GORING FREE CHURCH

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2022

1 Accounting policies

1.1 Basis of preparation

The financial statements have been prepared on a going concern basis and in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) – (Charities SORP (FRS 102)) and the Charities Act 2011 and applicable regulations. The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note to these accounts.

Unrestricted funds are the general funds of the Church that are not subject to any restrictions regarding their use and are available for application on the general purposes of the Church. Funds designated for a particular purpose by the Managing Trustees are also unrestricted.

The accounts include all transactions, assets and liabilities for which the Church is responsible in law. They do not include the accounts of other groups that owe their main affiliation to another body or those that are informal gatherings of church members.

1.2 Income

All income is included in the Statement of Financial Activities when the charity is legally entitled to the income, when the amount can be quantified with reasonable accuracy and receipt is probable.

Legacies are recognised in the accounts when the money is receivable.

Income from donations and gifts arose from giving by church members and where applicable gift aid relief is recognised on an accruals basis at the same point as the original donation.

1 Accounting policies (Continued)

1.3 Expenditure

Expenditure is recognised on an accruals basis as and when a legal or constructive obligation arises. The Church's objects are the advancement of the Christian faith and other such charitable purposes. All grants and any expenditure are made in line with these objects and are charged to the Statement of Financial Activities in the year they are approved.

1.4 Cash at bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.5 Tangible fixed assets and depreciation

Tangible fixed assets other than freehold land are stated at cost less depreciation. Expenditure on assets costing less than £1,000 is written off in the year of purchase. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Fixtures, fittings & equipment	25% straight line basis
--------------------------------	-------------------------

1.6 Liabilities

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.
