MAKI Annual General Meeting; 3rd Aug 2023

Chair's report

This was our 6th functional year since our school had been set up and the second year under the leadership of. Agnes Melkvi as school director.

This year gave a lot of challenges- one of these was the rising costs of school rent and declining membership due to our move to a different venue. We still managed to hold our fortnightly sessions on Sundays for children between 2 and 15. In total 50-75 participants took part in our regular activities.

Over the last academic year, we had 15 families as registered members at MAKI,.

As a tradition we had our summer camp and also had numerous cultural programmes, mainly aimed at children but some for adults also. Due our dwindling numbers it is unsure if we will be able to operate in the coming academic year.

MAKI éves közgyűlés

2021 Julius 23

Elnöki beszámoló

A MAKI suli negyedik éve is mozgalmasan telt, rendszeres alkalmainkkor és eseményeinken 100 körüli létszámban jöttünk össze. Mindannyian, önkéntesek lelkesen indultunk és nagy örömmel láttuk, hogy kialakult egy rendszeres tagságunk, és összetartó közösség alakult ki.

A tavalyi év folyamán összesen 36 család regisztrált az első és második félévben

Iden is megtartottuk nyári taborunkat és rengeteg programmal szórakoztattuk a kicsiket és nagyokat

Sok sikert és vidámságot kívánok a következő évre, új elnökünknek és a kedves tagságnak.

MAKI Annual General Meeting; 23th July 2021

Chair's report

The fourth functional year had been a busy one for the MAKI school, with about 100-150 participants taking part in our regular activities. By this current year, we have reached a stage when we have a core membership which formed a supportive network of friends and many of our members became enthusiastic, supportive volunteers.

Over the last academic year, we had 36 families as registered members at MAKI, in the first and second term, respectively.

As a tradition we had our summer camp and also had numerous cultural programmes, mainly aimed at children but some for adults also.

MAKI Annual General Meeting predictive report

5th Aug 2020

Financial Report

The 2019-20 academic year did not exactly work out as planned as we could not have any face to face activity since February. In spite of all these events, our charity closed the financial year with a positive balance. In view of events during the COVID19 crisis, we propose that memberships paid for the second half of this year will carry forward to the next academic year, in order to compensate those members who already paid their membership when we had to close our school.

This year we received again a grant by the Hungarian Bethlen Fund for the running of the school. With the help of this financial support, our school has a stable financial background.

Summary of our income and expenses in 2019/20:

Income		Expenditure	
Membership donations	£ 3920	School rent	£ 4700
Refreshments	£ 678	Teacher expenses	£ 1000
Other events (Santa, dressing up, raffle etc)	£ 710	Refreshment purchase	£ 510
