Activities

Objects: TO PRESERVE AND PROTECT THE GOOD HEALTH OF YOUNG PEOPLE WITH BOTH PHYSICAL AND MENTAL HEALTH ISSUES THROUGH THE USE OF MUSIC TO HELP RELIEVE THEIR CONDITION.

Activities: We raise money to support young people with mental health issues. We do this by holding music events in Nottingham. We also organise other activities such as sponsored marathons and corporate events. We currently support OPUS which is an organisation that goes into hospitals to work with patients by engaging them in high quality music activities to the benefit of their health and wellbeing.
