public benefit, awarding grants of money, as the charity trustees think fit, to UK registered charities which have a Christian ethos for the purpose of:

- relief of those in need by reason of youth, age, ill-health, disability, financial hardship, unemployment or other disadvantage;
- advancing the education of persons under the age of 25 years in order to develop their ability, and character and so:
 - enhance their ability to engage in paid employment; or
 - promote their spiritual, moral, cultural, mental and physical development; or
 - prepare them for the opportunities, responsibilities and experiences of later life.

2. Funding:

During this reporting period the Charity has been in receipt of funds of £50,494; these funds were donations from a single corporate donor (£37,800) along with donations from individuals (£12,694). Expenditure during the reporting period was £60,304; this included donations of £60,000 to charities registered in the UK. All the administration in support of the charity is provided pro bono by volunteers.

3. Outcomes:

During this reporting period the primary activities of the Trustees were:

- awarding grants to charities with a Christian ethos, including: Bethany Christian Trust (prevention of homelessness), You Can Flourish (mental health and wellbeing of young girls), Sixty-One (re-offending prevention amongst ex-prisoners), Shine Youth (emotional wellbeing & mental health support for young people), Grace Enterprises (supportive, paid jobs for people who face significant barriers to work), Clean Sheet (support in finding sustainable employment for people with convictions), Purple Shoots (enabling disadvantaged people to become economically active again);
- leadership development through one-on-one business coaching for members of the leadership teams within the charities where we have awarded financial grants;
- relationship development with stakeholders who support our work;
- regular discussions with leaders within the charities we support to build relationships and to assess the impact of grants that had been awarded; the resulting updates were published on our website (<http://www.ttecf.org.uk/partner-charities/>).

The Trustees are satisfied that the Charity is in a strong position to fulfil its Charitable Objects going forward.

4. Financial management:

The Trustees have published a set of selection criteria against which applications for funding are assessed (<http://www.ttecf.org.uk/#selection-criteria>).

The day to day operating costs of the Charity are extremely low. The Trustees have taken the decision that maintaining a financial reserve of £100 is prudent.
