Achievements and Performance

	SORP referenc e	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The direct beneficiaries of the shed are the shed members themselves and there have been a number of comments made which demonstrate the positive impact attendance at the shed has had on members. There have been number of benefits for the wider community by the activities of the Louth Men's Shed. Apart from the community projects stated above, the shed members have also helped repair items for local residents, reducing unnecessary waste. The "Hens Shed" has run its course and the ladies decided to call it a day for their Thursday ladies only. The good thing is that the shed now has several full club members who come when ever they choose.

The aim is to improve revenue for 2023/24 by an increased membership and maintain a good income from projects/repairs.
