Recruitment/Appointment of Trustees

Risk Review

The full extent of the Covid-19 outbreak is still being felt by the charity, especially in terms of its main income generator – the shop in Hyde.

The trustees are confident they have overcome the worst of the fall-out but are wary of the potential loss of income resulted from rising prices and inflation in the coming months ahead.

With this in mind we will continue to be cautious in our financial outlook and predictions in meeting our core aims.

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2022**

ACHIEVEMENTS AND PERFORMANCE

The Hyde shop fully reopened this financial year after the Covid-19 outbreak started to subside, with customers returning and sales coming back to near pre pandemic levels. This enabled the charity to finish the year with an extra £12,171 in our general fund.

The trustees would like to thank the shop staff for all their efforts in keeping positive, motivated and driving the shops increased profitability over the last financial year.

We understand the high street is far from returning to normal levels of footfall, especially with the impending cost of living crisis that will be played out in the forth-coming financial year. But adversity sometimes provides opportunity and by selling good quality donated items to the local community at competitive prices, we are hopeful not only to improve our sales but also provide much needed support in the local area for people with stretched finances.

The trustees have decided that after a few years of restricting financial donations to support our aims due to the Covid-19 outbreak, we will be looking to engage once again in reviewing potential recipients in the coming months.

FINANCIAL REVIEW

The accounts for the period have been prepared in accordance with the Statement of Recommended Practice – Accounting and Reporting by Charities and comply with all statutory requirements and the charity's governing document.

The net profit for the year was £12,171.

Reserves Policy

Generally any surplus available will be reinvested in the charity's objectives. However the charity aims to keep a contingency reserve of £15,000 to cover three months full operating costs of its Hyde charity shops, after which any surplus will then be paid over to the charity.

TRUSTEES

The following trustees have held office since 1st April 2021:

Jonathan Varley
Jennifer Roberts
Andrew Garlick

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2022**

TRUSTEES RESPONSIBILITIES

The Trustees are responsible for the keeping of accounting records and the preparation of financial statements which give a true and fair view of the state of affairs of the charity as at the end of the financial year end of the surplus or deficit of the charity for that period. The Charities Act 2011 requires the Charity to ensure that the accounting records disclose with reasonable accuracy the financial position of the Charity. In doing so the Trustees are required to select appropriate accounting policies and apply them consistently, making judgements and estimates that are reasonable and prudent and to prepare the financial statements on a going concern basis unless it is inappropriate to presume that the Charitable Incorporated Organisation will continue in business.

The Trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

On behalf of the Trustees.

**INDEPENDENT EXAMINERS REPORT TO THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2022**

Report to the trustees of Crohn's And Colitis Concern UK (Charity no. 1173451) on the accounts for the year ended 31st March 2022, which are set out on pages 6 to 12.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The trustees consider that an audit is not required this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is our responsibility to:

- Examine the accounts under section 145 of the Charities Act;
- To follow the procedures laid down in the general directions given by the Charity Commission (under section 145 (5) (b) of the Charities Act); and
- To state whether particular matters have come to our attention.

Basis of Independent Examiner's Statement

Our examination was carried out in accordance with the general direction given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a true and fair view and the report is limited to those matters set out in the statement below.

Independent Examiner's statement

In connection with our examination, no matter has come to our attention:

- (1) Which gives us reasonable cause to believe that in any material respect the requirements:-
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
- (2) To which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
