Achievements and performance

Summary of the main achievements of the charity during the year

From April 2020 to April 2021, the LCT, assisted by the England and Wales Cricket Board, successfully installed 19 non-turf pitches and net complexes in London (in 14 different parks). The LCT was then responsible for a further 25 new cricket facilities before the end of 2021. Plans are in place for yet more facilities in 2022.

To date, 66 schools across London have been the beneficiaries of free cricket starter kits that now enable the schools to expand their physical education programmes. Even more schools will receive starter kits in 2022.
