Trustees' responsibilities in relation to the accounts

The Charities Act 2011 requires the trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that year.

In preparing these accounts, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the accounts comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

SALTDEAN LIDO TRUST

REPORT OF THE INDEPENDENT EXAMINER

FOR THE YEAR ENDED 31 DECEMBER 2022

I report to the trustees on my examination of the accounts of the Saltdean Lido Trust (the Trust) for the year ended 31 December 2022.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (1) accounting records were not kept in accordance with section 130 of the Charities Act; or
- (2) the accounts do not accord with those records; or
- (3) the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

SALTDEAN LIDO TRUST

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31 DECEMBER 2022

1 ACCOUNTING POLICIES

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of financial statements are as follows:

1.1 Basis of accounting

The accounts have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) – (Charities SORP (FRS 102)) and the Charities Act 2011.

Saltdean Lido Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest pound.

The trustees have not prepared consolidated accounts on the basis that group income is below £1,000,000.

1.2 Preparation of the accounts on a going concern basis

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. This includes taking into account any potential impact of the COVID-19 pandemic.

There are no material uncertainties about the charity's ability to continue as a going concern and as such, the going concern basis has been adopted for the preparation of these financial statements.

1.3 Income

Grants and donations are credited to the SoFA when the charity becomes entitled to the income, the income can be measured reliably and it becomes possible that the income will be received. Whereby a grant is subject to donor imposed conditions, (i.e. they are performance related or the donor specifies the time period in which the funds must be spent), the income is recognised in line with such donor imposed conditions.

1.4 Expenditure

Expenditure is accounted for on an accruals basis with the irrecoverable element of VAT included with the item of expense to which it relates.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries.

Governance costs (included within support costs) include those costs associated with meeting the constitutional and statutory requirements of the charity and include examination fees and costs linked to the strategic management of the charity. These are included within support costs.

All costs are allocated between expenditure categories of the SOFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned based on estimated usage as a proportion of directly attributable expenditure.

1.5 Cash Flow Statement

In accordance with Section 7 of FRS 102 the charity is claiming exemption from the requirement to prepare a cash flow statement on account of its size.

1.6 Taxation

As a charity, Saltdean Lido Trust is exempt from tax on income and gains to the extent that these are applied to its charitable objects.

SALTDEAN LIDO TRUST
NOTES TO THE ACCOUNTS (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2022

ACCOUNTING POLICIES (continued)

1.7 Fund accounting

Funds held by the charity are either:

Unrestricted general funds - these are funds which can be used in accordance with the charitable objects at the discretion of the trustees and which have not been designated for other purposes.

Restricted funds - these are funds which are to be used in accordance with specific restrictions imposed by donors which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the accounts.

Designated funds - these are funds set aside by the trustees out of unrestricted general funds for specific future purposes or projects.

1.8 Cash at bank and in hand

Cash at bank and in hand includes bank accounts, cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposits or similar account.

1.9 Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.

1.10 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised.

The trustees do not consider that there are any critical estimates or areas of judgement that need to be brought to the attention of the readers of the financial statements.

- 2) To advance the education of the public in the history and heritage of Saltdean, the Saltdean lido and the grade ii* listed building connected to the lido in particular by preserving and maintaining the building and providing educational visits, talks and lectures on the history and heritage of the Saltdean lido and the town of Saltdean.

Activities

During 2022 the Charity received donations and grant income to support its aims. The Charity's subsidiary (Saltdean Lido CIC) commenced major restoration works on the main Saltdean Lido building and these were ongoing as at the date of approval of this report. The Trustees consider that the Charity is now well placed, in conjunction with Saltdean Lido CIC, to complete the project to restore the building.

Public Benefit

In accordance with our duties as stated in section 17(5) of the 2011 Charities Act, we have considered the guidance provided by the Charity Commission in regard to public benefit. This public benefit has been demonstrated by the activities undertaken since the inception of the charity outlined in the 'Activities' section above.

Trustees' responsibilities in relation to the accounts

The Charities Act 2011 requires the trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that year.

In preparing these accounts, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the accounts comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

REPORT OF THE INDEPENDENT EXAMINER

FOR THE YEAR ENDED 31 DECEMBER 2022

I report to the trustees on my examination of the accounts of the Saltdean Lido Trust (the Trust) for the year ended 31 December 2022.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (1) accounting records were not kept in accordance with section 130 of the Charities Act; or
- (2) the accounts do not accord with those records; or
- (3) the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

SALTDEAN LIDO TRUST

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31 DECEMBER 2022

1 ACCOUNTING POLICIES

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of financial statements are as follows:

1.1 Basis of accounting

The accounts have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) – (Charities SORP (FRS 102)) and the Charities Act 2011.

Saltdean Lido Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest pound.

The trustees have not prepared consolidated accounts on the basis that group income is below £1,000,000.

1.2 Preparation of the accounts on a going concern basis

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. This includes taking into account any potential impact of the COVID-19 pandemic.

There are no material uncertainties about the charity's ability to continue as a going concern and as such, the going concern basis has been adopted for the preparation of these financial statements.

1.3 Income

Grants and donations are credited to the SoFA when the charity becomes entitled to the income, the income can be measured reliably and it becomes possible that the income will be received. Whereby a grant is subject to donor imposed conditions, (i.e. they are performance related or the donor specifies the time period in which the funds must be spent), the income is recognised in line with such donor imposed conditions.

1.4 Expenditure

Expenditure is accounted for on an accruals basis with the irrecoverable element of VAT included with the item of expense to which it relates.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries.

Governance costs (included within support costs) include those costs associated with meeting the constitutional and statutory requirements of the charity and include examination fees and costs linked to the strategic management of the charity. These are included within support costs.

All costs are allocated between expenditure categories of the SOFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned based on estimated usage as a proportion of directly attributable expenditure.

1.5 Cash Flow Statement

In accordance with Section 7 of FRS 102 the charity is claiming exemption from the requirement to prepare a cash flow statement on account of its size.

1.6 Taxation

As a charity, Saltdean Lido Trust is exempt from tax on income and gains to the extent that these are applied to its charitable objects.

ACCOUNTING POLICIES (continued)

1.7 Fund accounting

Funds held by the charity are either:

Unrestricted general funds - these are funds which can be used in accordance with the charitable objects at the discretion of the trustees and which have not been designated for other purposes.

Restricted funds - these are funds which are to be used in accordance with specific restrictions imposed by donors which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the accounts.

Designated funds - these are funds set aside by the trustees out of unrestricted general funds for specific future purposes or projects.

1.8 Cash at bank and in hand

Cash at bank and in hand includes bank accounts, cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposits or similar account.

1.9 Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.

1.10 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised.

The trustees do not consider that there are any critical estimates or areas of judgement that need to be brought to the attention of the readers of the financial statements.
