Safeguarding Report update:

~This has been raised during the CK team leaders' meeting. CK Trustees will update.

Concerns include:

- Lack of a queuing system.
- Volunteers need to know what to do in an emergency when service users are fighting or attempting to fight. Outcome: Following the discussion at CK's leaders' meeting, it was decided that one of CK's trustees will serve as a Peacekeeper. (This works because the Peacekeeper or CK's representative is an experienced volunteer, and situations are addressed immediately, with no further concern)

Another update: January 2025

B (T) spoke with one of the CEOs of a charity organisation in Hackney to learn how to prepare a bid.

- B (T) to speak to CK about storage.
- B (T) was given the telephone number of a lady to contact in Hackney regarding collaborating.

Feedback from one of the new volunteers: B (V) from Dec outreach:

"A very tough night in the cold today, and people were a lot more restless than last time" *Thankfully, more people came than last time to accommodate that. But overall, that commotion was dealt with, and another successful night followed*".

Appreciation: Thank you to everyone who has supported us in every area. We appreciate them all.

- Packs given out no swings from 35-44,

Significant Events:

- Fewer volunteers since Covid-19 ranging from two volunteers to four volunteers. This is adequate due to the new methods of prepacked foods/drinks/snacks. When there are limited no of 2 Elshaddai volunteers, Christian Kitchen volunteers are also present to assist us. In addition, CK provides volunteer's driver for the evening to transfers the food, soups, drinks etc.

Christmas Outreach:

- One of the volunteer's friends and families donated some prepacked gifts (see picture).

General

- A packed cooked meals are prepared for the Walthamstow Outreach – this reduces need for more volunteers and easier distributions.
- Toiletries and socks are distributed on each outreach, which is on last Saturday of the month.
- As mentioned before, we have not been able to resume outreach to Stratford or to start plan outreach to Hackney.
