Achievements and performance

The charity has worked tirelessly this reporting period particularly in responding to the current pandemic that has affected everybody in the Globe. Prior to the emergent of the pandemic, the charity has provided developmental support to vulnerable people in the community such as:

(a) Leased Property at location accessible by the community

The charity has invested significantly to lease suitable property to ensure that the charitable activities are carried out in pursuance of the charity objectives. The property helps to enhance support to the vulnerable people in the community and use a place of worship, counselling those who are downcasted on various ways. The new location is: 501-505 Southend Lane, London SE26 5BL.

(b) Training development for ex-offender.

This programme aims to change behaviour of the individual and refocus on skills development in preparing individual to the world of work and giving back to the community. Through these programmes, we put in place nominated mentor to each person, focus on changing behaviour, life skills development agreement, preparing Curriculum Vitae for employment, preparing them for job interviews and mentoring to empower them to have confident in themselves and talk about their relevant skills. After completed the initial training, the mentor would carry out skills assessment, the outcome of this assessment triggers referral of the applicant to specific organisations who specialised on employment of ex-offenders such as Blue Sky, National Ready for Work Programme. We have able to work with 2 ex-offenders whose behaviour have been transformed and now in world of work.

(c) Youth Conference against gang culture and violent weapons:

This event engages with young people in the community working in partnership with local police to change young people mindsets from gang culture through word of God. For example, MFHPM has held several events in 2018/2019 in tackling gang culture among the youths in the community. This has made significant impact to the behaviour of the youth in the community working with local community liaison police to support the youth. The partnership also focusses on violent crimes and substance misused among the youth, teaching the youths about the word of God and of good citizenry in the community particularly in supporting the vulnerable who needs helping hands to live daily.

(d) Organising ad hoc training for the youths:

Encouraging the youth who dropped out from the mainstream education, we organise youth training and vocational skills development that could help them to gain employment in the community. We have supported 8 youths on how to write their curriculum vitae, preparing for job interviews, use of information technology such as computers, internet, social media, etc and encourage them to build their confidence.

(e) Food bank for those in need within the local community.

Despite significant financial impact on the charity following the global pandemic, the charity has provided a lifeline to many vulnerable people in the community through foods distribution to many vulnerable particularly elderly who are in the highest risks group of COVID-19.

MY FATHER'S HOUSE PROPHETIC MINISTRIES

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 March 2023

f) The charity also distributed personal protective equipment or devices (PPE) to many vulnerable people and their family in the community to ensure that they are protected from COVID-19 infection and avoiding spread of COVID-19 infection in the community. The charity does this to ensure that the most vulnerable in the community are not infected by COVID-19 despite that the government does not provide any support to the Charity to help those most in need at the grass root level.

Financial review

Through the code of Governance, the Board of Trustee has put in place a robust Financial Policy and procedures, ensuring that there is a clear transparency in all financial transactions ensuring that due process is followed on any expenditure of the Charity. The Financial Control Policy incorporates the following summary: " In compliance with the Code of Charity Governance, all Trustees of the Charity are volunteers and they are not receiving any financial benefits from the Charity. Instead, all trustees are donors both financially and otherwise to ensure that the Charity is able to survive particularly to mitigate on the impact of the current pandemic which they have been no income coming into the charity to carry out the charity objectives. And there has been no financial support from the Government

" The Charity Financial Policy appointed a Chartered Firm of Accountant to provide advisory service to the Board of Trustees ensuring that the accounts of the Charity are operated in compliance of relevant Charity Commission Regulations and Companies Act.

" The Charity Financial policy ensures that all financial transactions of the Charity are exercised through the Charity Bank Accounts. This is to ensure that there is a clear audit trail and transparency in the financial transactions of the Charity.

" The Financial Policy of the Charity sets out clearly the accounting methods in the preparation of financial statement incorporating restrictive fund and non-restrictive funds in the administration of management and dispensation of the Charity resources. The accounting methods ensure that financial statements are "true and fair" as key responsibility of the Board of Trustees. This is in line with the Charity Commission Financial Preparation of Reporting to comply with relevant Charity Financial Regulations. This can be examined on page of the Charity Balance Sheet and Profit and Loss Account with full Statement and Notes to the Accounts of the Reporting Period.

" The Financial Statement of period 2019/20 was approved by the Board of Trustees following Board of Trustees meeting on which was unanimously approved by the Board of Trustees.

Independent Examiner's Report to the Trustees of MY FATHER'S HOUSE PROPHETIC MINISTRIES

Year ended 31 March 2023

I report to the trustees on my examination of the financial statements of MY FATHER'S HOUSE PROPHETIC MINISTRIES ('the charity') for the year ended 31 March 2023.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

Year ended 31 March 2023

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is 501-505, SOUTHEND LANE, SYDENHAM, LONDON, SE26 5BL.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. Its financial statements are consolidated into the financial statements of (enter name of group financial statements) which can be obtained from (enter detail). As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102:

- (a) No cash flow statement has been presented for the company.
- (b) Disclosures in respect of financial instruments have not been presented.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

3. Accounting policies *(continued)*

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

MY FATHER'S HOUSE PROPHETIC MINISTRIES

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 March 2023

3. Accounting policies *(continued)*

Impairment of fixed assets *(continued)*

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.
