Background information

Barnstaple Baptist Church started life in 1814. The first Church building was finished in 1823, with a Church in Boutport Street opening for worship in February 1833. This building proved too small, the site was cleared, with the current building opening in July 1861.

On 7th June 2017 the Church approved a new Constitution, based upon a template for a "Charitable Incorporated Organisation" (CIO) produced by the Baptist Union, working in conjunction with the Charity Commission. Application was made to the Charity Commission to register a new charity and this was completed on 11th July 2017. The CIO started its activities under the governance of the new Constitution as from 1st January 2018.

Structure, Governance and Management

The Charity is governed by an Approved Governing Document - the Constitution.

Membership of the Church is open to those who have professed faith in Jesus Christ so by applying for membership they have indicated acceptance of our beliefs, a willingness to participate in the activities of the Church, have shown their agreement and willingness to abide by our governing constitution.

Individuals seeking membership who have not been baptised in the manner described in the Baptist Union's Declaration of Principle may be welcomed as Associate Members at the discretion of the Church Members' Meeting, based on the applicant's public profession of faith, this enables them to participate in Church Members' Meetings, but with restricted voting rights, as determined from time to time by the Church Member's Meeting.

A Church Member's Meeting normally takes place bi-monthly, other than August and December and has responsibility for the overall policy of the Church's activities. In accordance with the Constitution, the members appoint Trustees, who together with the Minister, Church Secretary and Treasurer (who are also appointed by the Members annually), are responsible for the day to day running of the Church's work and witness, the financial and legal aspects of the charity. All members are encouraged to take an appropriate part in the spiritual and practical tasks involved in the furtherance of the Church's charitable objective.

Relevant matters may be submitted to the Church Meeting by the Trustees for guidance, or may be raised by members in Church Meeting for further consideration by the Trustees. Though the Constitution permits decisions to be made at Church meetings by appropriate majorities, the Church seeks to work by consensus wherever possible.

Normal Objectives and Activities

The principal purpose of the charity is the advancement of the Christian faith according to the principles of the Baptist denomination, to include the advancement of education and such other general charitable purposes, in such parts of the United Kingdom and the world, as the Church shall determine.

In order to achieve the principal objective which is set out above, the Church provides a variety of activities both to its membership and to the community generally. The aim is to show the love of Jesus Christ in both word and deed and to bring people into a closer relationship with Him as living Lord.

Central to the work and witness of the Church is the provision of regular public services of Christian worship. These services take place each Sunday at 10.30 a.m. with services at other times, which are advertised on the Church Notice Board and the church website which also contains our ETHOS statement. The Church seeks to be a friendly and welcoming community and anybody is free to attend any of these services.

Achievements and Performance

Our numbers of regular attendees though not large is stable with visitors often boosting the numbers for Sunday worship.

2023 has been a challenging year in all forms of measure, Covid is still a worry for our aging congregation along with the big cost of living increases especially in the cost of food, gas, and electricity, to help we offer every Wednesday morning after our Bible study to which everyone is welcome, we have a time of fellowship with board games chat etc. with plenty of beverages and snacks.

Our web site has the weekly sermon available on line for those shut in or would just like to listen again, it also contains a great deal of information about the Church and its activities.

Into a search engine put "Barnstaple Baptist Church" and follow the links.

Secretary's Report Membership and attendance

Church Membership at the end of 2023 is 27. Sunday worship attendance was on average 35 persons. Although all our permanent members and attenders are adult, we had 1 child attend throughout the year.

Pastors Report on Church activities: 2023.

1/ OVERVIEW. 2023 marked the recommencement of our normal church activities, albeit there were a number of health challenges affecting several of our older church family, meaning a few are now unable to attend church services.

However, even though most of the church are in their 60,s, 70,s and 80,s , most continue to maintain the effort to come on Sundays and are faithful in both their commitment of time and finance.

2/ WHAT WE WERE ABLE TO DO:

a) Happily, we were able to hold a Harvest Festival Service and donated a substantial amount of non-perishable food to The Freedom Centre, Barnstaple – an outreach center caring for the needs of the most vulnerable in the area.

We also donate any surplus food to the charity next door, 124, who care for young people who have been excluded from home or school.

b) We were also able to send £661 to the Baptist Missionary Society and £500 to the Baptist Home mission fund as well as £1,200 in support of various disaster appeals from around the world.

c) Our annual shoe-box appeal enabled us to send many toys and resources to needy children in the third world via the Samaritans Purse appeal.

d) Our annual Suffering Church Sunday appeal meant that we could send funds to persecuted Christians in countries on the Open Doors World Watch List via the Open Doors UK Charity.

e) Locally, we hold a drop-in coffee morning each Wednesday offering a “warm space” for anyone to come in for a chat and free refreshments.

f) It is our intention, during 2024 to set up an outreach programme for those interested in exploring the Christian faith.

g) In my report last year, I made the comment that the church leadership had “*decided on*” “*the nuclear option*” of “*selling the building*,”. This decision had been precipitated by the anticipated heating and lighting costs which, had they been realized, the church would not have had sufficient income.

Happily, that forecast proved to be very wide of the mark, and due to the continuing financial giving on the part of the church members, and the gradual increase in hiring income, the pressure to sell the building has, for the moment, abated.

In the meantime, the leadership and members remain upbeat about our future as a gathered group as we continue to endeavor to be a beacon of light, hope and compassion to our local community.

Treasurers Report

We are an ageing congregation with limited funds, so we too have had difficulty with the cost-of-living crisis which is affecting the whole country, this has meant a drop in income as members have had to prioritise their giving with living costs, a drop in giving has also been responsible for the drop in HMRC gift aid funding, we have also lost the giving of one or two prominent givers for various reasons.

It is a very old building with a three-story void to the ceiling in the sanctuary so very difficult to heat. We have managed to contain our gas and electricity costs by careful management and switching suppliers, but with the prospect of increased hire costs, two of our main room hirers decided to move elsewhere leaving a hole in our anticipated hire income, this had recovered somewhat by the end of 2023 but not fully.

The church lets out various rooms for community use including, weekly Art classes, Ladies keep fit, Model construction and games, Majorettes marching group and North Devon Young Performer's, also London College of Music exams are held regularly throughout the year, it is also used by several choral groups for their concerts as the acoustics in the sanctuary are very good.

Last year we were contemplating having to move from our premises due to the anticipated increase in costs. However, the big hike anticipated did not materialise so we are not now considering moving but have been led to believe that we will continue in our present building for some time to come.

We have had to change banks as CAF bank has no high street representation in a bank with a counter service so, we have opened a savings account with the Baptist Corporation Bank also a current account with Lloyds, we are in the process of closing the CAF accounts this has taken a great deal of effort from our assistant treasurer as CAF are not part of the banking switch system.

Financial Review - Accounts for the year ending 31st December 2023

The accounts have been prepared on a 'receipts and payments' basis and in accordance with Section 133 Charities Act 2011. The accounts represent the fifth operational period of the CIO, being the year ending 31st December 2023. The previous period comparative figures represent activities from the 1st January 2022 to 31st December 2022, therefore the Accounts for the period ending 31st December 2023 represent 12 months activities and are a direct comparison to the year ending 31st December 2022.

The Church raises the funds which it needs to carry on its activities from within its own membership and congregation. The other significant source of income relates to hiring out the Church premises. Several years ago, the Church realised that the premises were standing empty and unused for much of each week. It was agreed to invest heavily in refurbishment, bringing parts of the building, standing almost in a derelict condition, back into use. However, being 190 years old the building needs continuous maintenance.

The most significant expense relates to Revd. Peter Price as Pastor of the Church, who leads and co-ordinate the Church's activities including the Sunday Services, to provide pastoral care for the congregation and other people and to equip and encourage the membership in their life, Christian witness, and service.

The Church expressed its part in the life of the wider Church by making grants to local, national, and international Christian organisations and societies with Christian aims and objectives compatible with the Church's own charitable purpose.

The Church is heavily dependent on its membership working as volunteers in all aspects of the Church's activities, many of which run with little or no impact on the Church's expenditure, but nevertheless contribute substantially to the achievement of the Church's objectives, however with a very aging congregation we are finding it increasingly difficult to be physically involved in anything but the daily/weekly activities of running the Church.

The financial results for the year are set out in the accompanying financial statements.

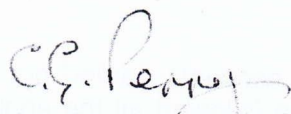

The Church has entered a Deferred Debt Arrangement (DDA) of £1.00 per month with the Pension Trustee as an arrangement to cover our outstanding pension deficit, this will continue until the deficit is paid off or no longer exists which is anticipated to be by the end of 2024.

Reserves Policy

The Trustees have established a Reserves Policy to enable the Church to function effectively and meet its obligations in the event of a decline in our income or a major cost.

Having considered the relevant risks of changes in income and expenditure, the Trustees have determined that the appropriate level of reserves is in the range £7,500 to £12,500, representing up to three month's forward expenditure.

Independent examiner's report to the Trustees on the unaudited financial statements of Barnstaple Baptist Church.

I report to the Trustees on my examination of the accounts of Barnstaple Baptist Church for the year ended 31 December 2023.

Respective responsibilities of Deacons and Members and independent examiner

As the charity's Trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of Barnstaple Baptist Church's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of Barnstaple Baptist Church as required by section 130 of the Act; or
2. the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examinations to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

11 Assets Held for the Church's own use

The church is the beneficial owner (subject to the relevant trusts) of the following assets, the legal title to which is held by the church's custodian trustee, the Baptist Union Corporation Ltd:

- Church & Hall premises at Boutport Street Barnstaple valued at £5,899,792, based on 2024 insured values.
- Church manse at 2 Coronation Street Barnstaple valued at £335,399, based on 2024 insured value.
- The church also owns fixtures, furniture and equipment with a 2024 insured value of £266,834.

12 Pension Scheme Liabilities

The Church is an employer participating in a pension scheme known as the Baptist Pension Scheme ("the Scheme"). The Scheme is a separate legal entity which is administered by the Pension Trustee (Baptist Pension Trust Limited). The Minister is eligible to join the Scheme.

Since January 2012, pension provision is being made through the Defined Contribution (DC) Plan within the Scheme. In general, members pay 8% of their Pensionable Income and employers pay 6% of members' Pensionable Income into individual pension accounts. In addition, the employer pays a further 4% of Pensionable Income (or 3% if the employer is in the segregated DC section) to cover Death in Service Benefits, administration costs, and an associated insurance policy which provides income protection for Scheme members in the event that they are unable to work due to long-term incapacity. This income protection policy has been insured by the Baptist Union of Great Britain with Aviva. Members of the Basic Section pay reduced contributions of 5% of Pensionable Income, and their employers also pay a total of 5%.

BARNSTAPLE BAPTIST CHURCH

NOTES TO THE ACCOUNTS

12 Pension Scheme Liabilities (continued)

Benefits in respect of service prior to 1 January 2012 are provided through the Defined Benefit (DB) Plan within the Scheme. The main benefits for pre-2012 service were a defined benefit pension of one eightieth of Final Minimum Pensionable Income for each year of Pensionable Service, together with additional pension in respect of premiums paid on Pensionable Income in excess of Minimum Pensionable Income. The Scheme, previously known as the Baptist Ministers' Pension Fund, started in 1925, but was closed to future accrual of defined benefits on 31 December 2011.

A formal valuation of the Defined Benefit (DB) Plan was performed at 31 December 2019 by a professionally qualified Actuary using the Projected Unit Method. The market value of the DB Plan assets at the valuation date was £298 million.

The valuation of the DB Plan revealed a deficit of assets compared with the value of liabilities of £18 million (equivalent to a past service funding level of 94%). As a result of the valuation, in addition to the contributions to the DC Plan set out above, it was agreed that the standard rate of deficiency contributions from churches and other employers involved in the DB Plan will remain at previously agreed levels, increasing each year in line with increases in the Minimum Pensionable Income. The deficiency contributions are broadly based on 12% of Pensionable Income / Minimum Pensionable Income, reflecting each employer's contributions in March 2015. Some employers that were involved in the DB Plan for a short period pay lower contributions. The Trustee and the Council agreed a 50% reduction for all deficiency contributions payable between 1 July 2020 and 31 December 2020.

In addition, the Baptist Union of Great Britain contributed a lump sum of £0.5m by 31 December 2020. The current Recovery Plan dated 30 September 2020 envisages deficiency contributions continuing until 30 June 2026.

The key financial assumptions underlying the valuation were as follows:

Type of assumption	% pa
RPI price inflation assumption	3.20%
CPI price inflation assumption	2.70%
Minimum Pensionable Income increases (CPI plus 0.75% p.a.)	3.20%
Assumed investment returns	
- Pre retirement	2.95%
- Post retirement	1.70%
Deferred pension increases	
- Pre April 2009	3.20%
- Post April 2009	2.50%
Pension increases	
- Main Scheme pension Pre April 2006	2.70%
- Main Scheme pension Post April 2006	2.70%

The Church is currently making contributions of £1 a month to clear the liability. The employer contributions payable. The total pension cost for the Church was £12 as shown in Note 6.
