Charity No: 1173810

ANNUAL REPORT 2024 - 25

ANOTHER YEAR – WE NEED MORE TRUSTEES!

HOWEVER – POSITIVE NEWS TO REPORT

This report covers the activity of the Federation of Westminster Special Schools Charity Fund for the Financial Year 2024 -2025. Much of the “theme” of the year had been around the difficulty in recruiting Trustees and continuing to operate. However it is helpful to know that very shortly after the period covered by this report, we were able to recruit two new Trustees.

Several of our Trustees prior to the Charity being established have enjoyed a long association with the Federation of Westminster Special Schools and know the schools well. We have seen the tremendous work and dedication of Federation staff helping children & young people to learn and develop in order to fulfil their educational and developmental potential. Both staff and the children & young people have provided the inspiration for the Charity Fund to be established and registered with the Charity Commission.

The Charity’s aim is to raise funds for a range of projects to improve the facilities at the two special schools. We support both schools to meet the needs of this vulnerable group of children and young people by ensuring that the best possible educational opportunities are provided.

This is our seventh Annual Report and although Covid restrictions have long been lifted it is clear that many of the fund giving groups are still experiencing considerable delays in replenishing their own reserves to give out in response to funding bids and a great many have ceased operating. Several quote “supply chain” delays preventing them from fully functioning. This has meant that the bids we have made for the provision of a new minibus for College Park has been extremely protracted and a decision is still awaited. Sadly we do not expect to be successful as that charity seems to become inactive.

As previously reported, the approach we used in our first year contacting many businesses with local connections or specialist donating bodies has not proved to be an effective way of raising the amount of funds needed. Having said that we have developed some good community links who continue to raise funds for us and the Trustees value these. When new Trustees are appointed we will urgently review our priorities and set out a clear set of objectives for the coming year.

As mentioned in the first paragraph although this report covers the period up until April 2025, we are pleased to report that we have been able to recruit two Trustees, June and Paul just after the period covered by this report. Although appreciating this was just after April 2025, we felt that this information will help to put a less than overall positive into a somewhat more positive context.

I would like to thank Trustees and volunteers for their continued efforts and to add a particular word of thanks to Yvonne our clerk and to Michal for “holding on” during our period of uncertainty.

We agreed a little time ago to rotate the chairing of the Trustee meetings. This has worked well but we would be looking to appoint a permanent chair once more trustees are in place.

David Dyer – Trustee 16 October 2025

Trustees’ Report

Objectives and Activities

The Charity exists to raise funds that can be used to enhance the learning of children and young people by improving the facilities at the Federation of Westminster Special Schools (“FWSS”).

The FWSS is made up of two schools: College Park and the Queen Elizabeth II Jubilee School (“QEII”). College Park caters just under 200 children and young people with autism, while QEII caters for 85 children and young people with severe or profound and multiple needs.

The money raised by the Fund is intended to:

- Help towards increasing or improving the range of activities on offer at the FWSS.
- Help provide or improve facilities, such as IT or play equipment, improving play facilities and replacing minibuses.
- Help pupils take part in the extended opportunities by giving them the support they need.
- Support parents to engage with the work of the schools and support their child’s education.

The Charity does not (and does not intend to) finance any statutory or core activities undertaken by the schools. Trustees have regard to the guidance issued by the Charity Commission on public benefit.

Achievements and Performance

This has been the Charity's seventh fully active year and we have built on the work undertaken initially where the Trustees dedicated time to establish administrative and financial structures. In addition to producing operating documents, policies, procedures, the Charity had focused on: identifying and budgeting for a suitable project, establishing a fundraising programme and creating publicity material.

Funding Projects – some successes!

The two minibuses for QEII have been ordered from GM Coachworks have at last been delivered and are being enjoyed by the children and young people.

Fundraising Programme

In our early days, Trustees had established a fundraising plan to identify, log and approach potential donors. Organisations approached for funding include charity trusts, charity foundations, grant-making bodies, local shops, businesses and parents. During the first year some 200 funding appeal letters were sent and donations were received from local shops and parents. In our second year we targeted a smaller number of more specific and specialist funding organisations and followed up others which expressed an interest in our first year. In our third year we monitored a far smaller group of organisations and looking for relevant opportunities.

Trustees are conscious that it may take several months to receive a reply from potential donors and competition from other charities has also made it difficult in a climate of reduced available funding. Many organisations prefer to fund national charities making it even more difficult for local charities.

Publicity & Marketing

The Trustees have created a dedicated webpage on the FWSS website, as well as a Facebook page. The Charity has also established a newsletter to raise its profile via the web, social media and through the FWSS newsletter in order to reach out to staff, parents and the wider public.

Financial Review & Reserves

This first full year of the Charity had been used to establish income streams. We have successfully fundraised to enable our first project to be completed – the play spaces at QEII.

The Charity has established policies to evaluate projects, ensuring value for money and has sufficient funds to continue its current activities for the forthcoming year. The

Board of Trustees regularly reviews the Charity's reserve levels in the light of its planned activities. The reserves provision for revenue costs has been set at a level to cover the Charity's ordinary operating costs for a period of six months. In addition to this requirement, there should be further reserves available to cover actual capital commitments and to cover funds that have been donated for specific projects.

The Charity's principal source of funding comes from donations and grants. The Charity applies for grants from various bodies and companies who wish to support the aims of the Charity. It also receives donations from parents with children attending the FWSS, from friends of the Federation, and from the general public. The principal risk affecting the Charity would be the inability to raise sufficient funds to fulfil its charitable duties and to fund the projects that it wishes to complete. To mitigate this, fundraising continues on a professional basis, and applications for grants are made whenever practicable.

Structure, Governance and Management

The FWSS Charity Fund is a Charitable Incorporated Organisation registered on 13 July 2017. The Fund is governed by the terms of its Constitution, which established its objects and powers. Although linked to the Federation of Westminster Special Schools, the Charity is an independent organisation with its own Board of Trustees who are the only voting members.

Trustees are recruited with reference to the skills, knowledge and experience needed for the effective administration and management of the Charity. Trustees who are members of the FWSS Governing Board must at all times keep FWSS and Charity business separate. There are also independent trustees who provide scrutiny and oversight. No FWSS parent or member of staff may become a Trustee although the inclusion of a parent is being reviewed.

The full Board of Trustees met three times from April 2024 to April 2025 inclusive. All Trustees give their time voluntarily and receive no benefits from the Fund. Any expenses reclaimed from the Fund are set out in appropriate notes to the accounts.

The Board of Trustees has reviewed previously adopted policies and procedures relating to:

- Finance and Reserves
- Charity Governance (code for small charities)
- Operating Procedures
- Conflict of Interest

- Policy statements covering the following linked to FWSS Policies
 - Equal Opportunities Policy. (Known as the 'Single Equalities Plan and Policy')
 - Child Protection and Safeguarding
 - Health and Safety
 - Whistleblowing

The Trustees review the aims, objectives and activities of the Fund each year. This report looks at what the Charity has achieved and the outcomes of its work for the 12 months in the year ending 31st March 2025.

Administrative Details

The FWSS Charity Fund is a registered charity (No 1173810). The correspondence address is: College Park School, Garway Road, London W2 4PH. The Charity webpage can be found at: <http://www.qe2cp.westminster.sch.uk/>

ANNUAL REPORT 2023 - 24

ANOTHER YEAR – WE NEED MORE TRUSTEES!

Several of our Trustees prior to the Charity being established have enjoyed a long association with the Federation of Westminster Special Schools and know the schools well. We have seen the tremendous work and dedication of Federation staff helping children and young people to learn and develop in order to fulfil their educational and developmental potential. Both staff and students have provided the inspiration for the Charity Fund to be established and registered with the Charity Commission.

The Charity's aim is to raise funds for a range of projects to improve the facilities at the two special schools. We support both schools to meet the needs of this vulnerable group of children and young people by ensuring that the best possible educational opportunities are provided.

This is our sixth Annual Report and although Covid restrictions have been lifted it is clear that many of the fund giving groups are still experiencing considerable delays in replenishing their own reserves to give out in response to funding bids. Several quote "supply chain" delays preventing them from fully functioning. This has meant that the bids we have made for the provision of a new minibus for College Park has been extremely protracted and a decision is still awaited. Sadly we do not expect to be successful as that charity seems to become inactive.

The approach we used in our first year contacting many businesses with local connections or specialist donating bodies has not proved to be an effective way of raising the amount of funds needed. Having said that we have developed some good community links who continue to raise funds for us and the Trustees value these.

We have been looking to recruit two independent trustees but, unfortunately this has not been successful and potentially puts the future of the Charity in jeopardy. With external advice and support we advertised in a range of places but there was very little response which was very disappointing. A fresh carefully targeted campaign is going live very shortly. We need one with a knowledge of fundraising strategies and the other with financial expertise. This to help move the charity forward in future years. **If we do not recruit successfully the future of the charity is in jeopardy.** I would like to thank Trustees and volunteers for their continued efforts and to add a particular word of thanks to Yvonne our clerk.

We agreed last year to rotate the chairing of the Trustee meetings. This has worked well but we are still looking to appoint a permanent chair once more trustees are in place.

Trustees' Report

Objectives and Activities

The Charity exists to raise funds that can be used to enhance the learning of children and young people by improving the facilities at the Federation of Westminster Special Schools ("FWSS").

The FWSS is made up of two schools: College Park and the Queen Elizabeth II Jubilee School ("QEII"). College Park caters for 150 children and young people with autism, while QEII caters for 80 children and young people with severe or profound and multiple needs.

The money raised by the Fund is intended to:

- Help towards increasing or improving the range of activities on offer at the FWSS.
- Help provide or improve facilities, such as IT or play equipment, improving play facilities and replacing minibuses.
- Help pupils take part in the extended opportunities by giving them the support they need.
- Support parents to engage with the work of the schools and support their child's education.

The Charity does not (and does not intend to) finance any statutory or core activities undertaken by the schools. Trustees have regard to the guidance issued by the Charity Commission on public benefit.

Achievements and Performance

This has been the Charity's sixth fully active year and we have built on the work undertaken initially where the Trustees dedicated time to establish administrative and financial structures. In addition to producing operating documents, policies, procedures, the Charity had focused on: identifying and budgeting for a suitable project, establishing a fundraising programme and creating publicity material.

Funding Projects – some successes!

The two minibuses for QEII have been ordered from GM Coachworks and are due for delivery in the Autumn term and the £5000 funding we gave College park for a therapy swing has now been sent and the swing installed.

Fundraising Programme

In our early days, Trustees had established a fundraising plan to identify, log and approach potential donors. Organisations approached for funding include charity trusts, charity foundations, grant-making bodies, local shops, businesses and parents. During the first year some 200 funding appeal letters were sent and donations were received from local shops and parents. In our second year we targeted a smaller number of more specific and specialist funding organisations and followed up others which expressed an interest in our first year. In our third year we are monitoring a far smaller group of organisations and looking for relevant opportunities.

Trustees are conscious that it may take several months to receive a reply from potential donors and competition from other charities has also made it difficult in a climate of reduced available funding. Many organisations prefer to fund national charities making it even more difficult for local charities.

Trustees' Report

Objectives and Activities

The Charity exists to raise funds that can be used to enhance the learning of children and young people by improving the facilities at the Federation of Westminster Special Schools ("FWSS").

The FWSS is made up of two schools: College Park and the Queen Elizabeth II Jubilee School ("QEII"). College Park caters for 120 children and young people with autism, while QEII caters for 80 children and young people with severe, profound and multiple needs.

The money raised by the Fund is intended to:

- Help towards increasing or improving the range of activities on offer at the FWSS.
- Help provide or improve facilities, such as IT or play equipment, improving play facilities and replacing minibuses.
- Help pupils take part in the extended opportunities by giving them the support they need.
- Support parents to engage with the work of the schools and support their child's education.

The Charity does not (and does not intend to) finance any statutory or core activities undertaken by the schools. Trustees have regard to the guidance issued by the Charity Commission on public benefit.

Achievements and Performance

This has been the Charity's fourth fully active year and we have built on the work undertaken initially where the Trustees dedicated time to establish administrative and financial structures. In addition to producing operating documents, policies, procedures, the Charity had focused on: identifying and budgeting for a suitable project, establishing a fundraising programme and creating publicity material.

Funding Projects

The Charity Fund facilitated a request from the FWSS for a bid to the London Community Response Fund. This was to fund the purchase of a range of additional resources to support students with special educational

needs to work from home during the Covid-19 lockdown to enable them to access learning opportunities from the schools. This request was successful and the resources were well used by both schools.

The FWSS has highlighted the need for replacement minibuses at both schools and we have adopted this as our most recent projects. The specifications for the vehicles are different for each school. Two applications are being prepared initially.

Fundraising Programme

Trustees had established a fundraising plan to identify, log and approach potential donors. Organisations approached for funding include charity trusts, charity foundations, grant-making bodies, local shops, businesses and parents. During the first year some 200 funding appeal letters were sent and donations were received from local shops and parents. In our second year we targeted a smaller number of more specific and specialist funding organisations and followed up others which expressed an interest in our first year. In our third year we are monitoring a far smaller group of organisations and looking for relevant opportunities.

Although the response to fundraising approaches has been disappointing, Trustees are conscious that it may take several months to receive a reply from potential donors and competition from other charities has also made it difficult in a climate of reduced available funding. Many organisations prefer to fund national charities making it even more difficult for local charities. We have signed up with Amazon Smile an online scheme where registered Amazon customers who shop on line enable the company to make a donation to the charity. This is bringing in a regular small amount each month.

Publicity & Marketing

The Trustees have created a dedicated webpage on the FWSS website, as well as a Facebook page. The Charity has also established a newsletter to raise its profile via the web, social media and through the FWSS newsletter in order to reach out to staff, parents and the wider public.

Financial Review & Reserves

This first full year of the Charity had been used to establish income streams. We have successfully fundraised to enable our first project to be completed – the play spaces at QEII. Currently possible funding streams are being identified for replacement minibuses at both schools.

The Charity has established policies to evaluate projects, ensuring value for money and has sufficient funds to continue its current activities for the forthcoming year. The Board of Trustees regularly reviews the Charity's reserve levels in the light of its planned activities. The reserves provision for revenue costs has been set at a level to cover the Charity's ordinary operating costs for a period of six months. In addition to this requirement, there should be further reserves available to cover actual capital commitments and to cover funds that have been donated for specific projects.

The Charity's principal source of funding comes from donations and grants. The Charity applies for grants from various bodies and companies who wish to support the aims of the Charity. It also receives donations from parents with children attending the FWSS, from friends of the Federation, and from the general public. The principal risk affecting the Charity would be the inability to raise sufficient funds to fulfil its charitable duties and to fund the projects that it wishes to complete. To mitigate this, fundraising continues on a professional basis, and applications for grants are made whenever practicable.

Structure, Governance and Management

The FWSS Charity Fund is a Charitable Incorporated Organisation registered on 13 July 2017. The Fund is governed by the terms of its Constitution, which established its objects and powers. Although linked to the Federation of Westminster Special Schools, the Charity is an independent organisation with its own Board of Trustees who are the only voting members.

Trustees are recruited with reference to the skills, knowledge and experience needed for the effective administration and management of the Charity. Trustees who are members of the FWSS Governing Board must at all times keep FWSS and Charity business separate. There are three independent trustees who provide scrutiny and oversight. No FWSS parent or member of staff may become a Trustee.

The full Board of Trustees met three times from April 2021 to March 2022 inclusive. All Trustees give their time voluntarily and receive no benefits from the Fund. Any expenses reclaimed from the Fund are set out in appropriate notes to the accounts.

The Board of Trustees has adopted policies and procedures relating to:

- Finance and Reserves
- Charity Governance (code for small charities)

- Operating Procedures
- Conflict of Interest
- Policy statements covering the following linked to FWSS Policies
 - Equal Opportunities Policy. (Known as the 'Single Equalities Plan and Policy')
 - Child Protection and Safeguarding
 - Health and Safety
 - Whistleblowing

The Trustees review the aims, objectives and activities of the Fund each year. This report looks at what the Charity has achieved and the outcomes of its work for the 12 months in the year ending 31st March 2021.

Administrative Details

The FWSS Charity Fund is a registered charity (No 1173810). The correspondence address is: College Park School, Garway Road. London W2 4PH. The Charity webpage can be found at:
<http://www.qe2cp.westminster.sch.uk/>

Trustees serving at the date this report was approved were:

Michal Chudy
Richard Costella (retired Summer 2022)
David Dyer
Aslam Merchant

Yvonne Jarman served as Clerk to the Board of Trustees.

Carole Melson and June Simson have acted as “associate” members offering a wealth of advice.

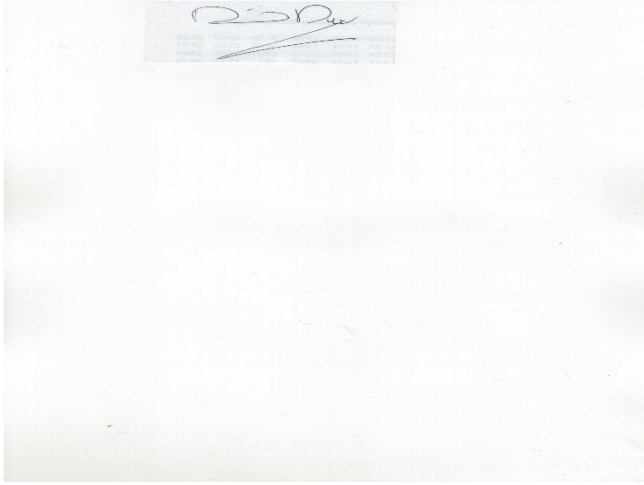

Declaration

The trustees declare that they have approved the Trustees’ Report above.

THE FEDERATION OF WESTMINSTER SPECIAL SCHOOLS CHARITY FUND

England & Wales - Charity number 1173810

Accounts

Federation of Westminster Special Schools Charity Fund

Charity No: 1173810

ANNUAL REPORT 2020 - 21

Third Year - Covid Restrictions but....

Several of our Trustees prior to the Charity being established have enjoyed a long association with the Federation of Westminster Special Schools and know the schools well. We have seen the tremendous work and dedication of Federation staff helping children and young people to learn and develop in order to fulfil their educational and developmental potential. Both staff and students have provided the inspiration for the Charity Fund to be established and registered with the Charity Commission.

The Charity's aim is to raise funds for a range of projects to improve the facilities at the two special schools. We support both schools to meet the needs of this vulnerable group of children and young people by ensuring that the best possible educational opportunities are provided.

This is our third Annual Report and restrictions caused by the Covid-19 have adversely affected our ability to raise funds. We have, however, made bids for funding to a range of organisations and we are confident for the future with the gradual return to normal.

The approach we used in our first year contacting many businesses with local connections or specialist donating bodies has not proved to be an effective way of raising the amount of funds needed. Having said that we have developed some good community links who continue to raise funds for us and the Trustees value these. A recent donation by Tesco for children's scooters at QEII arose from links previously set up so we consider it is worth selective approaches in the future.

We have recruited an additional independent trustee with knowledge of fundraising to help move the charity forward in future years. Fundraising is, of course, a priority and I would like to thank Trustees and volunteers for their continued efforts.

June Simson, Chair of Trustees resigned from that post in Summer 2020 and has now stood down as a Trustee. She will continue to support us but no longer with a formal trustee role. We agreed, in the short to medium term, to rotate the chairing of the Trustee meetings.

David Dyer
Trustee

November 2021

Trustees' Report

Objectives and Activities

The Charity exists to raise funds that can be used to enhance the learning of children and young people by improving the facilities at the Federation of Westminster Special Schools ("FWSS").

The FWSS is made up of two schools: College Park and the Queen Elizabeth II Jubilee School ("QEII"). College Park caters for 105 children and young people with autism, while QEII caters for 75 children and young people with severe, profound and multiple needs.

The money raised by the Fund is intended to:

- Help towards increasing or improving the range of activities on offer at the FWSS.
- Help provide or improve facilities, such as IT or play equipment, improving play facilities and replacing minibuses.
- Help pupils take part in the extended opportunities by giving them the support they need.
- Support parents to engage with the work of the schools and support their child's education.

The Charity does not (and does not intend to) finance any statutory or core activities undertaken by the schools. Trustees have regard to the guidance issued by the Charity Commission on public benefit.

Achievements and Performance

This has been the Charity's third fully active year and we have built on the work undertaken initially where the Trustees dedicated time to establish administrative and financial structures. In addition to producing operating documents, policies, procedures, the Charity had focused on: identifying and budgeting for a suitable project, establishing a fundraising programme and creating publicity material.

Funding Projects

The Charity Fund facilitated a request from the FWSS for a bid to the London Community Response Fund. This was to fund the purchase of a range of additional resources to support students with special educational needs to work from home during the Covid-19 lockdown to enable them to access learning opportunities from the schools. This request was successful and the resources were well used by both schools.

The FWSS has highlighted the need for replacement minibuses at both schools and we have adopted this as our most recent projects. The specifications for the vehicles are different for each school. Two applications are being prepared initially.

Fundraising Programme

Trustees had established a fundraising plan to identify, log and approach potential donors. Organisations approached for funding include charity trusts, charity foundations, grant-making bodies, local shops, businesses and parents. During the first year some 200 funding appeal letters were sent and donations were received from local shops and parents. In our second year we targeted a smaller number of more specific and specialist funding organisations and followed up others which expressed an interest in our first year. In our third year we are monitoring a far smaller group of organisations and looking for relevant opportunities.

Although the response to fundraising approaches has been disappointing, Trustees are conscious that it may take several months to receive a reply from potential donors and competition from other charities has also made it difficult in a climate of reduced available funding. Many organisations prefer to fund national charities making it even more difficult for local charities. We have signed up with Amazon Smile an online scheme where registered Amazon customers who shop on line enable the company to make a donation to the charity. This is bringing in a regular small amount each month.

Publicity & Marketing

The Trustees have created a dedicated webpage on the FWSS website, as well as a Facebook page. The Charity has also established a newsletter to raise its profile via the web, social media and through the FWSS newsletter in order to reach out to staff, parents and the wider public.

Financial Review & Reserves

This first full year of the Charity had been used to establish income streams. We have successfully fundraised to enable our first project to be completed – the play spaces at QEII. Currently possible funding streams are being identified for replacement minibuses at both schools.

The Charity has established policies to evaluate projects, ensuring value for money and has sufficient funds to continue its current activities for the forthcoming year. The Board of Trustees regularly reviews the Charity's reserve levels in the light of its planned activities. The reserves provision for

revenue costs has been set at a level to cover the Charity's ordinary operating costs for a period of six months. In addition to this requirement, there should be further reserves available to cover actual capital commitments and to cover funds that have been donated for specific projects.

The Charity's principal source of funding comes from donations and grants. The Charity applies for grants from various bodies and companies who wish to support the aims of the Charity. It also receives donations from parents with children attending the FWSS, from friends of the Federation, and from the general public. The principal risk affecting the Charity would be the inability to raise sufficient funds to fulfil its charitable duties and to fund the projects that it wishes to complete. To mitigate this, fundraising continues on a professional basis, and applications for grants are made whenever practicable.

Structure, Governance and Management

The FWSS Charity Fund is a Charitable Incorporated Organisation registered on 13 July 2017. The Fund is governed by the terms of its Constitution, which established its objects and powers. Although linked to the Federation of Westminster Special Schools, the Charity is an independent organisation with its own Board of Trustees who are the only voting members.

Trustees are recruited with reference to the skills, knowledge and experience needed for the effective administration and management of the Charity. Trustees who are members of the FWSS Governing Board must at all times keep FWSS and Charity business separate. There are three independent trustees who provide scrutiny and oversight. No FWSS parent or member of staff may become a Trustee.

The full Board of Trustees met ** times from April 2020 to March 2021 inclusive. All Trustees give their time voluntarily and receive no benefits from the Fund. Any expenses reclaimed from the Fund are set out in appropriate notes to the accounts.

The Board of Trustees has adopted policies and procedures relating to:

- Finance and Reserves
- Charity Governance (code for small charities)
- Operating Procedures

Independent Examiner's Report

Report to the trustees/ members of

Charity Name: Federation of Westminster Schools Charity Fund

On accounts for the year ended

31st March 2021 Charity no (if any) 1173810

Set out on pages

(remember to include the page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/03/2021.

Responsibilities and basis of report

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention (~~other than that disclosed below~~*) in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

* Please delete the words in the brackets if they do not apply.

Signed: [Signature] Date: 08/05/2021

Name: MANISHA PATEL

Relevant professional qualification(s) or body (if any): ACCOUNTANT / FINANCE DIRECTOR

Address: 22 BOXTREE ROAD HARROW MIDDLESEX HA3 6TG.

Only complete if the examiner needs to highlight matters of concern (see CC32, Independent examination of charity accounts: directions and guidance for examiners).

Give here brief details of any items that the examiner wishes to disclose.
