ACHIEVEMENTS AND PERFORMANCE

Since the loss of a key trustee, Hope has reduced its services to the local community. Nonetheless, Hope took the time to review the various options available to it and has recommitted itself to providing services for its local community going forward. The focus of these services will be to provide pastoral care to the local community in the form of mentoring and coaching in communication skills, conflict resolution, preparing for marriage seminars and good understanding of a positive self-image.

Plans:

1. Continue to support local families and relationships fostering positive communication skills to maximise their relationship satisfaction
2. Continues to offer counselling dealing with relational conflicts, grief, pre-marital issues and a positive self.

These are the plans **HOPE** has going forward.
