ANNUAL REPORT 2023/2024

This financial year SOSW did not carry out any fundraising activities as in April 2023 the “cost of living crisis” was a real issue for most of the general public.

Here is a summary of the year. We started the year with a total of £461.94 in the bank. Throughout the year we received a total of £330.98 made up of £248.82 from Paypal Giving Fund, £22.16 from Amazon Gift Aid and £60.00 from an individual supporter.

We continued to help individuals throughout the year with advice on where to find help, particularly things like financial help. We have seen a few new groups come along with two groups in particular, one in Morriston, Swansea and one in Trallwn, Swansea. Three groups have benefitted from a grant of £260.00 that we allocated at the end of the financial year to help them continue their good work.

We ended the year with £10.00 in the bank.

Finally, the trustees of SOSW would like to thank all those for their support of SOSW, and ask that you all stay safe and healthy and take very good care of yourselves.

sincerely

Throughout the year we received a total of £4882.46 through the SOSW Lucky Lotto, sponsored walk and donations, we continued support of The Tea n Natter mornings in both Neath and in Port Talbot and also of local stroke groups to the total sum of £7188.66

ANNUAL REPORT 2021/2022

This year has been dominated by covid and has resulted in an extremely difficult year for us regarding income received and our ability to fundraise. Covid restrictions were eased as we progressed throughout 2021 but a second wave brought a second lockdown in the latter part of 2021. We were unable to carry out our annual sponsored walks and had to keep the SOSW Lucky Lotto suspended. Some groups have been hit hard with a sizable minority of members having passed away during the past year and are now in the process of trying to re start meetings where it is safe to do so. SOSW Trustees decided to plan a start in April 2022 with the SOSW Lucky Lotto followed by the sponsored walk events in September and December

We began 2021 with £2647.52 in the charity account. We were fortunate to receive donations throughout the year from Paypal Giving Fund along with some individual donations to the total sum of £1206.47. Our total expenditure this year has been £1595.00 with SOSW being able to help support local stroke groups as well as support new support groups in Neath and Port Talbot. Our closing balance stands at £2768.14

The Trustees would like to thank all those for their support of the charity and once again ask that you all stay safe and healthy. We look forward to this next year with positivity and hope to put covid behind us and for us all to try and move forward with our rehabilitation.

sincerely

ANNUAL REPORT 2020/2021

As stated in last years Annual Report, this financial year (2020/2021) saw no events due to the Coronavirus pandemic.

We began the year (1st April 2020) with a balance of £2087.50 in the bank and with income over the year totalling £740.02 and expenditure at £180.00 we closed 2020/2021 (31/03/2021) with a balance of £2647.52

2021/2022 looks at the moment to be uncertain as we are still in the grips of the coronavirus pandemic with restrictions still in place which has resulted in the trustees deciding that SOSW should look to plan activities to start again in April 2022. Therefor we are expecting this next year to be a difficult one but we hope that we can continue to help and support stroke survivors and groups in their efforts to regain as much of their independence as possible following their stroke where it is safe to do so.

Finally, the trustees of SOSW would like to thank all those for their support of SOSW, and ask that you all stay safe and healthy through this uncertain time and we look forward to your continued support in the years ahead.

sincerely
