Summary of the objects of the charity set out in its governing document

For the purposes of a public playing field, physical and mental training, recreation and moral and intellectual development through the medium of a village hall, reading and recreation rooms, library lectures and classes or otherwise as may be found expedient for the benefit of the inhabitants of the Parish of Walkeringham in the County of Nottinghamshire and its immediate vicinity without distinction of sex or political, religious or other opinions, subject to the provisions of these presents.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In planning our activities for the year we kept in mind the Charity Commission's guidance on public benefit at our trustees meetings. The main activities are to provide and maintain a public meeting place which can be used for numerous activities.

We were able to organise the OAP lunch in December
We again held the Carols round the Tree in the village hall after consulting weather forecasts.
When possible the normal activities such as Playgroup and Line Dancing were held.

We have also benefited from providing services in conjunction with events held by others when they were allowed. We have organised Psychic nights, coffee mornings and evening events.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

We managed to organise and cater for an OAP's Christmas lunch. We have also benefited from Grants from various authorities which were made in order to allow us to continue.

Section E Financial review

Brief statement of the charity's policy on reserves

Policy is to have sufficient funds to maintain the property and land in a reasonable condition for 18 months. At the end of the year the reserves were £35900 split between a savings account, current account and cash in hand and it is felt that this will cover the base running costs for more than 18 months.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Sources of fund this year have included hall and field lettings, grants received from the local Parish Council, District Council and County Council plus fund raising events. Expenditure on general maintenance, heat and light and the self employed cleaner and caretaker have enabled the hall to continue to function during the year.
