**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

We planned our annual church program to meet the Charity Commission's guidance on public benefit at our trustee meetings.

Activities in the period in question were curtailed because of the introduction of restrictions due to the pandemic. However we were able to do the following:

- Increased attendance to church meetings as most people encourage some form of fellowship due to the pandemic. Some persons we had not seen in a while were able to join our online meetings.
- We organised our annual youth program on initial career decision-making and conference on "Say NO to drugs and gangs. This was online via ZOOM and the attendance was encouraging.

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

We have four volunteers. Two of the volunteers are trustees and members of the church as well whilst the other 2 are members only. We value their contributions during the year in the area of Evangelism and conference organisation. We appreciate their time, energy and financial contributions toward church activities.

**Summary of the main achievements of the charity during the year**

From the inception of the church, our vision has always been to reach out to the community to influence the Youth and work in partnership with other churches and organisations that share the same ethos.

The church is forging better relationships with other churches and the community to through church outreaches and our popular annual Youth event.
