Summary of the main achievements of the charity during the year

The Trustees of Christ Victorious Power Ministry are pleased to present their annual report for the period covering December 2023 to December 2024.

This report outlines the ministry's activities, achievements, and challenges during the period under review, as well as its continued efforts to support members and the wider community through prayer, counselling, and charitable outreach.

In April 2024, Prophetess Victoria, the church's spiritual leader, underwent knee surgery and has since been in recovery. During this time, ministry operations, meetings, and counselling sessions have continued via telephone and online platforms. Members have been visiting from time to time to offer fellowship, prayer, and encouragement.

In 2024, recovery from the knee operation has shown steady progress. However, the other knee has developed discomfort and may require a similar procedure in the near future. Prophetess Victoria also underwent eye surgery during the year, which has limited her ability to drive and attend church physically. Despite these challenges, she continues to lead prayers, conduct consultations, and provide spiritual guidance through online means and at home visits.

Due to the health circumstances mentioned above, and challenges associated with travel distance to the previous venue, physical church services were temporarily suspended.

Throughout the year from December 2023 to December 2024, the ministry maintained active fellowship through:

- Online prayer meetings and consultations,
- Regular telephone communication with members,
- Electronic contributions and offerings to sustain church operations, and
- In-person prayer visits at the Prophetess's residence.

In January 2024, the Trustees began exploring options for a new worship venue closer to the headquarters to allow for easier access once in-person services resume.

The church continues to demonstrate strong pastoral care and compassion for its members. In 2024, the church family experienced the sad loss of Trustee Member Brother Maxwell Nelson's daughter, aged 35. This was a great loss to the ministry and its members. The Trustees held several meetings to arrange support for the family, with Sister Francesca providing exceptional assistance throughout the period. Prophetess Victoria, the church's spiritual leader, contributed £300 towards the funeral and burial arrangements.

Additionally, Sister Ena Hayton was supported following the loss of her partner. Members visited her regularly, prayed with her, and offered ongoing emotional and spiritual support.

Brother Dale suffered the loss of his daughter in Jamaica, and the church provided both financial assistance and spiritual encouragement during this difficult time.

Throughout the reporting period, the ministry also provided prayer, food, and financial assistance to members and families experiencing hardship or crisis, reflecting its commitment to Christian compassion and practical support.

In 2024, the church welcomed visitors from Canada, who joined members for a time of prayer, fellowship, and thanksgiving at the Prophetess's residence. This occasion provided a moment of refreshment and mutual encouragement within the faith community.

The ministry continues to operate as a supportive spiritual family, fostering unity, prayer, and love among its members, even in the absence of regular physical gatherings.

The Trustees remain committed to:

- Continuing online and telephone fellowship while recovery and logistical arrangements are ongoing,
- Identifying and securing a new permanent venue for worship and outreach activities,
- Strengthening member engagement and pastoral care, and
- Maintaining financial transparency and accountability in all ministry operations.
- With God's help, the ministry looks forward to resuming in-person services and expanding its outreach to new members and communities.

The Trustees wish to express sincere gratitude to:

All church members for their faith, commitment, and continued financial contributions, those who have supported others through visitation, prayer, and giving, And especially to Prophetess Victoria for her unwavering dedication and leadership during her recovery period.

The Trustees give thanks to God for His grace and provision throughout the year 2023 - 2024, and for sustaining the ministry in love and unity.

Summary of the main achievements of the charity during the year

Prophetess Victoria had a car accident on 26 May 2023 and took time to recover. Church services were suspended and member informed.

Although meetings had been postponed, until further notice, communication and prayers took place via phone and social media applications. Members were also making contributions to the Church via online banking where possible.

The church members are looking for another venue, closer to the main headquarters, whilst online meetings and communications take place. We have financially supported families in England and other countries.

We have financially supported Families from different parts of the world and their extended families.

As a result of COVID 19, we continue to counsel and pray for people who lost their relatives, and those who are going through hard times after the lockdown. We are still helping individuals to recover from the effects of mental health as a result of Covid 19 and the unintended consequences of the lockdown.

We have spent the year reaching out, counselling, and praying with families through zoom meetings and on the telephone.

We have helped by providing food and money for transport to people in need.

Summary of the main achievements of the charity during the year

Our premises are far from ideal and much effort was spent seeking better accommodation. The relatively few regular members have many overseas relatives often living in poor circumstances; and CVPM provided a great deal of consultation and prayers for them thereby giving much relief to the members.

One of our members who had suffered mental problems for several years experienced a great improvement and she told her surprised doctors that this was due to CVPM counselling and prayers; she was taken off medication.

Improvements on the welfare of church members, one member was sick for a long time but after prayers she recovered and she is doing well and attending church.

Another member who had had challenges returning to University, was helped, supported and encouraged to return to University. She has also got a good job with the full support of the church.

We have other countries such as Canada. We have helped a family to settle down with their children after going through a lot of challenges including imprisonment.

We have financially supported Families from Jamaica and their extended families in Jamaica.

We have helped a gentleman who was in hospital for some time until his deportation was cancelled. We are still supporting him in his new accommodation.

During the COVID 19 time, we counselled and prayed for people who lost their relatives, and those who were going through hard times during the lockdown. We are still helping individuals to recover from the effects of mental health as a result of the lockdown.

We have spent the year visiting, counselling, and praying with families in different way including face to face, zoom meetings and on the telephone.

We have helped by providing food and money for transport to people in need.

We have also helped families to fund their immigration issues including making payments towards the application for the children visas.

Achievements and performance

Summary of the main achievements of the charity during the year

Our premises are far from ideal and much effort was spent seeking better accommodation. The relatively few regular members have many overseas relatives often living in poor circumstances; and CVPM provided a great deal of consultation and prayers for them thereby giving much relief to the members.

One of our members who had suffered mental problems for several years experienced a great improvement and she told her surprised doctors that this was due to CVPM counselling and prayers; she was taken off medication.

Improvements on the welfare of church members, one member was sick for a long time but after prayers she recovered and she is doing well and attending church.

Another member who had had challenges returning to University, was helped, supported and encouraged to return to University. She has also got a good job with the full support of the church.

We have other countries such as Canada. We have helped a family to settle down with their children after going through a lot of challenges including imprisonment.

We have financially supported Families from Jamaica and their extended families in Jamaica.

We have helped a gentleman who was in hospital for some time until his deportation was cancelled.

During the COVID 19 time, we counselled and prayed for people who lost their relatives, and those who were going through hard times during the lockdown.
