THE BRADLEY LOWERY FOUNDATION

TRUSTEES' ANNUAL REPORT *(continued)*

YEAR ENDED 31 MARCH 2022

Structure, governance and management

Governing Document

The Bradley Lowery Foundation is a standard registered charity which was registered on 22nd August 2017 and is governed by the trust deed dated 19th July 2017 as amended by deed dated 21st August 2017, and as amended on 26th July 2021.

All major decisions are made by the board of trustees.

Recruitment, induction and training

The board of trustees must include a minimum of 3 trustees who are not employed by the charity. The current trustees were all appointed when the charity was first registered based on the knowledge, skills, qualifications and experience that they could bring to the charity. Future appointments will also be based on these attributes.

On appointment trustees are provided with copies of the Charity Commission Code of Governance together with copies of the charity's governing documents to ensure they have an understanding of their responsibilities. Where necessary further training/guidance will be given.

The staff members have completed several courses such as Safeguarding and GDPR. All staff members have the relevant DBS checks. This ensures the families are always kept safe. Each staff member has also undergone specific training to enable them to fulfil their individual roles.

Salary Levels of staff are reviewed annually by the board, in line with rates for similar positions. The CEO and COO are on a much lower salary as requested by themselves to others in a similar position, please see link where trustees researched salaries of charity CEO's www.theguardian.com/society/salarysurvey/table/0,12406,1042677,00.html.

Organisational Structure

Related Parties

The related parties of the charity are the trustees as named in the trustees report above. Two of the trustees being Mrs G. L. Lowery and Mrs L. Murphy are also employees of the charity. These two trustees receive no remuneration for their position as trustee but are remunerated and are reimbursed expenses as a result of their employment. When the charity began, the charity received significant donations from the Bradley Lowery Trust a Trust in which the trustee Mrs G. L. Lowery is also a trustee.

THE BRADLEY LOWERY FOUNDATION

TRUSTEES' ANNUAL REPORT *(continued)*

YEAR ENDED 31 MARCH 2022

Objectives and activities

Charity Aims and Objectives

The Bradley Lowery Foundation (BLF) offers financial and emotional support to the families of sick children, most of these families are fundraising for treatment or equipment not available on the NHS in England and Wales. These include specialist therapies, specialised treatment, or equipment. Some supported causes may need to access specialist treatment abroad, to access clinical trials only available in other countries.

The Bradley Lowery Foundation consults with professional clinicians and trained therapists on a regular basis, we encourage parents to ask the right questions to ensure they make the best decision for their child's health. Once the parents have all the information, they can make an informed choice of which treatment option they will wish to pursue.

The Bradley Lowery Foundation differs from other charities, we offer a personal service which involves meeting the family and their fundraising teams, we offer help and advice on an effective fundraising campaign. We have many media connections, and utilise these to publicise the campaigns in a positive manner. Families have peace of mind knowing money raised is being held by an established charity in accordance with the Charity Commission guidelines, and know we are available to contact at any given time to discuss their campaign or receive support and guidance.

Public Benefit Statement

Due regard has been paid to the public benefit guidance published by the Charity Commission.

Activities

The Bradley Lowery Foundation

The Bradley Lowery Foundation aims to help families fundraising for treatment or equipment, not available on the NHS. We aim to get better/safer treatments for children available on the NHS by funding vital research and campaigning for new drugs and trials within the UK.

Supporting Fundraising Campaigns

We have supported a number of families this financial year to successfully raise funds for their causes, which ranges from treatment abroad, vital equipment such as Safe-Space beds and autism assistance dogs.

The Bradley Lowery Foundation support families in the following ways:

- Supporting the setup of fundraising campaign via JustGiving & JustGiving text
- Managing all offline donations paid directly into the child's account held by the Bradley Lowery Foundation
- Creating fundraising tools
- Supporting social media postings
- Assisting with PR opportunities, setting up interviews, taking interviews on behalf of the family to maximise the exposure for each campaign
- Having staff available out of office hours as a point of contact for families
- We have a family support hub where families being supported by the Bradley Lowery Foundation can speak to each other and get much needed support
- Giving the families worldwide exposure using methods we have gained
- We liaise with many other trusts and organisations who offer grants, and other forms of support to ensure our families have a multitude of options available to them
- We manage funds raised via BLF tools, paying invoices, sending out receipts of payment and thank you cards, this not only saves the family time, but it ensures donors that funds are being used for its intended purpose
- We use our own social media to keep followers of each child up to date with each campaign

THE BRADLEY LOWERY FOUNDATION

TRUSTEES' ANNUAL REPORT *(continued)*

YEAR ENDED 31 MARCH 2022

Medical conditions and illnesses we have already supported:

- Neuroblastoma
- DIPG
- Cerebral Palsy
- Downs Syndrome
- Global Development Delay
- Epilepsy
- Autism
- Hypermobility
- Diamond Blackfan Anaemia
- Stroke
- Heart Disease
- SPG15
- Undiagnosed conditions

We aim to support any family who has contacted the Bradley Lowery Foundation, who are not already being supported by a registered charity.

Not every child needs to raise funds for treatment or equipment, some children need exposure to encourage people to sign up to the donor register. This is something the Bradley Lowery Foundation are more than happy to advertise. As well as hosting fundraising campaigns, we have actively canvassed and held registrations for DKMS, the blood donor register.

We speak frequently with other charities and organisations that specialise in Cerebral Palsy, Neuroblastoma and Autism, to ensure our families have the latest information on trials and treatments available.

Our fundraising team continues to develop new ideas for fundraising events. This financial year, the COVID-19 pandemic has affected all charities worldwide, so the Bradley Lowery Foundation researched different types of events we could hold remotely to maximise donations.

We continue to make corporate connections with several high-profile companies and we will continue to develop these relationships.

We continue to work with charities such as St George's Society NYC, Clic Sargent, Rainbow Trust, Neuroblastoma UK, Clothes Aid, Autism Dogs CIC, Abbies Army, Merlin's Magic Spaces, Friends of Rosie, and many more. We believe by working together you gain the best outcome for the families we are supporting.

Holiday Home

Due to the COVID-19 Pandemic, plans to start the build went on hold, we have found that businesses that had previously pledged their support, were no longer able to do so coming out of the pandemic due to loss of business. It was also discovered that the original quote for the build had more that doubled in cost, due to material costs increasing during the pandemic. Once lockdown was lifted, BLF, with the support of Gleeson Homes arranged a "meet the buyer" event in Scarborough, in which local trades people and contractors who wished to be a part of the build attended. We successfully formed new working relationships with new contractors and building suppliers, and are now looking to plan a new start date. We have successfully raised enough capital to get the build water tight with pledges coming in with regards to interior materials offered for free or at discounted prices. We continue to hold fundraising events to raise remaining funds for the build and running costs for when the home is ready to use. The holiday home "Super Brad's Pad" will support families of terminally ill children, bereaved families, and children who have life limiting conditions. It will host 100 families per year, to offer families the chance to make amazing memories with not just immediate family members, but also extended family and friends.

THE BRADLEY LOWERY FOUNDATION

TRUSTEES' ANNUAL REPORT *(continued)*

YEAR ENDED 31 MARCH 2022

Grant-making

Grants may be offered to families being supported by The Bradley Lowery Foundation. Grants are applied at the discretion of the trustees and are given on a need-by-need basis. To be eligible for a BLF grant, families must be supported by the BLF either with fundraising campaigns or emotionally.

Volunteers

The Bradley Lowery Foundation has opportunities to become foundation champions. Foundation champions work alongside BLF by attending and hosting fundraising events, by collecting donations given to BLF, and supporting volunteers to ensure their fundraising events go according to plan. Each foundation champion will sign a BLF code of conduct and be issued with a uniform and ID card. BLF work closely with the foundation champions to ensure they are up to date with new projects and campaigns. If you would like to enquire to become a foundation champion, please email contact@bradleyloweryfoundation.com.

Achievements and performance

In the financial year ended 31st March 2022 we raised total income of £674,701 and generated a net deficit of £52,326. We began the year with total funds of £3,180,077.

The year has been extremely hard, the pandemic and lockdowns meant that public fundraising events could no longer go ahead. Once venues started opening their doors, we found that some members of the public were, like BLF, still very wary of being in close proximity to other people. As a charity we looked at the risk of being indoors and the potential risk of COVID-19 being transmitted. Because of this, we looked at organising more outdoor events to reduce the risk of BLF staff and the general public catching COVID. Our community fundraiser Gareth restored the BLF charity football league which in the last financial year raised £6,714.00 and created new relationships with organisations who also created football teams and entered them to play one off games around the UK which also raised a further £27,899.00.

Community fundraiser Phil organised a number of family fun days in outside settings, he did this by building relationships with O'Briens funfairs, and working with them to create amazing outdoor events for the general public to attend. Phil has also attended other people's events by purchasing a table to promote BLF and hold tombola stalls, selling merchandise, all of which is going to the holiday home restricted fund, totalling £9,181.23

Our family fundraising and support officer supported families to assist them to raise funds for their individual targets, Brooke successfully supported the families to raise £17,049.61 towards their targets. Brooke also successfully held fundraising events for BLF and made new working relationships with a number of businesses who are continuing to support BLF, by having Brooke attend their business with promotional material, merchandise and tombola/raffles. By building strong working relationships, she has also been able to get extra support for our individual campaigns too. With this support, Brooke raised a total of £20,134.40 for BLF's own campaigns.

The pandemic encouraged BLF staff to think outside of the box in terms of raising vital donations for BLF and the supported causes under the BLF banner. We did this by using online marketing, PR publications and held many meetings with new business contacts via Zoom and Teams. This is something we continued to do coming out of the pandemic, which reduced the cost of travel/accommodation for attending meetings and reduced the risk of transmitting COVID-19.

During the pandemic, we continued with our pledge to Neuroblastoma UK, to fund vital research into Neuroblastoma, to date the total funds NBUK have received from BLF are £191,666.70

We were contacted by a number of charities who were looking for support to collaborate in early research projects, this resulted in BLF supporting these research projects, one of which was with "Friends of Rosie" who were looking for a £15,000 collaborative grant into Ewing-Sarcoma.

BLF were also contacted by another organisation "Abbie's Army" who were looking to collaborate with

THE BRADLEY LOWERY FOUNDATION

TRUSTEES' ANNUAL REPORT *(continued)*

YEAR ENDED 31 MARCH 2022

several cancer research charities to fund vital research and trials into DIPG, a childhood cancer that to date has no viable cure. Most children diagnosed with DIPG have around 9 months life expectancy. The trial the organisation was looking to collaborate on, is the first in many years for this cancer. The BLF have 2 legacy charities set up under the BLF for children we previously supported to fundraise for treatment abroad. On the passing of those children, BLF offered to continue to support the families to help fund DIPG, the very deadly cancer that took the lives of those children. We spoke with both families regarding the trial, and both were keen to put funds into this research, so along with BLF we equally pledged £10,000 totalling £30,000. This will be given in the 2022-2023 financial year once all details are received.

During the pandemic, we received many requests for support, as a charity supporting children and their families to fundraise for treatment or equipment not available on the NHS. We felt we could do more, so we contacted the Charity Commission and gained permission to change our objectives so that we can offer a similar service to adults, who are fundraising for treatment, not available on the NHS. A special resolution was passed to allow BLF to support adults fundraising for treatment, not available on the NHS. Working with adults fundraising for treatment, we offer a similar service to what is offered to children. Equipment for adults is accessible on the NHS so BLF felt we limit our support to treatment only for any adult looking for support.

We do this by providing a funding page and bank account, restricting funds as we do for all supported causes, this ensures that donors making donations are comfortable we allocate any use of fundraising merchandise to support the adult campaigns, we provide any PR that is requested and most importantly, provide support for their fundraising campaigns, working closely with their fundraising teams to ensure events being held receive maximum benefits. Providing this service comes at a small cost of 10% of the target, this 10% helps to cover some of the fees for the bank and JustGiving and is added onto the fundraising target.

Financial review

Financial Position

During the year the charity raised £674,701. Charitable expenditure amounted to £727,027 giving a net deficit before transfers of £52,326.

Reserves Policy

At the reporting date £1,069,057 was held in general unrestricted reserves. We plan to hold unrestricted reserves to cover the running costs of the foundation for at least one financial year, this is to ensure longevity of The Bradley Lowery Foundation. The current level of reserves will be used to meet future objectives of the charity including supporting a partnership that will offer one to one telephone support for families suffering the effects of cancer and funding research projects into Neuroblastoma and other childhood cancers.

A designated reserve to cover fundraising and other initial costs in respect of the holiday home including survey fees. Further funds may be designated to the holiday home.

A designated reserve for Neuroblastoma UK Research has a balance at the reporting date of £8,333. BLF and NBUK are working closely together to fund many Neuroblastoma research projects. NBUK have an already established medical board, that select the highest priority research projects.

A designated reserve was set up by transferring £50,000 in the financial year ended 2019 from general reserves for all other childhood cancer research. This will be used to fund different childhood cancer research projects.

A designated reserve was set up by transferring £50,000 in the financial year ended 2019 from general reserves to support the running costs of the BLF support service, this service provides 1 to 1 support for families in the North East affected by childhood cancer, by offering an out of hours counselling service. All counsellors are fully trained and accredited.

From inception the Bradley Lowery Foundation has supported a number of fundraising campaigns

THE BRADLEY LOWERY FOUNDATION

TRUSTEES' ANNUAL REPORT *(continued)*

YEAR ENDED 31 MARCH 2022

each with their own specific purposes and objectives. At the reporting date the balance held in restricted reserves for these campaigns totalled £1,623,137.

Risk Assessment and Mitigation

We conduct regular risk assessment as part of our strategic plan, this is reviewed on a regular basis and the team implement plans to overcome the risks. To date the identified risks are:

- The job role can be physically and emotionally draining on members of staff, due to offering emotional support to families of very poorly children, this can weigh heavily on the staff member they are in close contact with.
- The need to continue to raise unrestricted funds to cover core costs and ensure longevity of the charity.
- Being high profile in the media means demand for the service we offer is very high, therefore having capacity to support every family can become an issue.
- There is a large volume of funds currently coming through the foundation due to the campaigns we have, and we have limited staff members to deal with them. The trustees have assessed the major risks to which the charity is exposed, those related to the operations and finances of the charity and are satisfied that systems and procedures are in place to mitigate our exposure to major risks.

During this current financial year, we recognised another risk, which involved a supported cause, and monies collected using the BLF charity number to access collections. As a charity we have a duty of care to ensure funds collected in the name of BLF are assigned to their designated areas in which they are promoted. We previously trusted that collections in the name of BLF for each supported cause would be allocated to the supported cause account, as per our terms and conditions. It was discovered that some funds collected at bucket collections could not be accounted for 1 particular supported cause in the BLF accounts. We now have a robust procedure in place to document all collections, all collectors, and all totals each collector raises.

To best mitigate the risks:

- The Foundation decided it would be in the best interest of the staff to offer counselling sessions from an independent counselling firm, so staff can ensure their mental health is protected. This is offered to all staff, and they are able to access sessions as and when needed
- Due to the high demand of the support we offer we are in the process of recruiting volunteers who will assist in fundraising events for the foundation and attending events on our behalf. We have multiple foundation champions who support BLF on a regular basis.
- The Bradley Lowery Foundation is high profile and we have a high demand from campaigns that need support, this takes up a lot of time. We do not refuse support and therefore have a process and as such a waiting list, where families can still benefit from the financial aspect of the foundation, but 1 to 1 support from our staff members is given on a case by case basis.
- We continue a partnership with our PR company to manage and monitor media enquiries for us to enable us to prioritize the children's campaigns.
- We continue to utilise Gift Aid to cover the core costs of running the charity.
- We continue to hold unrestricted reserves to cover 1 year of the core costs, this is to ensure that in the event of funding coming in slowly, the charity can run as normal.
- We have worked closely with our legal team, and now introduced more stringent policies and procedures regarding collections using the BLF charity number, all collections must go through BLF to book and arrange, and all collections needs to be allocated to the supported causes accounts with a short timeframe, we also request collectors to fill in paperwork regarding their collections which is sent to BLF at the time of depositing of funds. We have found this has worked well and collectors understand the rules and regulations of working with a charity.

THE BRADLEY LOWERY FOUNDATION

TRUSTEES' ANNUAL REPORT *(continued)*

YEAR ENDED 31 MARCH 2022

Plans for future periods

We plan to hold unrestricted reserves to cover the running costs of the foundation for at least 1 financial year, this is to ensure longevity of the Bradley Lowery Foundation. We hope in the future that funds raised via Gift Aid claimed, will maintain the majority of the running costs of the foundation, covering everyday costs such as salaries, rent and utility bills, so that funds raised via BLF will be used to support families who are fundraising for treatment or equipment, grant applications and research. We will continue to have meetings regarding the holiday home, and hope by the end of 2022, work for the build of the holiday home will begin. We will continue to support families, emotionally and financially. We will also continue to create good working relationships with other charities, non-profits and businesses to ensure our families get the best support offered.

Trustees' responsibilities statement

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees' annual report was approved on 8/12/2022 and signed on behalf of the board of trustees by:

Mrs L. Murphy
Trustee

Mr P. C. Empson
Trustee

THE BRADLEY LOWERY FOUNDATION

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE BRADLEY LOWERY FOUNDATION

YEAR ENDED 31 MARCH 2022

Opinion

We have audited the financial statements of The Bradley Lowery Foundation (the 'charity') for the year ended 31 March 2022 which comprise the statement of financial activities, statement of financial position, statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2022 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

THE BRADLEY LOWERY FOUNDATION

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE BRADLEY LOWERY FOUNDATION *(continued)*

YEAR ENDED 31 MARCH 2022

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the trustees' report is inconsistent in any material respect with the financial statements; or
- adequate accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on pages 1 to 9, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

THE BRADLEY LOWERY FOUNDATION

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE BRADLEY LOWERY FOUNDATION *(continued)*

YEAR ENDED 31 MARCH 2022

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud

The objectives of our audit with regards to fraud, are to identify and assess the risks of material misstatement of the financial statements due to fraud; to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud, through designing and implementing appropriate responses to those assessed risks; and to respond appropriately to instances of fraud identified during the audit. However, the primary responsibility for the prevention and detection of fraud rests with those charged with governance.

Our approach was as follows:

- We obtained an understanding of the legal and regulatory requirements which applied to the charity, which we deemed to be the charities Constitution and Bye-laws and the Statement of Recommended Practice: Accounting reporting by Charities and Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102).
- We obtained an understanding of how the charity complies with these requirements by reviewing their treatment of transactions, reviewing minutes of meetings and discussing compliance with members.
- The risk of material misstatement of the financial statements due to fraud or error was assessed, and we deemed the charity to be low risk. The Chief Financial Officer, who is deemed to have sufficient knowledge, works closely with the trustees who approve all transactions. We considered how fraud may occur within the financial statements and identified that the receipt of donations were susceptible to fraud or error. We designed our audit work to test the controls in place regarding the processing of these transactions and how these controls are capable of preventing or detecting fraud or error.
- Our audit procedures gathered evidence to support the claims of the trustees whilst maintaining professional scepticism to allow us to draw our own conclusion on the matter.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

THE BRADLEY LOWERY FOUNDATION

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE BRADLEY LOWERY FOUNDATION *(continued)*

YEAR ENDED 31 MARCH 2022

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our report

This report is made solely to the charity's members, as a body, in accordance with section 144 of the Charities Act 2011 and regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

THE BRADLEY LOWERY FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31 MARCH 2022

1. General Information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is 52-54 Middle Street, Blackhall, TS27 4EA.

2. Statement of Compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting Policies

Basis of preparation

The financial statements have been prepared on the historical cost basis.

Going concern

There are no material uncertainties about the charity's ability to continue.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.

- legacy income is recognised when receipt is probable and entitlement is established.

- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.

THE BRADLEY LOWERY FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS *(continued)*

YEAR ENDED 31 MARCH 2022

3. Accounting Policies *(continued)*

Incoming resources *(continued)*

- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.
- income relating to specific children's campaigns is predominantly received via donations and is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.
- campaign expenditure relates to costs incurred by the charity in line with the specific campaigns or funds transferred to the campaign beneficiary.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Operating leases

Lease payments are recognised as an expense over the lease term on a straight-line basis. The aggregate benefit of lease incentives is recognised as a reduction to expense over the lease term, on a straight-line basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Improvements to landlords property	-	10% straight line
Fixtures and fittings	-	10% straight line
Equipment	-	10% straight line

THE BRADLEY LOWERY FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS *(continued)*

YEAR ENDED 31 MARCH 2022

3. Accounting Policies *(continued)*

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

NOTES TO THE FINANCIAL STATEMENTS *(continued)*

YEAR ENDED 31 MARCH 2022

12. Analysis of Support Costs

The Charity initially identifies the costs of its support functions. It then identifies those costs which relate to the governance function. Having identified its governance costs, the remaining support costs together with the governance costs are apportioned between the three key charitable activities undertaken (see note 11) in the year. The table below shows the apportionment based on 60% supporting fundraising campaigns, 10% holiday home and 30% Bradley Lowery Foundation.

	Analysis of support costs - supporting fundraising campaigns £	Analysis of support costs - holiday home £	Analysis of support costs - Bradley Lowery Foundation £	Total 2022 £	Total 2021 £
Staff costs	133,196	17,534	94,892	245,622	260,990

THE BRADLEY LOWERY FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS *(continued)*

YEAR ENDED 31 MARCH 2022

14. Net (Expenditure)/Income

Net (expenditure)/income is stated after charging/(crediting):

	2022 £	2021 £
Depreciation of tangible fixed assets	<u>1,561</u>	<u>1,560</u>

15. Auditor's Remuneration

	2022 £	2021 £
Fees payable for the audit of the financial statements	<u>10,368</u>	<u>11,340</u>

16. Staff Costs

The total staff costs and employee benefits for the reporting period are analysed as follows:

	2022 £	2021 £
Wages and salaries	219,921	235,117
Social security costs	18,215	19,001
Employer contributions to pension plans	6,361	6,872
Other employee benefits	<u>1,125</u>	<u>—</u>
	<u>245,622</u>	<u>260,990</u>

The average head count of employees during the year was 7 (2021: 9).

The number of employees whose remuneration for the year fell within the following bands, were:

	2022 No.	2021 No.
£60,000 to £69,999	<u>1</u>	<u>1</u>

Key Management Personnel

The key management personnel of the charity comprise two of the charity's trustees and the Chief Financial Officer (2021: two of the charity's trustees and the Chief Financial Officer).

During the current year the key management personnel received remuneration totalling £161,776 (2021: £163,163) and were reimbursed for out of pocket expenses amounting to £411 (2021: £24).

17. Trustee Remuneration and Expenses

Trustees expenses paid during the year amounted to £411 (2021: £28) paid to two (2021: two) trustees in reimbursement of subsistence costs incurred.

The Charity Commission has given approval for the employment of Gemma Lowery as CEO. Her total remuneration for the year was £48,600 (2021: £48,000). Employer's National Insurance costs on this amounted to £4,475 (2021: £4,423). Employer's pension contributions on this amounted to £1,458 (2021: £1,440).

The Charity Commission has given approval for the employment of Lynn Murphy as Chief Operating Officer. Her total remuneration for the year was £47,337 (2021: £51,057). Employer's National Insurance costs on this amounted to £4,377 (2021: £4,918). Employer's pension contributions on this amounted to £1,420 (2021: £1,532).

THE BRADLEY LOWERY FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS *(continued)*

YEAR ENDED 31 MARCH 2022

23. Analysis of Charitable Funds *(continued)*

Holiday Home - Money to build a holiday home for children and bereaved families.

Children's Campaigns - Money has been raised from 38 campaigns relating to 38 individual children. Each child has its own target and objective but all of them relate to the provision of specialist equipment or medical treatment not available from the NHS. Further information can be found about each of the campaigns by visiting the website www.bradleyloweryfoundation.com. As shown above, £97,881 was transferred from the children's campaigns to the foundations unrestricted funds.

BLF Support Service - Money to pay for the BLF Support Service that will be provided to parents and carers of children with cancer in the North East of England.

BLF Research Fund - Money raised to allow the charity to contribute towards research into childhood cancers.
