

Annual report – Inspiring Aspirations

2022/2023

Inspiring Aspirations has run one project funded by Big Lottery, (BBO Project).

All income has come from this project up until 31 March 2023 where the funding ceased. Since then we have had charitable donations and have expanded the services we offer to include providing accommodation for those in need.

There have been no change in Directors for this period

There have been no change in Trustees for this period

The focus has been diversifying to allow for continued support of people who experience disability or disadvantage. This is the continues focussed of supporting people to be as independent as possible through work and living independently in their own home.
