CHARITY OBJECTIVE

The purpose of the charity is given below.

“The objects of the CIO are to protect, preserve and improve for the benefit of the residents and general public the area and surrounds of Ringstead and its Bay, to provide for enjoyment of it, to encourage appreciation of the tranquillity of the area and to care for its undeveloped character and for these purposes, but not otherwise, the CIO shall: -

1. inform and educate public opinion in order to ensure the promotion of the aforesaid objects;

3. take such other lawful action as shall be calculated to promote the aforesaid objects, and to consult and/or co-operate with any bodies or individuals concerned in the advancement of the objects of the CIO.”

CHARITY PROCESS

The Trustees consider that the majority of its objects are best achieved through gentle persuasion, discourse and influence on local councillors, landowners, residents and visitors.

CHARITY ACTIVITIES IN THE PERIOD FROM 1 JULY 2024 TO 30 JUNE 2025

The charity came into existence on 15 June 2017 when the Charity Commission registered the society with number 1173438. This report is for the society’s sixth year.

1. In terms of subscriptions, membership has decreased to 90 active subscriptions (last year 96 active subscriptions).
2. The CIO has defined family membership as 2 adults and 2 children aged between 16 and 25. Counting all the names we had 152 members during the year (last year 164 names).
3. There were 8 “child members” as at 30/06/2025 (the end of the year) 3 of whom have been invited to become a full member as they were aged 25+ as of 01/07/25.

The Trustees have carried out the following activities that contribute to the Society’s objects:

1. Discussions within the General Committee about planning applications and related contact with Dorset Council. Planning applications considered by the General Committee included:
 - New pop-up campsite operating under permitted development: The General Committee resolved to oppose this and an objection was submitted on behalf

of the RPS. This application was granted by Dorset Council on resubmission and has been operating during 2025.

- Orchard – Planning application for shepherd’s huts and ancillary building: The General Committee resolved to oppose this application and an objection was submitted on behalf of the RPS. This planning application has been granted by Dorset Council.
 - Refurbishment and change of use of dairy barn to Sui Generis Class use: The General Committee resolved to neither support or object to this application, but to request some constraints on noise etc. A comment was submitted on behalf of the RPS. A decision by Dorset Council on this application is pending.
2. Liaison with Osmington Parish Council and Osmington Mills Protection Group to offer mutual support.
 3. Your Executive Committee have met on ‘Teams’ and had many ‘phone calls and emails to discuss various matters.
 4. The society’s website - www.ringsteadprotectionsociety.org.uk is where you will find Minutes of our Annual General Meetings and lots of other useful information – please have a look and recommend improvements if necessary.

FINANCIAL REVIEW

The main source of income that the charity receives is subscription contributions from its members. Membership is £5 per family or individual per year. Contributions were received during the year totalling £445 this year. Secondary sources of income are: -

- Gift Aid reclaim £113
- Bank account savings interest £502.

The society has no assets other than cash and the Society’s policy is to hold that cash with reputable institutions. As of the end of this year the cash is invested in a savings account, with the Redwood Bank (“Redwood”) and a current account with Lloyds. The Redwood account is a 95 day notice account. Funds can be recovered from the Redwood account with no notice but an interest penalty would then be applied.

As of the financial year end of 30 June 2025 the Society has funds of £14,733 of which £13,818 was held in the savings account, £551 in the current account, £93 due from HMRC as gift aid reclaim for the 24-25 year membership fees and £271 as accrued interest in the Redwood account (the actual interest is credited annually on 16 December).

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Society is a Charitable Incorporated Organisation (“CIO”) governed by its rules and registered with the Charity Commission. The Society’s rules include the Society’s objects given above. The Society is known as the Ringstead Protection Society and uses no other name.

The Society has 6 Trustees and 3 officers being the Chairman, Secretary and Treasurer. The make-up is as follows:

Trustee and Chairman	Nigel Williams
Trustee and Secretary	Lucy Kirkpatrick
Trustee and Treasurer	Tim Pratelli
Trustee	Vicky Banham

The principal office of the Society is: Sea Barn Farm, Holworth, Dorset DT2 8NJ.

The operation of the Society's Lloyds Bank account requires 2 signatures for all transactions whether made by paper cheque or by electronic activity using the Lloyds online banking system. The operation of the Redwood Bank account is on line or by letter. In addition, the Redwood account is set up in such a way that all repayments of the savings (and any payments into the account) must be to(/from) the Society's nominated account, which is with Lloyds and that requires 2 signatories for all transactions. The bank signatories are Nigel Williams, Chairman; Lucy Kirkpatrick, Trustee and Secretary; and Tim Pratelli, Trustee and Treasurer.

OTHER MATTERS

The Trustees confirm that: -

1. The financial statements have been independently examined by Rupert Edwards FCA. Rupert has certified that the accounts are in accordance with the notes and records of the society.

Independent Examiner's Report to the Trustees of Ringstead Protection Society

I report to the charity trustees on my examination of the accounts of the charity for the year ended 30 June 2025 which are set out on sections A to C

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: - the charity becomes entitled to the resources; - it is more likely than not that the trustees will receive the resources; and - the monetary value can be measured with sufficient reliability.	<table> <tr> <th>Yes</th><th>No</th><th>N/a</th></tr> <tr> <td>☒</td><td>☐</td><td>☐</td></tr> </table>	Yes	No	N/a	☒	☐	☐

Legacies	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP). Legacies are included in the SoFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	<table> <tr> <th>Yes</th><th>No</th><th>N/a</th></tr> <tr> <td>☒</td><td>☐</td><td>☐</td></tr> </table>	Yes	No	N/a	☒	☐	☐

Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so. The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution. Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'. Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable. Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.	<table> <tr> <th>Yes</th><th>No</th><th>N/a</th></tr> <tr> <td>☒</td><td>☐</td><td>☐</td></tr> </table>	Yes	No	N/a	☒	☐	☐

are recognised as income earned from the provision of goods and services as income from charitable activities.

Settlement of insurance claims

Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.

Investment gains and losses

This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

2.3 EXPENDITURE AND LIABILITIES

Liability recognition

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

Governance and support costs

Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Grants with performance conditions

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

Grants payable without performance conditions

Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.

Redundancy cost

The charity made no redundancy payments during the reporting period.

Deferred income

No material item of deferred income has been included in the accounts.

Creditors

The charity has creditors which are measured at settlement amounts less any trade discounts

Provisions for liabilities

A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date

Basic financial instruments

The charity accounts for basic financial instruments on initial recognition as per paragraph 11.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.

2.4 ASSETS

Tangible fixed assets for use by charity

These are capitalised if they can be used for more than one year, and cost at least

£500

They are valued at cost.

The depreciation rates and methods used are disclosed in note 9.2.

Intangible fixed assets

The charity has intangible fixed assets, that is, non-monetary assets that do not have physical substance but are identifiable and are controlled by the charity through custody or legal rights. The amortisation rates and methods used are disclosed in note 9.5

They are valued at cost.

Heritage assets

The charity has heritage assets, that is, non-monetary assets with historic, artistic, scientific, technological, geophysical or environmental qualities that are held and maintained principally for their contribution to knowledge and culture. The depreciation rates and methods used as disclosed in note 9.6.1.4.

They are valued at cost.

Investments

Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.

Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments

Stocks and work in progress

Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.

Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.

Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.
