Trustees' Report

The Trustees present their annual report together with the financial statements and examiners' report of the Clitheroe Royal Grammar School Foundation for the year ended 31 August 2022.

1. Structure Governance and Management

1.1. Constitution:

The Clitheroe Royal Grammar School Foundation (the "Foundation") is a Charitable Incorporated Organisation, registered charity; No. 1174177 (England and Wales)

The Foundation is governed by:

The Constitution of the Clitheroe Royal Grammar School Foundation, approved by the Charity Commission on 8 August 2017

1.2. Trustees:

The Foundation's Constitution states that there shall be no less than five and no more than eight Appointed Trustees together with two Nominated Trustees. One of the Nominated Trustees is to be nominated by the Parent Governors of Clitheroe Royal Grammar School (CRGS) and the other by the Ribble Valley Borough Council (RVBC).

As of the date of this report, the Board of Trustees is made up of six Appointed Trustees and one Nominated Trustee. Currently the position of the Nominated Trustee by RVBC is vacant. This is because RVBC have informed the Trustees, that as a result of a change in policy, they will no longer be nominating trustees for types of organisations like the Foundation. The Trustees are currently considering how to address this matter.

Details of the Trustees of the Foundation who served throughout the year and up to the date of this report, except as noted, are included in the Reference and Administrative Details on Page 1.

None of the Trustees listed on Page 1 received remuneration or any expenses for the time spent on affairs of the Foundation.

1.3. Governance:

The Trustees have resolved to meet at least three times each year. The purpose of these meetings is to receive reports; to oversee, recommend and approve the payment of grants; to monitor the Foundation's investment performance in light of appropriate professional advice; and, to receive and approve the Foundation's accounts and reports detailing the current financial position of the Foundation.

During the year the Trustees met on 28 September 2021, 30 November 2021, 22 March 2022, 17 May 2022, and 17 June 2022.

1.4. Connected Organisation and Related Party Relationships:

The School of the Charity is Clitheroe Royal Grammar School (the "School"), a selective 11 to 16 grammar school ("Main School") with an open access sixth form ("Sixth Form"). Clitheroe Royal Grammar School has academy status and, as such, is a company limited by guarantee (No. 07461173) and an exempt charity. The principal activity of Clitheroe Royal Grammar School is to provide a quality, free education for young people, aged 11 to 19, who live in the area local to the School.

The trustees of the Clitheroe Royal Grammar School Foundation hold on trust funds and

investments that represent the current value of donations and endowments that have been made over the years since the founding of the School, and in particular its original endowment, which was granted on 29 August 1554 by Letters Patent of Queen Mary. These funds were held on trust under the terms of a Board of Education Scheme of 1906 until the predecessor of the current CIO, an unincorporated trust of the same name, came into being in 1966.

While the School and its Foundation both exist to further the education of the students at Clitheroe Royal Grammar School, the two separate charities do this in distinctly different ways.

Importantly, the Governors of Clitheroe Royal Grammar School have no influence in the decisions made by the Trustees of the Clitheroe Royal Grammar School Foundation. Equally the Trustees of the Foundation have no influence in the operation of the School itself, and over the curriculum taught.

Under the Articles of Association of Clitheroe Royal Grammar School, the trustees of the Clitheroe Royal Grammar School Foundation have the right to appoint up to five Foundation Governors of the School.

2. Public Benefit:

The Foundation has complied with the duty (set out in section 4 of the Charities Act 2011) to have due regard to public benefit guidance published by the Charity Commission. The Foundation exists to support the educational work of Clitheroe Royal Grammar School by fulfilling the following objects:

1. Providing for the School such special benefits of any kind not normally provided by governmental or other public funds or provided as part of the normal running costs of the School as may from time to time be agreed between the School's Governors and the charity trustees
2. Otherwise promoting the education (including social and physical training) of persons who are pupils of the School, or former such pupils under the age of 25 years, who are in need of financial assistance.

In the event that the School is discontinued, and the above objects can therefore no longer be achieved, then the object of the charity shall be to promote the education of persons under the age of 25 years who are resident in the Ribble Valley Borough Council district and in need of financial assistance.

3. Financial Review:

3.1. Nature of the Foundation's Assets

The greater majority (currently over 90%) of the invested assets make up the Permanent Endowment of Clitheroe Royal Grammar School. These assets are held on trust by the Foundation. The nature of this endowment, which was originally set up in 1554 "to be and to last forever", means that the current Trustees, in common with their predecessors over the past centuries, have no powers to spend any of these funds without an Order of the Charity Commission. Disposal of any permanent endowment assets can only be done to increase the value of the endowment through the subsequent re-investment of the funds raised.

The Trustees do, however, have a statutory duty to apply the net income derived from the permanent endowment solely in accordance with the objects of the charity as defined in Section 2 above.

3.2. Investment Policy and Performance:

The majority of the Foundation's funds are invested in a portfolio of quoted securities managed on a discretionary basis by the Foundation's investment advisers, J M Finn & Co., and monitored by the Trustees.

The investment policy is to achieve a reasonable rate of return in the context of an acceptable risk from a diverse portfolio, whilst maintaining or increasing the value of the invested funds in real terms.

The value of the portfolio as at the 31st August 2022 was £5,156,659. This represents a 8.50% fall in the capital compared to the value as at 31st August 2021 (£5,638,140). During this period the equity market as measured by the FTSE All Share Index gained 1.01% but overseas markets were weaker. Fixed interest securities as measured by the FTSE UK All Gilts Index fell a substantial 19.66%. This was a result of inflation reaching its highest level for 40 years and the Bank of England's response, raising the official bank rate six times, from 0.10% to 1.75% during the period.

Income received from the investment portfolio in the year ended 31st August 2022 amounted to £154,989 which compares with £142,540 for the previous year, an increase of 8.7%. This was due partly to the resumption of dividends from companies impacted by COVID and special dividends paid by the commodity companies

Additional income is received from the letting of agricultural land and a residential property. In the year ended 31 August 2022 the gross income received amounted to £16,550 compared to £15,088 in the previous year.

3.3. Reserves Policy:

The Trustees recognise that a significant amount of their expenditure takes place in the first couple of months of the Foundation's financial year (i.e. the academic year) To account for this it is the policy of the Trustees to maintain year-end total balances in the Foundation's bank accounts at a level that is between half and one year's annual expenditure taken as an average of the previous three years. It is considered that this provides sufficient funds to cover management, administrative and support costs as well as being able to respond to applications for grants as and when they arise.

3.4. Identification of Major Risks:

The Trustees consider the variability of investment returns on the Foundation's funds to constitute the charity's major risk. The Trustees have responded to this perceived risk by taking appropriate professional advice and by diversifying the Foundation's investments in accordance with such advice.

4. Objectives and Activities:

The aims and objectives of the Clitheroe Royal Grammar School Foundation are to advance the education of its beneficiaries, namely the students and former students of Clitheroe Royal Grammar School.

The charity seeks to meet its objectives by making grants to the School, and to current and recent students.

In the longer term the charity aims to fulfill its obligations to its beneficiaries by maintaining and increasing the value of the Foundation's endowment, as far as possible, for the benefit of future generations of Clitheroe Royal Grammar School students.

5. Achievements and Performance:

5.1. Payments to Clitheroe Royal Grammar School

During the year the Trustees made payments to the School of £76,145 to fund the completion of an extension to provide much needed additional dining and social space at the Main School site in Chatburn Road and £679 in respect of other assistance.

5.2. Payments to Students and Parents

During the year Foundation Grants totaling £17,150 were awarded to the parents of students at Main School to assist with the necessary expenses associated with these students' education during the academic year. These grants were subject to a means test set by the Trustees.

During the year the Trustees awarded scholarships, totaling £11,400 to former Sixth Form Year 13 students in recognition of their outstanding success in their A Level examinations and an amount of £500 in respect of the JM Windsor Sports Bursary. In addition funds were provided for the payment by the school of prizes totaling £3,902 for pupils in other years.

During the year donations were received in respect of the Sanderson Bursary and the Thomas and Myra Ryan Science Awards and also during the year the Foundation made grants to former Sixth Form Year 13 students totaling £3,750 in respect of these.

6. Future Plans:

During the year, the Trustees have continued to work with a local firm of planning consultants and commercial property agents (specialising in residential land) to obtain planning consent and subsequently market 13 acres of land at Highmoor Farm, Clitheroe. This area of land was included in the Ribble Valley Borough Council's (RVBC) list of preferred sites for new housing development in July 2018, a listing subsequently confirmed by the Government's Planning Inspectorate early in 2019. A planning application was submitted in early 2021 and on 8 February 2023 outline planning permission was received from RVBC. This permission contained a large number of conditions and discussions are continuing with RVBC in particular regarding access to the proposed development site. It is hoped these will be finalised in the near future.

7. Trustees' Responsibilities in relation to the Financial Statements:

Law applicable to charities in England and Wales requires Trustees to prepare financial statements for each financial year that give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing these financial statements, the Trustees have been aware of their obligations to:

- Select suitable accounting policies and then apply them consistently;
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume the charity will continue in business.

and have complied with them.

8. Accounts:

The Trustees confirm that the accounts comply with:

- Statutory requirements
- The governing documents
- The statement of recommended practice "Accounting and Reporting by Charities" issued in 2005

The Trustees are responsible for keeping accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable it to ensure that the financial statements comply with the Charities Act 1993. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the Trustees of the Foundation on 17 April 2023

**Independent Examiner's Report to the Trustees of
The Clitheroe Royal Grammar School
Foundation**

Independent examiner's report to the trustees of The Clitheroe Royal Grammar School Foundation

I report to the charity trustees on my examination of the accounts of The Clitheroe Royal Grammar School Foundation (the Trust) for the year ended 31 August 2022.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Investment property

Investment property is shown at most recent valuation. Any aggregate surplus or deficit arising from changes in fair value is recognised in the Statement of Financial Activities.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
