ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 2023

The trustees present their annual report and financial statements of the charity for the year ended 31 March 2023. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Charities Act 2011 and the Statement of Recommended Practice: Accounting and Reporting by Charities (FRS 102).

Structure governance and management

The Trust is a registered charity, number 1174098, and is formed under a Constitution dated 3 July 2017. The trustees who have served during the year are set out on page 1. The first trustees were selected by the Chair to reflect a range of skills and experience. Future trustees will be identified and appointed by the continuing trustees. The Constitution provides for a minimum of 3 trustees to a maximum of 12 trustees, with any future trustees to be appointed to serve for 3 years. The induction process for new trustees includes an initial meeting with the Chair and other trustees and all trustees are given a copy of the Constitution and the latest annual report.

At their quarterly meetings, the trustees agree the broad strategy and areas of activity for the Trust, including consideration of grant making, reserves and risk management policies. The day to day administration of grants and holiday home places is delegated to one of the trustees and the administrator. Decisions are made by a majority vote of the trustees.

All trustees (who comprise the key management personnel) give of their time freely and no trustee remuneration was paid in the year, other than as disclosed in note 4. Related party transactions are disclosed in note 13 to the accounts.

Risk management

The trustees have considered the major risks to which the charity is exposed and have reviewed those risks and established systems and procedures to manage them.

Objects and activities for the public benefit

The objects of the Trust are to support children, young people and their families who are in need by reason of financial hardship, ill health, disability or other disadvantage. The current focus of the Trust is on those who have are, or have been, in the care system with a focus on attachment and having the objective of making every school in the country attachment aware.

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and planning future activities and setting the grant making policy for this year.

The Trust carries out these objects by:

- Offering free holiday home places to foster families;
- Promoting attachment awareness in schools and in the general public through the distribution of free books for teachers, other professionals and parents on attachment;
- Supporting research into attachment;
- Encouraging more people to become foster carers;
- Funding research into ways to streamline children's social services
- Offering bursaries to schools for enrichment activities; and
- Offering one off grants to small charities working with children and young people.

Achievements and performance

Our main source of donations is from tin collections in the Timpson Group branches. During the year we received donations of £315,000 (2022 - £253,000) from these tin collections which is a phenomenal amount and we would like to take this opportunity to thank the customers of the Timpson Group for their continued support and generosity during these times of economic uncertainty.

These donations enabled us to send 111 (2022: 50) foster families on holiday during the year plus a further 8 (2022: 10) families attended the Festival of Sport weekend event, whilst continuing to support research and training in attachment.

ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 2023

Future plans

We will continue working to spread an awareness of attachment to all schools in the country and promoting foster caring. We are focussing on increasing our profile on social media and also networking with various organisations, local authorities and foster agencies with the aim to be able to send even more foster families on holiday.

Balance sheet

The Trust has net assets of £260,845 (2022 - £281,080).

Reserves

Reserves at the year end are £260,845. The Trust has sufficient assets to meet all contracted liabilities at the balance sheet date.

Reserves policy

The trustees will ensure that the Trust has three months of forecast expenditure in its reserves at all times and six months when possible. Forecast general expenditure for 2023/24 is £430k, so there is more than 6 months forecast expenditure currently in free reserves.

Investment policy

The trustees have an obligation to secure the best financial return within agreed levels of risk. As most of the charity's funds are spent in the short term it leaves few opportunities for longer term investment as the trustees would always wish to have a level of available funds to meet the obligations as they fall due.

Signed on behalf of the trustees

Chairman

NOTES TO THE FINANCIAL STATEMENTS

1. ACCOUNTING POLICIES

1.1 Basis of preparing the financial statements

These financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these Financial Statements. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and Charities Act 2011.

The Alex Timpson Trust constitutes a public benefit entity as defined by FRS 102.

The current accounting year runs from 1 April 2022 to 31 March 2023. The comparative period is for the year ended 31 March 2022.

1.2 Going concern

There are no material uncertainties related to events or conditions that may cast significant doubt upon the charity's ability to continue as a going concern. Our major corporate donor, Timpson Limited intends to allow the charity to keep collection boxes in its stores (which are our major income source) for the foreseeable future. We have looked at a period of at least 12 months from the date of signature of the accounts in considering going concern.

1.3 Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and have not been designated for other purposes.

Designated unrestricted funds are designated for particular purposes by the trustees.

1.4 Income

All income is included in the Statement of Financial Activities when the charity has entitlement to the funds, probability of receipt and the amount can be measured with sufficient reliability. Income from tin donations is recognised when the funds are received into the Trust's bank account.

1.5 Expenditure

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are not accrued as expenditure.

Expenditure is recognised once there is a legal or constructive obligation to make payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses including support costs are allocated to the applicable expenditure headings and activities of the charity.
