Chiltern Samaritans Report of the Trustees For the year ended 31 March 2024

The Trustees have pleasure in presenting their report and the financial statements for the charity for the year ended 31 March 2024. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Chiltern Samaritans is an affiliate of Samaritans (Charity Number 219432) and an independent charity registered with the Charity Commission. Chiltern Samaritans was founded in 1967. The branch was registered as the Samaritans of the Chilterns in April 1969 and was registered as CIO-Association under the current name in July 2017.

Objectives and aims

The charitable objectives are to enable persons in Amersham, High Wycombe and the surrounding areas as well as elsewhere who are experiencing feelings of distress or despair, including those who may be at risk of suicide, to receive confidential emotional support at any time of day or night in order to improve their emotional health and to reduce the incidence of suicide; to promote a better understanding in society of suicide, suicidal behaviour and the value of expressing feelings which may otherwise lead to suicide or impaired emotional health; and to collaborate with and support Samaritans Central Charity and its affiliated branches on fulfilling these objects.

These are currently delivered by 120 Listening Volunteers and 12 Support Volunteers who provide emotional support by telephone, by e-mail, by online chat, and by face-to-face meetings from premises in Amersham. The volunteers also provide emotional support outside the branch including to local schools and at railway stations in the area.

The Trustees have agreed a vision and set of actions for Chiltern Samaritans: To achieve Samaritans' vision of fewer people dying by suicide we will support our callers on all channels, grow sustainably, engage with our local community and nurture a strong branch culture. Complete the branch move to new, larger premises. Plan and implement a strategy for increasing volunteer numbers covering: recruitment, rota shape, volunteer retention, training and day leader resourcing. Develop an outreach strategy which delivers the best impact possible for the resources we have and engages with the local community. Plan for using legacies to deliver outcomes for Samaritans centrally and the branch. Conduct a feasibility study into setting up a satellite branch in Aylesbury or High Wycombe.

Statement on public benefit

The trustees have considered the Charity Commission's guidance on public benefit, including the guidance 'public benefit: running a charity (PB2)'.

Chiltern Samaritans exists to achieve Samaritans' vision of fewer people dying by suicide. We do this by providing emotional support to anyone in distress, struggling to cope, or at risk of suicide. Our services are available to people of all backgrounds, ages, and walks of life.

Through our telephone helpline, e-mail support, online chat, face-to-face support, we aim to reduce feelings of isolation and despair. By offering a non-judgmental listening ear, we aim to help people to explore their feelings and, if appropriate, seek solutions in their own time. In 2023/2024 our Listening Volunteers spent 3,514 hours providing emotional support to callers.

We also work to increase public awareness about mental health and suicide prevention by engaging with local schools, workplaces, and community groups. This includes secondary schools, railway stations - including providing post-vention support where there has been a suicide - local groups who support those who may be struggling with their mental health, and participating in the Buckinghamshire Multi-Agency Suicide Prevention Group. We also provide training and support to the Samaritans Listener scheme at HMP Aylesbury.

Chiltern Samaritans provides support to children and adults with safeguarding procedures in place for children (under 18) and vulnerable adults. Our Listening Volunteers are provided with extensive training to deliver our services and this is reinforced with ongoing mentoring and continuous development. Our system of shift leaders ensures that our Listening Volunteers are always supported in their duties and have a space to download their experiences from their duties.

For the year ended 31 March 2024

ACHIEVEMENTS AND PERFORMANCE

Significant activities

Outreach:

We now have 27 volunteers trained to give emotional support outside the branch, so we have been able to visit Haddenham station (after a suicide), and Amersham, Beaconsfield, Aylesbury, Little Chalfont, Tring and High Wycombe stations, either for Brew Monday or in support of the Small Talk Saves Lives campaign, or on World Suicide Prevention Day.

We have been represented at an increasing number of community events such as the Amersham Christmas Festival, Chalfont St Peter Feast Day, Chesham Health Awareness Day, Chesham Literary Society prize-giving (the theme was mental health) and Chesham Peace in the Park: unfortunately, adverse weather conditions made it unsafe to attend the Aylesbury Live in the Park event. This year we have given school talks at John Colet and Dr Challoner's Grammar schools, and a major aim for next year is to add other schools, with the help of our new Support Volunteer Chris.

Prisons:

Our local prison in Aylesbury has now become an adult male prison, Category C, having been a Young Offenders Institution for the last 20 years. As a result of this change, we have received quite a few Listeners trained in other prisons, e.g. Wandsworth, Woodhill and Elmley, who have bolstered our Listener numbers as our own men have progressed to Category D prisons. This has enabled us to keep a good supply of trained Listeners able to support those in need. Listener numbers have been as high as 20 but with the early release scheme about to take effect, we are expecting to have to train a new cohort in late 2024.

Our Regional Prison Support Officer, who looks after ten prisons in Samaritan's southern region, has been on hand to support all the branch prison teams by email and telephone and has visited all the prisons during the last 12 months, including those on the Isle of Wight and the Channel Islands.

Fundraising:

The 2024 Cycling Sportive welcomed over 400 riders and though it had quite a damp start, the skies improved and everyone who took part enjoyed their rides. The event raised a magnificent £22,000, thanks to some larger sums from riders who were sponsored. The largest of these attended on the day, having just completed an off-road Lands End to John O'Groats ride.

We also raised money by shaking tins - real and electronic - at several local events, including over £800 after a Sarah Millican show in High Wycombe. She's a great supporter of Samaritans.

We'd like to express our thanks to all those who have contributed to Chiltern Samaritans during the past 12 months.

Businesses/Organisations:

The Entertainer, SHJ Medical Gas Specialists, Chesham Graphics Design, CJ O'Shea & Co, RH Amar, St Michael's Church Amersham.

In addition, we give our special thanks to the numerous individual donors, and those who have given a donation.

Reserves

Reserves Policy: Total reserves at the year end were £1,857,158, all of which were unrestricted. The reserves policy of Chiltern Samaritans aims to ensure the charity remains financially stable and can continue to achieve its objectives even in times of uncertainty or unexpected financial pressures. Reserves are maintained to: Provide a financial cushion to protect against unforeseen costs or losses of income. Ensure the charity can meet its commitments and continue operations in the short term if income fluctuates. Support planned future activities, projects, or investment needs. Reserves are that part of the charity's unrestricted funds that are freely available for its general purposes. This excludes: Restricted funds: Funds received for specific purposes, which must be spent in accordance with donor intentions.

Designated funds: Funds set aside by the Trustees for a specific purpose. **Fixed assets:** Tangible or intangible assets used for operational purposes. The Trustees have agreed that the appropriate level of reserves for Chiltern Samaritans is equivalent to 3 years of operational expenditure. Based on an annual expenditure of approximately £40,000, this equates to reserves of £120,00 to £150,000. This level is considered sufficient to: Cover essential costs in case of a significant reduction in income; Allow for orderly wind-down of operations, if necessary; Provide flexibility for unexpected costs or opportunities.

Financial Contribution to Samaritans Central Charity. As an Affiliate Branch of Samaritans Central Charity, Chiltern Samaritans is required to pay an annual contribution to support the provision of Samaritans services. This comprises a charge on total branch income of 4%. Deduction is allowed for fundraising costs incurred, restricted income and grants received from SCC. There is also a contribution based on sliding scale of reserves held in excess of 18 months of total annual unrestricted revenue expenditure as follows: Reserves in the range: Percentage applied to each segment 18 months to 2 years - 5%; 2-3 years - 10%; 3-4 years - 20%; 4-5 years - 30%; In excess of 5 years - 40%.

Going concern

No material uncertainties exist about the ability of the Charity to continue as a going concern for the foreseeable future. Our cashflow forecasts and budgets do not suggest that there is any reason for concern. The trustees have no areas of concern.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

Chiltern Samaritans is an affiliate of Samaritans (Charity Number 219432) and an independent charity registered with the Charity Commission. Chiltern Samaritans was founded in 1967. The branch was registered as the Samaritans of the Chilterns in April 1969 and was registered as CIO-Association under the current name in July 2017.

The Trustees are all unpaid. Our values guide the Charity's decision making and place the well-being of our volunteers and our callers first. The Trustees operate in line with the Branch Constitution and the Operating Agreement with Samaritans Central Charity (SCC).

Trustee Induction and Training: Once a trustee is elected by the branch membership, they are required to complete a comprehensive induction process. This is overseen by the Branch Governance Officer, and follows the guidance provided by Samaritans Central Charity (SCC). 1. Completion of a Declaration of Interests form which is added to the Chiltern Samaritans Trustees' Register of Interests. 2. Provision of their personal details to the Governance Officer who updates the Branch entry on the Charity Commission website. 3. They complete the Trustee online training provided by SCC. 4. They are provided with several essential documents which they must confirm they have read. 5. Trustee role description which outlines their duties. 6. The Essential Trustee (from the Charity Commission). 7. Chiltern Branch Code of Conduct for Trustees. 8. Chiltern Branch Conflict of Interest Policy. 9. Financial Controls. 10. Most recent Annual Report and Accounts. 11. Branch Constitution. 12. Branch Operating Agreement. 13. Branch Risk Register. 14. Data Protection Policy.

They must ensure they are up to date in the online safeguarding training provided by SCC. (This is especially important if a trustee is not a listening volunteer. Trustees who are Listening Volunteers will have already completed this as it is mandatory for them.)

They are also encouraged to read minutes of the most recent Trustees' meetings, and access the Governance section of our database on 3Rings which contains all relevant branch governance policies.

They are provided with links to the relevant web pages of the Charity Commission.

The Board of Trustees: The Board administers the Charity and fulfills the Trustees' legal duty by ensuring that funds are spent in accordance with the objects of the Charity. The board meets at least four times a year and is responsible for approving strategic plans, the annual budget and the Trustees' report. The annual accounts are approved at the Annual General Meeting.

At each meeting the Trustees receive reports on financial results and activity levels, and the progress made against the annual budget to ensure that they can exercise their fiduciary responsibilities. The Trustees are encouraged to attend relevant training courses where appropriate.

Leadership Structure: The operational activities of Chiltern Samaritans are managed by a volunteer leadership team led by the Branch Director who is also Chair of the Trustees. The leadership team comprises the following roles: recruitment of new Samaritans, training of new Samaritans, management of a team of shift leaders who support the volunteers on duty, service delivery and management of the volunteering rota, volunteer care, fundraising and outreach. The Treasurer is also a member of the leadership team.

Branch Directors are appointed for a three-year term. In December 2023 Stephen Weir's term as Director ended and Amanda Weaver became the new Director.

Objectives and Activities: In line with our objectives, Chiltern Samaritans provides emotional support by telephone, e-mail, online chat and face-to-face meetings to callers experiencing distress and despair. The branch is open 7 days a week from 00.70 am 03.30 am (face to face support is only provided from 09.00-18.00). There are also occasional shifts to cover the hours between 03.00 and 07.00. There are a minimum of two volunteers per shift with occasional duties having three or four volunteers.

Strategic Update: During 2024/25 Chiltern Samaritans have sold their premises at 149 Station Road Amersham and, following period in temporary rented accommodation, will move to 152 Station Road, Amersham in March 2025. This has been made possible by several generous legacies. The new premises are larger and the Branch is looking to grow its volunteering base and will deliver three training course a year of up to 12 trainees on each course. The move to new premises will also be used to strengthen the Branch's interaction with the local community.

The Branch supports Outreach in the community including schools and railway stations. It also support a Listener programme in HMP Aylesbury.

The essential role of the volunteers: The activities of Chiltern Samaritans are totally delivered by volunteers. Our Listening

Chiltern Samaritans
Report of the Trustees Continued
For the year ended 31 March 2024

Volunteers commit to spending 2-2.75 hours a week on shift supporting our callers. Many volunteers, Listening and Support, also contribute considerable additional time to roles including branch leadership, governance, and technical and maintenance support.

The charity does not employ the services of professional fundraiser and is, therefore, not registered with the Fundraising Regulator. No complaints have been raised during the year.

Chiltern Samaritans
Independent Examiners Report to the Trustees
For the year ended 31 March 2024

I report to the trustees on my examination of the accounts of the charity for the year ended 31 March 2024.

Responsibilities and basis of report

As the charity trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiners statement

Since the Charity's gross income exceeded £250,000, your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination by virtue of my membership of Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

On 25 September 2024 the Charity Commission granted an audit dispensation to the Charity under regulation 34(3)(b) of the Charities (Accounts and Reports) Regulations 2008. Therefore, no audit has been undertaken by the Trustees but an Independent Examination has taken place instead of an audit (Regulation 31(f)). This dispensation is for the year ended 31 March 2024 and allows for an Independent Examination in place of an Audit.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Chiltern Samaritans
Notes to the Financial Statements
For the year ended 31 March 2024

1. Accounting Policies

Basis of accounting

The financial statements have been prepared under the historical cost convention, except for investments which are included at market value and the revaluation of certain fixed assets and in accordance with the Charities SORP (FRS 102) Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), and the Charities Act 2011.

Chiltern Samaritans meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

Going concern

No material uncertainties exist about the ability of the Charity to continue as a going concern for the foreseeable future. Our cashflow forecasts and budgets do not suggest that there is any reason for concern. The trustees have no areas of concern.

Statement of cash flows

The Trustees have taken advantage of the exemption in SORP FRS 102 from including a cash flow statement in the financial statements on the grounds that the charity is small.

Funds

General funds are unrestricted fund which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Designated funds would comprise unrestricted funds that have been set aside by the Trustees for particular purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purpose.

Incoming resources

Whilst all income is recognised once the company has entitlement to the income, it is probable that the income will be received, and the amount of income receivable can be measured reliably.

For legacies, entitlement is taken as the earlier of the date on which either; the company is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the Charity that distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the Charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the Charity, or the Charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

Resources expended

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measure reliably.

Taxation

The Charity is not liable to corporation tax on its charitable income or capital gains by virtue of its charitable status.

Tangible fixed assets

Tangible fixed assets, other than freehold land, are stated at cost or valuation less depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following basis:

Land and Buildings

2% Straight line

Debtors

Trade and other debtors are recognised at the settlement amount after any trad discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Chiltern Samaritans
Notes to the Financial Statements Continued
For the year ended 31 March 2024

Liabilities and Provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the company anticipates it will pay to settle the debt or the amount it has received as advanced payments for goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation.

2. Income from donations and legacies

	2024	2023
	£	£
Unrestricted funds		
Donations received	65,638	56,388
Legacies received	1,007,799	73,406

Chiltern Samaritans

Report of the Trustees

For the year ended 31 March 2024

The Trustees have pleasure in presenting their report and the financial statements for the charity for the year ended 31 March 2024. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Chiltern Samaritans is an affiliate of Samaritans (Charity Number 219432) and an independent charity registered with the Charity Commission. Chiltern Samaritans was founded in 1967. The branch was registered as the Samaritans of the Chilterns in April 1969 and was registered as CIO-Association under the current name in July 2017.

Objectives and aims

The charitable objectives are to enable persons in Amersham, High Wycombe and the surrounding areas as well as elsewhere who are experiencing feelings of distress or despair, including those who may be at risk of suicide, to receive confidential emotional support at any time of day or night in order to improve their emotional health and to reduce the incidence of suicide; to promote a better understanding in society of suicide, suicidal behaviour and the value of expressing feelings which may otherwise lead to suicide or impaired emotional health; and to collaborate with and support Samaritans Central Charity and its affiliated branches on fulfilling these objects.

These are currently delivered by 120 Listening Volunteers and 12 Support Volunteers who provide emotional support by telephone, by e-mail, by online chat, and by face-to-face meetings from premises in Amersham. The volunteers also provide emotional support outside the branch including to local schools and at railway stations in the area.

The Trustees have agreed a vision and set of actions for Chiltern Samaritans: To achieve Samaritans' vision of fewer people dying by suicide we will support our callers on all channels, grow sustainably, engage with our local community and nurture a strong branch culture. Complete the branch move to new, larger premises. Plan and implement a strategy for increasing volunteer numbers covering: recruitment, rota shape, volunteer retention, training and day leader resourcing. Develop an outreach strategy which delivers the best impact possible for the resources we have and engages with the local community. Plan for using legacies to deliver outcomes for Samaritans centrally and the branch. Conduct a feasibility study into setting up a satellite branch in Aylesbury or High Wycombe.

Statement on public benefit

The trustees have considered the Charity Commission's guidance on public benefit, including the guidance 'public benefit: running a charity (PB2)'.

Chiltern Samaritans exists to achieve Samaritans' vision of fewer people dying by suicide. We do this by providing emotional support to anyone in distress, struggling to cope, or at risk of suicide. Our services are available to people of all backgrounds, ages, and walks of life.

Through our telephone helpline, e-mail support, online chat, face-to-face support, we aim to reduce feelings of isolation and despair. By offering a non-judgmental listening ear, we aim to help people to explore their feelings and, if appropriate, seek solutions in their own time. In 2023/2024 our Listening Volunteers spent 3,514 hours providing emotional support to callers.

We also work to increase public awareness about mental health and suicide prevention by engaging with local schools, workplaces, and community groups. This includes secondary schools, railway stations - including providing post-vention support where there has been a suicide - local groups who support those who may be struggling with their mental health, and participating in the Buckinghamshire Multi-Agency Suicide Prevention Group. We also provide training and support to the Samaritans Listener scheme at HMP Aylesbury.

Chiltern Samaritans provides support to children and adults with safeguarding procedures in place for children (under 18) and vulnerable adults. Our Listening Volunteers are provided with extensive training to deliver our services and this is reinforced with ongoing mentoring and continuous development. Our system of shift leaders ensures that our Listening Volunteers are always supported in their duties and have a space to download their experiences from their duties.

For the year ended 31 March 2024

ACHIEVEMENTS AND PERFORMANCE

Significant activities

Outreach:

We now have 27 volunteers trained to give emotional support outside the branch, so we have been able to visit Haddenham station (after a suicide), and Amersham, Beaconsfield, Aylesbury, Little Chalfont, Tring and High Wycombe stations, either for Brew Monday or in support of the Small Talk Saves Lives campaign, or on World Suicide Prevention Day.

We have been represented at an increasing number of community events such as the Amersham Christmas Festival, Chalfont St Peter Feast Day, Chesham Health Awareness Day, Chesham Literary Society prize-giving (the theme was mental health) and Chesham Peace in the Park: unfortunately, adverse weather conditions made it unsafe to attend the Aylesbury Live in the Park event. This year we have given school talks at John Colet and Dr Challoner's Grammar schools, and a major aim for next year is to add other schools, with the help of our new Support Volunteer Chris.

Prisons:

Our local prison in Aylesbury has now become an adult male prison, Category C, having been a Young Offenders Institution for the last 20 years. As a result of this change, we have received quite a few Listeners trained in other prisons, e.g. Wandsworth, Woodhill and Elmley, who have bolstered our Listener numbers as our own men have progressed to Category D prisons. This has enabled us to keep a good supply of trained Listeners able to support those in need. Listener numbers have been as high as 20 but with the early release scheme about to take effect, we are expecting to have to train a new cohort in late 2024.

Our Regional Prison Support Officer, who looks after ten prisons in Samaritan's southern region, has been on hand to support all the branch prison teams by email and telephone and has visited all the prisons during the last 12 months, including those on the Isle of Wight and the Channel Islands.

Fundraising:

The 2024 Cycling Sportive welcomed over 400 riders and though it had quite a damp start, the skies improved and everyone who took part enjoyed their rides. The event raised a magnificent £22,000, thanks to some larger sums from riders who were sponsored. The largest of these attended on the day, having just completed an off-road Lands End to John O'Groats ride.

We also raised money by shaking tins - real and electronic - at several local events, including over £800 after a Sarah Millican show in High Wycombe. She's a great supporter of Samaritans.

We'd like to express our thanks to all those who have contributed to Chiltern Samaritans during the past 12 months.

Businesses/Organisations:

The Entertainer, SHJ Medical Gas Specialists, Chesham Graphics Design, CJ O'Shea & Co, RH Amar, St Michael's Church Amersham.

In addition, we give our special thanks to the numerous individual donors, and those who have given a donation.

Reserves

Reserves Policy: Total reserves at the year end were £1,857,158, all of which were unrestricted. The reserves policy of Chiltern Samaritans aims to ensure the charity remains financially stable and can continue to achieve its objectives even in times of uncertainty or unexpected financial pressures. Reserves are maintained to: Provide a financial cushion to protect against unforeseen costs or losses of income. Ensure the charity can meet its commitments and continue operations in the short term if income fluctuates. Support planned future activities, projects, or investment needs. Reserves are that part of the charity's unrestricted funds that are freely available for its general purposes. This excludes: Restricted funds: Funds received for specific purposes, which must be spent in accordance with donor intentions.

Designated funds: Funds set aside by the Trustees for a specific purpose. **Fixed assets:** Tangible or intangible assets used for operational purposes. The Trustees have agreed that the appropriate level of reserves for Chiltern Samaritans is equivalent to 3 years of operational expenditure. Based on an annual expenditure of approximately £40,000, this equates to reserves of £120,00 to £150,000. This level is considered sufficient to: Cover essential costs in case of a significant reduction in income; Allow for orderly wind-down of operations, if necessary; Provide flexibility for unexpected costs or opportunities.

Financial Contribution to Samaritans Central Charity. As an Affiliate Branch of Samaritans Central Charity, Chiltern Samaritans is required to pay an annual contribution to support the provision of Samaritans services. This comprises a charge on total branch income of 4%. Deduction is allowed for fundraising costs incurred, restricted income and grants received from SCC. There is also a contribution based on sliding scale of reserves held in excess of 18 months of total annual unrestricted revenue expenditure as follows: Reserves in the range: Percentage applied to each segment 18 months to 2 years - 5%; 2-3 years - 10%; 3-4 years - 20%; 4-5 years - 30%; In excess of 5 years - 40%.

Going concern

No material uncertainties exist about the ability of the Charity to continue as a going concern for the foreseeable future. Our cashflow forecasts and budgets do not suggest that there is any reason for concern. The trustees have no areas of concern.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

Chiltern Samaritans is an affiliate of Samaritans (Charity Number 219432) and an independent charity registered with the Charity Commission. Chiltern Samaritans was founded in 1967. The branch was registered as the Samaritans of the Chilterns in April 1969 and was registered as CIO-Association under the current name in July 2017.

The Trustees are all unpaid. Our values guide the Charity's decision making and place the well-being of our volunteers and our callers first. The Trustees operate in line with the Branch Constitution and the Operating Agreement with Samaritans Central Charity (SCC).

Trustee Induction and Training: Once a trustee is elected by the branch membership, they are required to complete a comprehensive induction process. This is overseen by the Branch Governance Officer, and follows the guidance provided by Samaritans Central Charity (SCC). 1. Completion of a Declaration of Interests form which is added to the Chiltern Samaritans Trustees' Register of Interests. 2. Provision of their personal details to the Governance Officer who updates the Branch entry on the Charity Commission website. 3. They complete the Trustee online training provided by SCC. 4. They are provided with several essential documents which they must confirm they have read. 5. Trustee role description which outlines their duties. 6. The Essential Trustee (from the Charity Commission). 7. Chiltern Branch Code of Conduct for Trustees. 8. Chiltern Branch Conflict of Interest Policy. 9. Financial Controls. 10. Most recent Annual Report and Accounts. 11. Branch Constitution. 12. Branch Operating Agreement. 13. Branch Risk Register. 14. Data Protection Policy.

They must ensure they are up to date in the online safeguarding training provided by SCC. (This is especially important if a trustee is not a listening volunteer. Trustees who are Listening Volunteers will have already completed this as it is mandatory for them.)

They are also encouraged to read minutes of the most recent Trustees' meetings, and access the Governance section of our database on 3Rings which contains all relevant branch governance policies.

They are provided with links to the relevant web pages of the Charity Commission.

The Board of Trustees: The Board administers the Charity and fulfills the Trustees' legal duty by ensuring that funds are spent in accordance with the objects of the Charity. The board meets at least four times a year and is responsible for approving strategic plans, the annual budget and the Trustees' report. The annual accounts are approved at the Annual General Meeting.

At each meeting the Trustees receive reports on financial results and activity levels, and the progress made against the annual budget to ensure that they can exercise their fiduciary responsibilities. The Trustees are encouraged to attend relevant training courses where appropriate.

Leadership Structure: The operational activities of Chiltern Samaritans are managed by a volunteer leadership team led by the Branch Director who is also Chair of the Trustees. The leadership team comprises the following roles: recruitment of new Samaritans, training of new Samaritans, management of a team of shift leaders who support the volunteers on duty, service delivery and management of the volunteering rota, volunteer care, fundraising and outreach. The Treasurer is also a member of the leadership team.

Branch Directors are appointed for a three-year term. In December 2023 Stephen Weir's term as Director ended and Amanda Weaver became the new Director.

Objectives and Activities: In line with our objectives, Chiltern Samaritans provides emotional support by telephone, e-mail, online chat and face-to-face meetings to callers experiencing distress and despair. The branch is open 7 days a week from 00.70 am 03.30 am (face to face support is only provided from 09.00-18.00). There are also occasional shifts to cover the hours between 03.00 and 07.00. There are a minimum of two volunteers per shift with occasional duties having three or four volunteers.

Strategic Update: During 2024/25 Chiltern Samaritans have sold their premises at 149 Station Road Amersham and, following period in temporary rented accommodation, will move to 152 Station Road, Amersham in March 2025. This has been made possible by several generous legacies. The new premises are larger and the Branch is looking to grow its volunteering base and will deliver three training course a year of up to 12 trainees on each course. The move to new premises will also be used to strengthen the Branch's interaction with the local community.

The Branch supports Outreach in the community including schools and railway stations. It also support a Listener programme in HMP Aylesbury.

The essential role of the volunteers: The activities of Chiltern Samaritans are totally delivered by volunteers. Our Listening

Chiltern Samaritans
Report of the Trustees Continued
For the year ended 31 March 2024

Volunteers commit to spending 2-2.75 hours a week on shift supporting our callers. Many volunteers, Listening and Support, also contribute considerable additional time to roles including branch leadership, governance, and technical and maintenance support.

The charity does not employ the services of professional fundraiser and is, therefore, not registered with the Fundraising Regulator. No complaints have been raised during the year.

Chiltern Samaritans
Independent Examiners Report to the Trustees
For the year ended 31 March 2024

I report to the trustees on my examination of the accounts of the charity for the year ended 31 March 2024.

Responsibilities and basis of report

As the charity trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiners statement

Since the Charity's gross income exceeded £250,000, your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination by virtue of my membership of Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

On 25 September 2024 the Charity Commission granted an audit dispensation to the Charity under regulation 34(3)(b) of the Charities (Accounts and Reports) Regulations 2008. Therefore, no audit has been undertaken by the Trustees but an Independent Examination has taken place instead of an audit (Regulation 31(f)). This dispensation is for the year ended 31 March 2024 and allows for an Independent Examination in place of an Audit.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Chiltern Samaritans
Notes to the Financial Statements
For the year ended 31 March 2024

1. Accounting Policies

Basis of accounting

The financial statements have been prepared under the historical cost convention, except for investments which are included at market value and the revaluation of certain fixed assets and in accordance with the Charities SORP (FRS 102) Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), and the Charities Act 2011.

Chiltern Samaritans meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

Going concern

No material uncertainties exist about the ability of the Charity to continue as a going concern for the foreseeable future. Our cashflow forecasts and budgets do not suggest that there is any reason for concern. The trustees have no areas of concern.

Statement of cash flows

The Trustees have taken advantage of the exemption in SORP FRS 102 from including a cash flow statement in the financial statements on the grounds that the charity is small.

Funds

General funds are unrestricted fund which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Designated funds would comprise unrestricted funds that have been set aside by the Trustees for particular purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purpose.

Incoming resources

Whilst all income is recognised once the company has entitlement to the income, it is probable that the income will be received, and the amount of income receivable can be measured reliably.

For legacies, entitlement is taken as the earlier of the date on which either; the company is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the Charity that distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the Charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the Charity, or the Charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

Resources expended

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measure reliably.

Taxation

The Charity is not liable to corporation tax on its charitable income or capital gains by virtue of its charitable status.

Tangible fixed assets

Tangible fixed assets, other than freehold land, are stated at cost or valuation less depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following basis:

Land and Buildings	2% Straight line
--------------------	------------------

Debtors

Trade and other debtors are recognised at the settlement amount after any trad discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Chiltern Samaritans
Notes to the Financial Statements Continued
For the year ended 31 March 2024

Liabilities and Provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the company anticipates it will pay to settle the debt or the amount it has received as advanced payments for goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation.

2. Income from donations and legacies

	2024	2023
	£	£
Unrestricted funds		
Donations received	65,638	56,388
Legacies received	1,007,799	73,406

CHARITY COMMISSION
FOR ENGLAND AND WALES

Our ref: C-133576-P6G2

Date: 25th September 2024

Dear Amanda Weaver,

Thank you for your application for dispensation from the accounts scrutiny requirements of section 144(2) of the Charities Act 2011.

An audit dispensation is granted for CHILTERN SAMARITANS: 1173838 under Regulation 34(3)(b) of the Charities (Accounts and Reports) Regulations 2008.

This dispensation is for the financial year ended 31st March 2024 only, and allows an independent examination in place of an audit for this year.

The dispensation is given based upon the information provided by the trustees that:

- the exceptional circumstances outlined mean that an audit would be disproportionate;
- there are no constitutional or other requirements on the charity which require an audit; and
- the charity is not incorporated under company law.

The independent examiner's report must disclose that the examination has taken place instead of an audit (Regulation 31(f)), and state the date of this dispensation.

The trustees must send the Commission the report and accounts of the charity for the financial year to which this dispensation applies.

Yours sincerely,

Laura Dalby
