- trustees' consideration of major risks and the system and procedures to manage them.

All new trustees will receive copies of the constitution as well as any relevant guidance from the Charity Commission. In addition, new trustees will receive copies of all policies and procedures and are encouraged to review them at least annually in line with the charity's policy.

## Section C      Objectives and activities

**Summary of the objects of the charity set out in its governing document**

To provide financial assistance to individuals who are suffering from cancer in London and the surrounding areas in order to promote and protect their physical and mental health.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

Trustees have had regard to the public benefit guides when making decisions that they are relevant to.

The charity spent the year fundraising and operating the charity's grant giving scheme.

The following statement summarises the way in which the charity will contribute to the public good.

"Kay's Endeavours (Registered Charity Number 1173531) acts as a support fund for cancer patients. It will offer grants to adults who have a cancer diagnosis and are being treated at St Bartholomew's Hospital.

Many cancer patients are unable to work temporarily or permanently because of their illness and / or the side effects of the treatments and medication that they receive. Members of their family may also have reduced earnings if they need to stop work or work less in order to care for the patient. They and their families may have many and complex needs in terms of trying to maintain their physical and mental wellbeing whilst dealing with the illness. The charity's aim is to provide funding for measures which will improve the quality of life of the patient and / or their family and to address any gaps in the support which is already available. This could include funding for equipment, medical aids, travel expenses or social / recreational activities."

33 applications were received during the year for variety of support including:

- travel costs for attending hospital for treatment;
- financial support for living expenses;
- clothing and other personal items (e.g. wigs);
- household items to help with issues connected to health;
- food and utility bills; and
- breaks to recover from treatment.

Below are some of the responses from the recipients of the grants:

"Thank you for your time and help! It means a lot to me in this difficult time!"

"Thank you so much for this support, I can't tell you how important this will be for me and my family!"

"Thank you so much for your quick and positive response, I deeply appreciate it."

"Thank you so much for your email and acknowledgement that you will be able to reimburse my travel expenses for my daily cancer treatment at Barts Hospital. This has relieved a huge amount of stress from my life during this difficult time and I thank you from the bottom of my heart."

"Thank you so much for your reply, we are very grateful for all your help. ....Thank you very much once again, it is of great help, especially for alleviating travel costs."

"Thank you so much....this has now been deposited in my bank. I cannot explain how much financial pressure this has relieved from me whilst having my cancer treatment at Barts. I cannot thank you and the charity enough."

"Thank you very much. My mother sends her utmost thanks and gratitude to Kay's Grant."

#### **Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:
