### 1.1 Trustees

Owen Campbell    Daniele Procida  
Kristian Glass    Rebecca Smith

## 2 Objectives and Activities

The objectives of the UKPA are:

1. To advance education for the public benefit in the use and understanding of the Python programming language within the UK by:
  - (a) Organising, presenting and promoting Python related conferences, meetings and events at venues within the UK,
  - (b) Supporting and promoting Python related projects and events organised by UKPA members, and,
  - (c) Supporting UKPA members wishing to attend Python related conferences, meetings and events.
2. To advance education for the public benefit in the use and understanding of the Python programming language worldwide by supporting and promoting overseas Python related conferences, meetings and events.

The primary activity of the UKPA is to organise and run the annual PyCon UK conference.

## 3 Structure, Governance and Management

### 3.1 Governing Document

The UKPA's governing document is its constitution, the current version of which is available at <https://github.com/PyconUK/ukpa-constitution/releases/latest>.

### 3.2 UKPA Members

The UKPA membership is the electoral body to which the trustees are accountable. There are two classes of membership:

## Trustees Annual Report 01 Apr 2024 – 31 Mar 2025

1. Members: have the full rights and obligations described in the UKPA constitution, including the right to vote on members decisions.
2. Associate Members: non-voting class of membership as described in the UKPA constitution.

### 3.3 Risk and Internal Control

The trustees have identified the major risks to which they believe the UKPA is exposed. These are:

#### 3.3.1 Reduction or Loss of Members

If there were a reduction in membership of the UKPA then there would have to be a contraction, consolidation or closure of its activities.

#### 3.3.2 Reduction or Loss of Volunteers

The UKPA is totally reliant upon volunteers to run and administer the activities of the UKPA. If there were a reduction in the number of volunteers to an unacceptable level, then there would have to be a contraction, consolidation or closure of activities.

## 4 Achievements and Performance

Due to unforeseen circumstances concerning the venue, PyCon UK did not take place as planned in 2024.

The UKPA provided a grant in support of the Python in Education Day which took place in Oxford on October 14th, 2024.

## 5 Financial Review

### 5.1 Reserves Policy

The UKPA has undertaken a review of its potential liabilities in the face of foreseeable risks and determined that a reasonable sum to hold in reserve is that required to cover a year's operational expenditure plus some contingency for unforeseen costs: £5,000.

At the end of March 2025, the UKPA held reserves of £6,639.68.

All funds raised from PyCon UK conferences prior to 2023 are currently held by PyCon UK Society Ltd (PUKSL).

Funds from the 2023 PyCon UK conference are held by the wholly owned subsidiary trading company, UKPA Trading Ltd (UKPATL). The intention is that funds held by PUKSL will be transferred to UKPATL and PUKSL will be closed.

## **5.2 Investment Policy**

The UKPA has adopted a low risk strategy and all funds are held in cash using only mainstream banks or building societies.

## **6 Declaration**

The trustees declare that they have approved the trustees report above.

## **3 Structure, Governance and Management**

### **3.1 Governing Document**

The UKPA's governing document is its constitution, the current version of which is available at <https://github.com/PyconUK/ukpa-constitution/releases/latest>.

### **3.2 UKPA Members**

The UKPA membership is the electoral body to which the trustees are accountable. There are two classes of membership:

## Trustees Annual Report 01 Apr 2021 – 31 Mar 2022

1. Members: have the full rights and obligations described in the UKPA constitution, including the right to vote on members decisions.
2. Associate Members: non-voting class of membership as described in the UKPA constitution.

### 3.3 Trustee Appointment

At the AGM in 2021, Tania Allard and Cecilia Liao retired as a trustees in accordance with section 13.1.1 of the UKPA's constitution. Tania Allard was elected as a trustee for a further term in accordance with section 13.1.4 of the UKPA's constitution.

### 3.4 Risk and Internal Control

The trustees have identified the major risks to which they believe the UKPA is exposed. These are:

#### 3.4.1 Reduction or Loss of Members

If there were a reduction in membership of the UKPA then there would have to be a contraction, consolidation or closure of its activities.

#### 3.4.2 Injury to Members, Conference Attendees or Trustees

The UKPA requires insurance to cover this potential risk and the trustees intend to put that insurance in place once the UKPA has sufficient funds to cover the cost of the premium.

#### 3.4.3 Reduction or Loss of Volunteers

The UKPA is totally reliant upon volunteers to run and administer the activities of the UKPA. If there were a reduction in the number of volunteers to an unacceptable level, then there would have to be a contraction, consolidation or closure of activities.

## 4 Achievements and Performance

As a result of the ongoing COVID-19 pandemic, the trustees decided to cancel the 2021 PyCon UK event and there was no other significant activity during the course of the year.

## 5 Financial Review

### 5.1 Reserves Policy

The UKPA has undertaken a review of its potential liabilities in the face of foreseeable risks and determined that a reasonable sum to hold in reserve is that required to cover

## Trustees Annual Report 01 Apr 2021 – 31 Mar 2022

a year's operational expenditure plus some contingency for unforeseen costs: £10K

At the end of March 2022, the UKPA held reserves of £3,771.

All funds raised from previous PyCon UK conferences are currently held by PyCon UK Society Ltd (PUKSL). The intention is that these funds will be transferred to the new subsidiary trading company and PUKSL will be closed.

### 5.2 Investment Policy

The UKPA has adopted a low risk strategy and all funds are held in cash using only mainstream banks or building societies.

### 2 Objectives and Activities

The objectives of the UKPA are:

1. To advance education for the public benefit in the use and understanding of the Python programming language within the UK by:
  - (a) Organising, presenting and promoting Python related conferences, meetings and events at venues within the UK,
  - (b) Supporting and promoting Python related projects and events organised by UKPA members, and,
  - (c) Supporting UKPA members wishing to attend Python related conferences, meetings and events.
2. To advance education for the public benefit in the use and understanding of the Python programming language worldwide by supporting and promoting overseas Python related conferences, meetings and events.

The primary activity of the UKPA is to organise and run the annual PyCon UK conference.
