## **TRUSTEES REPORT (INCLUDING DIRECTOR'S REPORT)**

### **FOR THE PERIOD ENDED 30 JUNE 2024**

---

The Trustees present their annual report and financial statements for the period ended 30 June 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Trust's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

#### **Objectives and activities**

The charitable purposes of the company are the promotion of community participation in healthy recreation by the provision of facilities and opportunities for the playing of amateur sport, in particular, but not limited to rugby football union. The site in question is the former Avery/GEC Sports ground at 79 Sandon Road, Edgbaston, Birmingham, B17 8DT.

In furtherance of its charitable objectives, the charity is working with its partner, Bournville Rugby Football Club, who now run and operate the completed development.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the trust should undertake.

#### **Achievements and performance**

The facility opened in September 2018 and is run by Bournville Rugby Football Club under licence in tandem with its operating arm, Avery Fields Sports & Events Limited.

A five-year partnering agreement with University College Birmingham (UCB) using the site for three days a week during term time came to an end in June 2024 and has been extended for one year. The facility also continues to attract use by other rugby union clubs, American Football and soccer teams. In addition, Bournville Rugby Football Club continues to partner with Engage Community to provide coaching in schools, in the community and at Avery Fields.

The Trust's professional team submitted a revised application to Birmingham City Council's planning department to discharge the remaining planning condition which relates to drainage. A decision is expected in January 2025.

The following grants were secured, on behalf of the Trust, by the rugby club's provider (Community Group) of in-school coaching, sports camps and community sports provision. All grants were gifted to Bournville Rugby Football Club or Avery Fields Sports & Events Ltd, who commissioned Community Group to deliver the grant requirements.

- Barclays Football Foundation: £500
- Sport England: £8,375
- Wooden Spoon: £24,829
- Albert Gubay: £16,000
- National Lottery: £9,510

#### **Financial review**

The total income for the year was £176,446 made up of grants, donations and a payment by UCB. An interest free loan facility of £2.0M continues with a private company, whose owner is connected to the Trust. The loan currently stands at £1,868,720. A legally binding agreement to document this commitment will be entered into.

Gift aid claimed on donations received amounted to £255.

Costs for the year total £76,757. The majority of costs, being £59,990 for business support grants given to Avery Fields Sports & Events Limited.

### **TRUSTEES REPORT (INCLUDING DIRECTOR'S REPORT) (CONTINUED) FOR THE PERIOD ENDED 30 JUNE 2024**

---

The surplus at the year-end was £99,689 with total funds carried forward of £3,031,051. Restricted funds carried forward of £2,505,361 represent monies brought forward from Persimmon Homes that were expended on the development of Avery Fields and donations made in relation to charitable activities undertaken. The Trustees have elected to hold the site at Sandon Road at its fair market value and £2,492,945 is held within Restricted funds as a non-distributable fund.

Unrestricted funds of £525,689 represent donations received less costs incurred during the year.

During the previous year, the Trustees changed the Charity's accounting policy for the recognition of its tangible fixed assets. The site at Sandon Road was previously held as a tangible fixed asset under cost less accumulated depreciation. This treatment was reviewed and consequently the site at Sandon Road is now held at fair value as a programme related investment. The site has been subject to a valuation by a former Chartered Surveyor, who is a Trustee of the Charity and is held at a fair value of £4,828,097 within the financial statements.

The Trustees have assessed the major risks to which the trust is exposed and are satisfied that systems are in place to mitigate exposure to the major risks.

It is the policy of the Trust that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The Trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the Trust's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the period.

However at the time of approving the financial statements, the Trustees have assessed the trusts situation and the £1,886,307 creditor shown on the balance sheet. The large creditor has arisen due to part of the development being funded by a company controlled by one of the Trustees.

#### **Plans for future periods**

The scope is to add two additional changing rooms to the Clubhouse building at the ground floor at a later date. There is also potential to add a 200 seater-stand and changing room below along the side of the artificial pitch. This would clearly be subject to planning and securing grant funding and/or working with a strategic partner. The feasibility of adding floodlighting to one of the grass pitches is to be investigated.

#### **Structure, governance and management**

The company was formed on 7 December 2016 in England and Wales as a private company limited by guarantee. The memorandum and articles of association govern the company.

The Trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Mr A C Blacklaws  
Mr D G Clegg  
Mr T M Lang

The current Trustees comprise a retired Chartered Surveyor, and two practicing Solicitors.

None of the Trustees has any beneficial interest in the company. All of the Trustees are members of the company and guarantee to contribute £1 in the event of a winding up.

The Articles of Association require that there are at least three Trustees at all times, they must be aged 18 or over and must be a member. As at the year end, there were three members, being the Trustees.

The company is managed by its board of Trustees who meet regularly and deal with operational matters on a day-to-day basis. A formal Trustees' Meeting is held annually.

## **TRUSTEES REPORT (INCLUDING DIRECTOR'S REPORT) (CONTINUED)** **FOR THE PERIOD ENDED 30 JUNE 2024**

---

### **Custodian trustee**

The charity holds the freehold interest in the land following completion of agreed works.

### **Statement of Trustees responsibilities**

The Trustees, who are also the directors of Avery Fields Community Foundation (Formerly Avery Fields Community Sports Trust) for the purpose of company law, are responsible for preparing the Trustees Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Trust and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Trust will continue in operation.

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Trust and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **Public benefit statement**

The Trustees consider that the objectives of the charity meet the tests for public benefit and when exercising their powers and duties. The Trustees have complied with their duty to have due regard to the relevant guidance published by the Charity Commission.

### **Business risk policy**

A risk assessment policy is in place which is robust and recognises the need to protect the charity.

The Trustees have considered the various risks which might affect the business and have taken appropriate and reasonable steps to address those risks. Following completion of the main building contract and subsequent additional drainage works, full responsibility for the management of the clubhouse and pitches now rests solely with Bournville Rugby Club. Internal controls are in place to reduce the likelihood of loss through fraud or the misuse of funds and bookkeeping services are outsourced.

### **Reserves policy**

The level of reserves held within restricted funds relates to capital expenditure incurred on construction of the sports ground. The level of restricted funds is expected to reduce by future depreciation charged which has been determined based on the useful economic life of the assets. Following repayment of the outstanding loan, the intention is to build up an unrestricted reserve fund to cover the future development and improvement of facilities.

## **NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 30 JUNE 2024**

---

### **1 Accounting policies**

#### **Charity information**

Avery Fields Community Foundation is a private company, limited by guarantee, incorporated in England and Wales. The registered office is 79 Sandon Road, Edgbaston, Birmingham, B17 8DT. The company and charity number is given on the legal and administrative information page.

#### **1.1 Accounting convention**

The financial statements have been prepared in accordance with the Trust's governing document, the Companies Act 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The Trust is a Public Benefit Entity as defined by FRS 102.

The Trust has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the Trust. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified by the revaluation of programme related investments. The principal accounting policies adopted are set out below.

#### **1.2 Change in reporting period**

The financial statements cover an 18 month accounting period from 1 January 2023 to 30 June 2024. The reporting period was extended to align with other group companies. As a result, the reported figures for the current and comparative year may not be entirely comparable.

#### **1.3 Going concern**

At the time of approving the financial statements, the trustees have assessed the trusts situation and the have a reasonable expectation that the trust has adequate resources and working capital to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### **1.4 Charitable funds**

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

#### **1.5 Income**

Income is recognised when the Trust is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Trust has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business, net of discounts, VAT and other sales related taxes.

## **NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)**

**FOR THE PERIOD ENDED 30 JUNE 2024**

**(Continued)**

#### **1.6 Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the trust to that expenditure, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Charitable expenditure comprises those costs incurred by the trust in the delivery of its activities and services for its beneficiaries, it includes both costs that can be allocated directly to such activities and those costs of indirect nature necessary to support them.

#### **1.7 Intangible fixed assets other than goodwill**

Intangible assets acquired separately from a business are recognised at cost and are subsequently measured at cost less accumulated amortisation and accumulated impairment losses.

Amortisation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Software	20% straight line
----------	-------------------

#### **1.8 Tangible fixed assets**

Tangible fixed assets are initially measured at cost and subsequently measured at cost, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost of assets less their residual values over their useful lives on the following bases:

Computer equipment	33% straight line
--------------------	-------------------

The assets residual values, useful lives and depreciation methods are reviewed and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

#### **1.9 Programme related investments**

Programme related investments, which are tangible assets held to further the Charity's charitable purposes, were initially held a cost, which includes the purchase price and any directly attributable expenditure. Subsequently they are measured at fair value at the reporting date. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

There are no significant judgements (apart from those involving estimates) which have had an effect on the accounts recognised in the financial statements.
