I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31/03/2024**.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Trustees Report 2023-2024

HEY Kids Type One Diabetes Children and Family Support Group - Trustees Report

Objectives

This Charity has been set-up and run by Parents and Carers of Children with Type 1 Diabetes, to offer support, advice and friendship to families affected. All Trustees are volunteers who have a child with Type 1 Diabetes, who give their time freely. They benefit from the charity on the same basis as a non-Trustee member. We hold monthly support meetings for members and regularly ask if any of the members would like to be a Trustee to help run the group. The Trustees would also consider applications from non-members if they have a strong interest in supporting the charity or the condition (such as a medical professional) and can bring a new skill as a trustee. Of the Trustees, some Trustees have no specific job role and will volunteer to carry out duties, some Trustees have specific roles: Chair, Vice Chairs, Secretary, Treasurer and Safeguarding Officers

The Charity's objectives are to relieve the needs of children and young adults who suffer from type 1 diabetes living in Kingston upon Hull and East Riding of Yorkshire by:

- (a) providing support for children, young adults, parents, families, carers and friends of children with type 1 diabetes.
- (b) raising awareness and provide education about type 1 diabetes in the public eye.
- (c) assisting research into both a cure for and improving treatment of type 1 diabetes both financially and empirically.
- (d) providing support to and assist the medical profession.
- (e) working with other charities involved with type 1 diabetes.

Public Benefit:

The below achievements detail how we have carried out our charitable purposes for the public benefit. The Trustees have complied with their duty to have due regard to the commission's public benefit guidance where this is relevant and continued to provide events of similar nature to the previous period to ensure the services offered achieve its purposes.

Achievements:

With support from the hospital diabetes team we have asked families with a child with Type 1 Diabetes to become members of our group to meet with other families experiencing the same challenges of managing the condition. Membership is open to the families until their child is twenty five as many young adults require support from their families to manage their condition. Over fifty families are currently members. We are regularly gaining new, newly diagnosed families but continue to connect with families who have been diagnosed for some time. As children age and develop, the support they need changes regularly with different difficulties being encountered along the way both for the type one children and their families too. Our web- site is regularly updated to encourage more members to join and so that supporters of the charity can see details of recent activities.

Support meetings are currently held monthly. We alternate between holding the support meeting at David Lloyd Gym and running an organised activity with the families. The regular support meeting at the gym involves the children doing organised sports activities with the DL staff whilst the parents meet to support each other,

Grants received in advance, donations and any other surplus funds that may be available are invested in the charities Barclays bank account. We often receive Gifts from Paypal Giving. We received several kind donations throughout the year to which we are very grateful of.

Reserves:

The Trustees have established the level of reserves that the Charity should have in order to continue operating for another year is a minimum of £2000. This does not allow funding for any additional activity events, but would ensure the group could run support meetings, therefore it is desirable to have more funds held so that funded activity events can be organised for the following year.

Forward Planning for 2024-2025:

Future events planned for the coming year, chosen based on popularity of previous events and requests from members, additional events aimed to engage older children/young adults:

- Bubble Rush Run - fundraiser
- BBQ and Car Treasure Hunt
- Cinema Afternoon
- Go Karting and Mini Golf
- Christmas on the Farm with Reindeer
- Pottery Painting
- Clay Pigeon Shoot Fundraiser
- Easter Egg Hunt and Farm Visit

We always try and plan to get one of the diabetes nurses in at least once a year to visit the group to help maintain the relationship between the diabetes team and the support group.
