Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.

Para 1.20

We moved 90% of our programme on line this year to support our users from being socially isolated and reduce the risk of mental health issues.

Staff and volunteers have adapted to the new way of working with enthusiasm, their adaptability has meant the transition was smooth and accessible.

Our online sessions started at the beginning of the first lockdown, sessions run for an hour, we started at 20 but now have 38 different sessions running a week Monday to Saturday, they include exercise classes, baking, dance, drawing, meditation, story time, lyric writing, clothes design, mindfulness, signing song, drama, karaoke, film night, even a house party on a Saturday.

Staff and volunteers have dropped resources at times to enable everyone who wanted to, to be able to access all activities.

Family's members have also got involved to support in sessions that need, examples of this is in our weekly beauty sessions where they have made home-made face masks and body scrubs, craft activities and our Friday morning baking group. Getting the whole family involved has created fun learning opportunities for them too, many of our parents did not have the confidence to baked before, now they are supporting their child to lead the Making Lunch session sharing different cultural dishes.

Volunteers have continued to run the Community Fridge, it has been needed more than ever in these difficult times. Those who were unable to leave their home had treats as well as essential delivered to their door, this service is not needed as much as before but our delivery service is still in operation.

	<p>We still attended the stables to look after our pony which was an essential for her but also an opportunity for the few we were still out in the community to have an outlet and activity to engage in which gave a great sense of purpose to their day.</p> <p>As well as prizes for the winner of games being dropped to peoples doors each week, Santa and the Easter Bunny made socially distanced visits, these were great surprises keeping spirits high and bringing joy.</p> <p>In anticipation of our Summer Programme where we have high expectations will be able to go ahead, we have bought a people carrier for our days out, we want to be careful and use public transport as little as possible for the near future so this investment will enable us to still access venues our groups want to access.</p> <p>Our plans will include a lot more open spaces, we can even run many of our sessions that we do at the moment on zoom outside with our group face to face.</p> <p>We have been able to continue to offer opportunity for the young women to discuss common barriers and strategies to challenge and respond in a way that they are more likely to be heard, being on a screen has not stopped this important work continuing.</p> <p>Pre Covid - 19 we ran two social groups, one being male and one female, both offering a peer mentoring programme that encouraged social interactions with peers, activities often include bowling, cinema, sports in the park, swimming. All decisions where they go were peer led. We are hoping come July 19th these will resume restrictions dependant.</p>
