Summary of the main achievements of the charity during the year

Prophetess Victoria had a car accident on 26 May 2023 and took time to recover. Church services were suspended and member informed.

Although meetings had been postponed, until further notice, communication and prayers took place via phone and social media applications. Members were also making contributions to the Church via online banking where possible.

The church members are looking for another venue, closer to the main headquarters, whilst online meetings and communications take place. We have financially supported families in England and other countries.

We have financially supported Families from different parts of the world and their extended families.

As a result of COVID 19, we continue to counsel and pray for people who lost their relatives, and those who are going through hard times after the lockdown. We are still helping individuals to recover from the effects of mental health as a result of Covid 19 and the unintended consequences of the lockdown.

We have spent the year reaching out, counselling, and praying with families through zoom meetings and on the telephone.

We have helped by providing food and money for transport to people in need.
