

Annual report – Inspiring Aspirations

2022/2023

Inspiring Aspirations has run one project funded by Big Lottery, (BBO Project).

All income has come from this project.

There have been no change in Directors for this period

There have been no change in Trustees for this period

During the year we have had a major focus on supporting people into work training and employment. We have had great success with this winning an award for the most men into employment / Training for the project.

The project finishes on 31.03.2023 and we are looking for funding for the following year to continue on this work.
