COMMUNITY KEEPERS UK CIO
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 28 FEBRUARY 2022

The Trustees have pleasure in submitting the Report and Accounts for the year.

OBJECTIVES AND ACTIVITIES

Objectives

For the public benefit, the protection and promotion of mental health for at risk children and young people in South Africa in particular but not exclusively, the provision of psychological and social services for children and young people within schools, by the provision of grants.

Review of Activities

Individual therapy: To support learners and educators with psycho-social concerns by providing a therapeutic support service;

Groupwork therapy and development sessions: To enhance resilience and well-being in the whole school including learners, educators and parents/guardians.

Community Keepers UK CIO supported the work of Community Keepers South Africa. As a result of the support, Community Keepers could make the following impact:

- 35 (2021: 29) school-based offices were operational in 2022 reaching 31 593 learners in total

- 3 254 (2021: 5 894) learners benefitted from individual counselling services

- 49 170 (2021: 32 383) learners were enrolled in pro-active resilience based groupwork activities

- 2 093 (2021: 3 099) educators attended one or more of our 91 (2021: 118) educator support and development events throughout the year

- 33 943 (2021: 16 783) parents attending 186 (2021: 134) parenting events

FINANCIAL REVIEW

Due to COVID-19 lockdowns and travel restrictions, no fundraising events were held in 2022. The income for the year amounted to £325 (2021: £nil) and expenditure amounted to £nil (2021: £661). Net assets amounted to £10,510 (2020: £10,185) as at the end of the financial year.

Going concern

The assets of the charity exceeded its liabilities as at the end of the financial year. As a result it is the opinion of the Trustees that the charity has sufficient access to funds to enable the accounts to be prepared on a going concern basis.

Policy on Reserves

Due to the objective of the charity being one of acting as a conduit for funds to flow to its beneficiaries, and the fact that the charity is currently run by volunteers and operates on a lean cost structure, it currently has no need to keep substantial reserves, but rather to allow most of the funds to flow through to its beneficiaries. However, as the size of the charity increases and the need for staffing, offices or other overhead costs increases, reserves will be set aside to cover at least 6 months' operating expenditure.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The governing document is the Community Keepers UK CIO constitution adopted on 10 February 2017 which became recognized by the Charity Commission when the Charitable Incorporated Organisation was registered on 31 May 2017.

The policy and operating decisions of the charity rest with the Trustees who meet regularly to monitor the activities of the charity. Apart from the first charity trustees, every trustee must be appointed for a term of 3 years by a resolution passed at a properly convened meeting of the trustees.

In selecting individuals for appointment as charity trustees, the charity trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO.

In planning the activities the Trustees have had regard to the guidance issued by the Charity Commission on Public Benefit.

DECLARATION

The Trustees declare that they have approved the trustees' report and the annual accounts for the period ended 28 February 2022.

Approval

This report was approved by the Trustees on 24 November 2022 and signed by them:

1 Accounting Policies

The accounts have been prepared under the historic cost convention, in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014; and with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102).

Based on the adequacy of the charity's reserves as at the balance sheet date, along with their knowledge of the charity's ability to meet bills, payments and other liabilities as they fall due, the trustees have a reasonable expectation that the charity has sufficient resources to continue in operational existence for the foreseeable future. The accounts have consequently been prepared on the going concern basis.

a) Donated and grant income:

Donated income and grants receivable are taken into account when received by the charity. Income received in circumstances where a claim for repayment of tax has been or will be made to HM Revenue & Customs is grossed up for the tax recoverable. Any amount of tax reclaimed from HM Revenue & Customs but not yet received is shown within the charity's debtors.

b) Other income and expenditure:

Investment income is taken into account when receivable and expenditure, including irrecoverable VAT, when incurred by the charity, regardless of when payment is made. Grants payable are taken into account at the earlier of when they are paid or become constructive obligations.

c) Funds:

Unrestricted funds are donations and other income received or generated for the objects of the charity without specified purpose and are available for purposes as directed by the trustees. Restricted funds are amounts received where the donor has specified the purpose for which it should be used.

d) Taxation

The charity is a registered charity and is exempt from taxation under the Income & Corporation Taxes Acts.

e) Cashflow statement
