Annual Report and Financial Statement

June 2023 – May 2024

Report of the Trustees

The Trustees present their report and financial statements for the year ended 31 May 2024.

The financial statements comply with current statutory requirements, the Memorandum and articles of association and the Statement of Recommended Practice - Accounting and Reporting by Charities (Charities SORP FRS 102).

Structure, governance & management

The organisation is a Charitable Incorporated Organisation, registered as a charity on 14 June 2017.

The company was established under a charitable constitution which established the objects and powers of the charitable company and is governed under the constitution.

All Trustees give their time voluntarily and receive no benefits from the charity. Any expenses reclaimed from the charity are set out in the accounts.

The Trustees review the aims, objectives and activities of the charity each year. This report looks at what the charity has achieved and the outcomes of its work for the 12 months in the year ending 31 May 2024. The Trustees report the success of each key activity and the benefits the charity has brought to those groups of people that it is set up to help. The review also helps the Trustees ensure the charity's aims, objectives and activities remain focused on its stated purposes.

Objectives and activities

Streets4Christ aims to promote awareness and combat hunger, poverty, and suffering amongst the homeless and low waged community, by working with others to empower individuals and communities to effect change in the distribution of food and resources.

The relief of poverty of persons who are in conditions of need, hardship and distress, in particular but not exclusively by:

- 1) The provision of food, other nourishment, clothing and other items
- 2) The provision of information, advice and assistance to empower them to address their circumstances.
- 3) Working with other organisations and charities providing similar services and support.

The Trustees

2 of our most recently outgoing trustees, Merrecher Tulloch and Alita Currithers, who served faithfully since the organisation became a charity in 2017, have both given account of their time overseeing Streets4Christ.

Merrecher Tulloch - *Looking back over the 10 years I've been involved with Street4Christ, it's*

evolved so much. I remember back to the days of driving into Nottm City Centre picking up a carload of clients, ferrying them to the Boys club, feeding them and then ferrying them back to town; not the greatest or safest way of doing outreach work but it worked at the time, and it was what people needed and no one else was offering this kind of needed assistance. It's taken time, faith & a persistent vision to get the project to its current location with the weekly donations of food, clothing and a team of regular volunteers, instead of a handful of people providing all the

refreshments, cooking, serving and providing the funds to rent the building. When the three of us sat down to apply to be a charity we can honestly say we had no idea what we were doing – But God! It's always a blessing that people who have used the service can disappear for a while, then they will reappear knowing Streets4Christ is a stable project providing the essentials they need, or they will turn up with someone they have encountered who is also in need. I feel so privileged that I've been able to donate my time to such a worthwhile cause.

Alita Currithers - *When I first got involve with Streets4Christ I was a volunteer, helping with the preparing & serving of food and packing away after each session. Then as time went on, I became more involve with donating my time and funds to the preparation and cooking of meals and continue to help with the service of food on a weekly basic and distributions of clothing. Since becoming a trustee we have a worked to have a network of people to volunteer their services and now have regular donations coming*

in, to

enable to provide a better service. I feel it's a blessing that I have been able to have a positive impact on people's lives through this project.

Supporters/Volunteers

Streets4Christ have continued to work in partnership with other local organisations, charities, churches and businesses and we are forever grateful to the dedicated team of volunteers who turn up every week, even on bank holidays to help someone's day that little bit brighter. This year we are particularly grateful for the grant funding which we have received from Boots Charitable Trust which has enabled us to extend and expand our services.

Future Plans and Changes

We are always on the lookout for funding and ways in which we can generate income to further the work of Streets 4 Christ. We are committed to working with others and also strive to help others by providing the best service we can. We hope one day to have our own premises to enhance the service provision further.
