How the charity is constituted (eg. trust, association, company)	Charitable Incorporated Organisation (CIO)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

The Board of Trustees are responsible for all policies and procedures. Key policies such as the 'Safeguarding Everyone' Policy and the CIO's finance procedure, are reviewed regularly by the Board. To enable meaningful discussions about these key documents, the review of the majority of the policies and procedures has been delegated to the Leaders of Hope Vineyard, who are accountable to the Board.

Hope Vineyard is affiliated to Vineyard Churches UK and Ireland (VCUK&I) and a member of the Evangelical Alliance. With the introduction of GDPR, Hope Vineyard Oxford has been registered with the Information Commissioner's Office (ICO) since 18/05/2018.

Safeguarding and finance are recurring items on the agenda. In addition, the board has developed a yearly pattern for the quarterly meetings with a different focus to enable greater depth of conversation and consideration of risk.

As a matter of note, within Oxford there are currently two Vineyard Churches from VCUKI (<https://www.vineyardchurches.org.uk>); Hope Vineyard Oxford, which was established in 2017, and Oxford Vineyard Church, which began in the 1990s.

Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

The objects of the CIO for Hope Vineyard Church Oxford are:

- (a) To advance the Christian faith in accordance with the Statement of Faith (VCUK&I) in Oxfordshire and such parts of the United Kingdom or the world and in such ways as the Trustees may from time to time think fit;
- (b) To relieve persons who are in conditions of need or hardship by reason of their youth, age, ill-health, disability, financial or other disadvantage and to relieve the distress caused thereby in Oxfordshire and such other parts of the United Kingdom or the world as the Trustees may from time to time think fit;
- (c) To promote and fulfil such other charitable purposes beneficial to the community in Oxfordshire and such other parts of the United Kingdom or the world as the trustees may from time to time think fit.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Appointment of the Board of Trustees:

The Board of Trustees, which first met on 18th April 2017, encompasses specialist experience in; the charitable sector, safeguarding, pastoral ministry and business innovation. Given specialist finance experience was not within the skill mix, an adviser to the board was sought. Within the constitution, it is stated that it is the duty of each of the charity trustees to:

- a. to exercise his or her powers and to perform his or her functions in his or her capacity as a trustee of the CIO in the way he or she decides in good faith would be most likely to further the purposes of the CIO; and
- b. to exercise, in the performance of those functions, such care and skill as is reasonable in the circumstances having regard in particular to:
 - i.any special knowledge or experience that he or she has or holds himself or herself out as having; and,
 - ii.if he or she acts as a charity trustee of the CIO in the course of a business or profession, to any special knowledge or experience that it is reasonable to expect of a person acting in the course of that kind of business or profession.

Summary of Activities:

The financial year, September 2023 to the end of August 2024, has been a year when Hope Vineyard has continued to grow in both our community impact and the numbers of people involved with different activities.

In planning the activities the Trustees have applied the guidance on public benefit issued by the Charity Commission.

This year we have continued to operate from the premises we lease in Templars Square Shopping Centre, Cowley, Oxford. We are thankful to the management team and landlord who continue to support our work.

Core community:

- **Sunday Mornings at Hope:** We meet once a week as a whole church community. In our Sunday Services, we have looked at subjects such as living simply as a spiritual practice, and books of the Bible, such as Lamentations. Children of primary school age meet for their own programme of activities during the services. Sunday Breakfasts are now once a month with free food for everyone and activities linked to a topical theme.
- **Simply Worship** continued monthly on a Sunday evening.
- Weekly **Tuesday Morning Prayer** and **'Life Groups'** have also continued. These are smaller groups of people meeting during the week to get to know each other better and practice living like Jesus, together. Life Groups expanded from one to two groups this year with the new group held on a Saturday to allow more people, including families with children, to attend.
- **Youth.** Our young people continue to meet twice a month with a variety of games, snacks and a short time of focus to engage with and talk about a relevant topic of their choice that tackles life's bigger and sometimes smaller questions. This is happening on a Sunday during the service.
- **Students.** Funmi, our student's pioneer, continued to experiment with creative ways to help young adults at university engage with God and faith. She stepped down from her role in January 2024 to pursue new career opportunities.
- We organised a 12 hour-long **prayer space** in January. People could book hour-long slots and use a range of creative mediums to pray for Oxford and the nations.
- **Vision Sunday** was held on 12th May. Alongside sharing key information on finances and activities we shared our focus for the

year being on living in a way that makes space for opportunities to connect with God and others around us.

- We hosted our first **'Weekend Together'** in June 2023. As a church family we spent the weekend together, socialising, playing, eating, worshipping and praying.
- We ran the second year of the Vineyard Churches **Essentials Course** for aspiring leaders. We met monthly until July 2024 when the course ended to watch content and discuss the theme for the session.
- We started **Sunday Lunches** to allow us more time together as a community.

Wider Community Impact:

- **'Small Steps'**, our children's clothes and equipment resource, serves families from the local area and further afield with items that have been generously donated. It has continued to grow responding to the referrals received, and there have been new volunteers who support the project, often on a weekly basis. The staff team has remained in place with a Small Steps Assistant role, Referrals Coordinator and Hope Projects Lead. Small Steps has also seen shop sales increase over the year. These sales contribute towards funding the running costs of the project.
- **Christmas Present Appeal:** We hosted the Salvation Army's Christmas Present Appeal from our venue. It was a privilege to invite the community to respond, and hundreds of new presents and wrapping paper were given through local professionals/ support workers, to parents who otherwise would have struggled to give their children gifts at Christmas time.
- We organised our third **Christmas Carol Service in the middle of Templars Square Shopping Centre** where passersby were invited to sing Carols, enter the Christmas jumper competition, eat mince pies and engage in the Christmas story.
- **The Passion Play on Palm Sunday** was a collaboration with 3 other churches and saw us welcome over 100 people to Hope Oxford, for a theatre production by the LAMPS company <https://lampscollective.com/the-passion>. It was a moving portrayal of Jesus' road to the cross.
- **Easter Egg Hunt-** We hosted this free event for local families in the shopping centre. Over 250 Easter eggs given away. On Easter Sunday we gathered for an all age gathering, which was shared with our extended church family at Oxford Vineyard Church.
- **Bags of Fun baby and toddler group.** This continued once a month offering a story and song time, snack and plenty of toys for preschool aged children. We also introduced a new all age/family friendly volunteering slot each week.
- We held a **Gift day** on **14th July**, and raised money for Hope Projects, a missionary family's ministry in Oxford, and two initiatives in South-East Asia, (The 'Joy Centre' and 'Community Care Myanmar'). Both of these projects provide life changing care and support to marginalised people groups.

Other activities/ Areas:

Engaging in VCUK&I Conferences: A small number of people from Hope attended national VCUKI conferences and events this year.

Engaging in Local Church Network: Josh Kay continues to meet regularly with local church leaders in Cowley and Oxford.

Regional Roles: Katie Kay (Lead Senior Pastor) continues her role supporting the VCUKI Multiply Team within the South Central Region. Josh Kay (Lead Senior Pastor) continues to be involved in the conversation about racial diversity as a trans-local leader within the Vineyard Movement.

Governance: Hope Vineyard Trustees Nights continued quarterly. Josh and Katie continued attending gatherings with the South Central Region of Vineyard Senior Pastors, for oversight and connection. Additionally, they attend the Vineyard Senior Pastors Zoom Evening, receive monthly updates from VCUKI and spiritual direction.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Employment & Volunteers: At year end August 2024, Employed staff were as follows:

Katie Kay (Lead Senior Pastor overseeing Bible Teaching - 7 hours pw)
Julie Stephenson (Children and Families Lead- 3.5 hours pw)
Julie Stephenson (Hope Projects Lead - 14 hours pw),
Charlotte Pearson-Miles (Referrals Coordinator - 7 hours pw)
Kimberley O`callaghan (Small Steps Assistant - 16 hours pw, Term time)
Finance/Bookkeeping had been outsourced
(www.enaidaccountancy.co.uk)

Administration outsourced to JWB Virtual Administration

The number of regular volunteers increased to around 35, who are volunteering on a monthly basis. Many more volunteers engage in the various activities and community projects including those listed above.

The 'General Giving' Fund of Hope Vineyard has continued to be funded through the generosity of individual donors, and specific funds continue to exist to manage projects. For instance, the Hope Projects Team (including Small Steps) is funded through restricted funding, which includes specific donations to Small Steps through grants and customers who chose to buy pre-loved clothes to support this project.

We are grateful to all who volunteer and partner with us through grants/ fundraising/ generously giving to enable Hope Vineyard to better provide for those within the community of Hope and also enabling us to also reach out to others.

Summary of the main achievements of the charity during the year

Summary of Achievements:

More details are available on the website <https://hopeoxford.org/> and photos of activities can be seen on instagram <https://www.instagram.com/hopeoxford>. Achievements are listed in relation to the objects of the charity:

1) To advance the Christian faith

- The 'summary of activities' demonstrate the more regular and more creative ways that Jesus' love have been shared; practically in meeting physical needs, emotionally in providing a network of support, and also spiritually through Sunday gatherings, and other core community activities.

Hope Vineyard is a well connected church family that really cares for each other and the wider community, practically demonstrating Jesus' teachings and love in action.

2) To relieve persons who are in conditions of need or hardship by reason of their youth, age, ill-health, disability, financial or other disadvantage and to relieve the distress caused thereby

- Hope Vineyard continues to step into opportunities and the generosity from within and the wider community has facilitated various community projects, including:
 - Small Steps - providing children's clothes and equipment
 - Partnering with The 'Salvation Army's' Christmas Present Appeal - providing presents/wrapping paper for families experiencing financial hardship.
 - Bags of Fun - baby and toddler group, providing community and support for those parents/carers to foster community.
 - Parties/Events where an active community invitation is made, for 4 events over the year, celebrating Autumn, Christmas, Easter, and the Summer season.
- Additionally, it remains to be true that each of us that calls Hope Vineyard our spiritual home, has the opportunity to put into practice the example of Jesus, as we reach out to those around us in our personal lives; in our neighbourhoods, and spheres of influence.

3) To promote and fulfil such other charitable purposes beneficial to the community in Oxfordshire and such other parts of the United Kingdom or the world as the trustees may from time to time see fit.

As a Vineyard Church, we continue to make a 5% contribution of our general income to support the work of Vineyard Churches UK and Ireland (VCUKI). In addition, we have given a one-off gift at the annual Vineyard Conference.

Outside the Vineyard network, we have continued our small but regular donations to Love the One charity, whose work is in India (<http://www.lovetheone.org/>).

Locally in Oxfordshire, we have contributed to Hope Projects, including Small Steps, providing both administrative support and oversight. Additionally, a separate restricted fund exists for Hope Projects, which impacts those outside of Hope Vineyard Oxford.

At the end of the financial year, 22% of general giving (including gift aid), a total of £10,994, has been designated for activities outside of Hope. A significant proportion of this money has been spent during the year, and once the full VCUKI 5% contribution has been made, then the remainder will be allocated. This year we anticipate supporting specific appeals as when they appear, and also utilising some of this fund to support the growth of Hope Projects, Small Steps, and other community projects.

Designated Funds

The Giving Fund represents 22% of unrestricted donations and gift aid received during the year, which is recognised by the transfer from General Funds shown above. The Trustees are committed to spending this on activities which do not benefit Hope Vineyard Church directly.

The Designated Grants Fund is money received from unrestricted grants due to Covid 19, which the trustees have set aside to be spent on valuable projects/causes.

Restricted Funds

The New Things Fund was the result of a gift day in July 2020 and is to be used to equip and refurbish a new venue in Templars Square Shopping Centre. Small Steps project is a childrens' clothes and equipment resource based in the Templars Square Shopping Centre.

The Giving Back initiative was funding received to support the provision of hot meals to ICU staff during the second COVID lockdown - the balance brought forward is due to the church currently awaiting receipts for expenses to allow those costs to be reimbursed.

Giving Day Fund is for funds given towards Hope Projects, mission in Oxford and two projects in south East Asia.

The Hopes Project Fund is to support the various projects carried out by Hope in the local community.

The Racial Integration Grant was funds received from Vineyard UK&I to support leading racial integration work across the country.

Other restricted donations represents small one-off gifts for specific events/causes.
