Afreuro diaspora group is a small charity working on the integration and inclusion of migrants and African diaspora youths in UK life and in youth programs. It is managed by the board of trustees comprised of ;

Mr Tafadzwa Joshua Junior Chivanga
Mr Comfort Virimai Kaseke

The trustees have been founding members of the organization since its inception in 2016.

Its objectives and programs within the last year ;

Global youth mobilization grant - £ 5000,00.00
European Youth foundation grant - £ 12,000.00

The organization has not done numerous projects due to the shrinking space for UK organizations within European funding bodies, but seeks to regain its market share in the coming year with the re-entry of the UK in the Horizon Europe program. The organization will apply for funding for projects focusing on youth exchanges and integration of migrants and minorities in UK life.
