WELFARE REPORT

The Lord has been good to us. The church passed through the storms in the past one year. The Lord stood with us.

Birthday celebration ☐

we celebrated members of the church on their birthdays in church and in the WhatsApp platform

Barbecue fellowship-

A gathering of members to the church to wine and dine and thank God for our growth. We had lots to eat and drink such as barbecue, plantain jollof rice and chicken, suya, burger and sausage rolls, snacks and ice lolly for the kids. Members donated and participated in the cooking and success of the event. Guests were invited and we were honored to have them rejoicing with us. In the light of the event we dedicated the children church to the glory of God.

Children's day celebration

The church celebrated the children day with lots of activities such as Bible word, quiz, singing and parents were involved. Gifts were also given to the participants.

We bless God for the last one year and we believe that there will be exponential growth in Jesus name ☐ Amen

Spiritual Report April 2024 to April 2025.

The year 2024 to 2025 was memorable and very eventful. However the spirit of rebellion sneaked into the church. Within two weeks, four families left the church, some of them are principal officers in the church, such as the church secretary and the treasurer. During the year we had our regular church services on Sundays and night vigil last Friday of every month. Because of the poor attendance of the night vigils and moreso, our brethren who went on spiritual vacation, we decided that last Sunday of every month be dedicated to prayers. We hosted the cluster fellowship and it was a huge success with the introduction of gan gan to our worship musical instruments. We also had our summer barbecue fellowship with profound success. Invited guests honoured our invites. First week in October, the church bought a bus to ease transportation of members to and from church. In October, the church baptised six young converts after receiving discipleship teaching. To glory of God, there are waxing stronger in the faith. December was full of activities that enriched the soul, spirit and body. Apart from the Christmas celebrations, we went on a trip to National Sea Life. It was very eventful and memorable.

The year 2025 was declared 'Our year of Divine Upliftment. Rev 4:1. March 2005, thieves broke into the children church and made away with the 52" Flat screen TV,, pumping machine, 3.5kv generation, destroyed the canopy and the door. We reported to the police and the police said they apprehended the thieves. However, the church is yet to recover the stolen items. To God be the glory for great things He has done and greater things He will yet. In all these things we are more than conqueror through Christ who strengthens us.

Church History and Status

4square Gospel Church, Power & Authority Sanctuary as a registered charity organisation in the United Kingdom continue to function purely within the scope of its charitable status since its inception and registration.

Operations during the year

The church continues to engage in the propagation of the Christian religion to the local, national and international communities within Birmingham and its environs. The year under review was memorable and very eventful.

At a time, the church grappled with the challenges of giving support with the goal of integrating the brethren who migrated from Nigeria to the UK. As a charity organisation, we assisted the migrants with financial support, counselling, prayers, advice so as to make their relocation to UK less stressful and integrate them into the church, community and society at large.

During the year, we embarked on building a befitting place of worship for our children.

As a charity, the church supports:

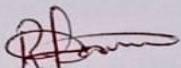

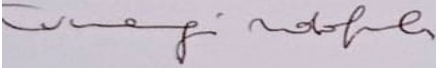

Projects and goals which are aimed at relieving the effect of poverty on the less privileged, as well as bridging the links among the diverse people of our communities.

Future strategy and policy

The trustees are satisfied that the charity has sufficient resources to maintain its current activities and hope that the congregation will grow and increase naturally with time.

ANNUAL REPORT OF FOURSQUARE GOSPEL CHURCH, POWER AND AUTHORITY SANCTUARY
1, BREARLEY ST HANDSWORTH B21 0JJ BIRMINGHAM RATIFIED BY THE BOARD OF
TRUSTEES AND SUBMITTED TO CHARITY COMMISSION OF ENGLAND.

Matters Arising from AGMM of 25th June 2024

At the last Annual General Membership Meeting of the church, we were made aware by the church secretary that we are in deficit of Board of Trustees annual report for the financial year ending April 2023. The Charity Commission sent a correspondent to us in respect of our shortcomings. We therefore considered that holding another Annual General Membership meeting is not feasible in this year 2024. The Board of Trustees was therefore mandated to write an Annual Report, ratify and submit to the Charity Commission on behalf of the church.

SPIRITUAL REPORT

We give thanks to the Almighty Father, the Father of our Lord Jesus Christ who has blessed us with heavenly blessings, spiritual, financial, numerical increase and sound health and mind. The Lord added to the church new families and brethren.

Children Church building: This project commenced in the last financial year. We are glad to say the project reached completion this financial year. The financial implication was over £20,492. The good Lord supplied all our financial needs.

CHARITY ACTIVITIES

During the church year, we had our traditional Barbecue fellowship in August 2023, Christmas Carol service, child dedication. We identified with other Foursquare churches within the Midlands. We were represented twice at Cluster and Regional fellowship held by Foursquare Erdington and Cluster fellowship held at Foursquare Bedford. We successfully hosted the Cluster fellowship this year. Our members requiring CSO were successful and one even got Highly Skilled Work Permit. To God be the glory.

PROJECTS AND VISION FOR THE NEW YEAR

We are trusting the Lord that in this new church year, God will bless the church with dedicated and committed labourers into His Vineyard. We have commenced sharing the Good News of salvation to people in our neighbourhood who are yet to have encounter with the Saviour Jesus Christ. We are equally trusting God that within this church year, we will have a church bus for easy commuting of our members to and from the church every Sunday.

CUMULATIVE FINANCIAL REPORT

Due to the lapses and gaps in the submission of our financial returns, partly due to Covid 19, we have decided to submit a comprehensive and cumulative financial returns covering February 2023 to April 2024. Going forward, the church financial year now begins in May and ends in April.

Spiritual Report April 2023 to April 2024.

The year 2023 to 2024 was memorable and very eventful. God blessed the church with both numerical and spiritual increase. At a time, the church grappled with the challenges of giving support with the goal of integrating the brethren who migrated from Nigeria to UK.

As a charity organisation, we assisted the migrants with financial support, counselling, prayers, advice so as to make their relocation to UK less stressful and integrate them into the church, community and the society at large. As a small church, we did the best we could, knowing our limited financial strength. I am aware that our best may not be good enough but as the Shepherd, I ensured I lifted every member up in prayers so that God who is faithful, in our shortcomings supplied the needs of the brethren.

During the year, we embarked on building a befitting place of worship for our children. This project drained the church resources as a result of incompetent artisans that made us do the same work repeatedly three to four times. The supplier of the prefabricated building for the children church were unscrupulous and took advantage to exploit the church. I am glad to say that the children church is now over 95% completed. The church toilet facilities have also been upgraded.

The church had our regular Sunday church services except once, the day after we celebrated our Assistant Pastor for her Diamond Jubilee. We equally had our monthly night vigil except on two occasions. We had virtual night night vigil once and the second time, the turn up of the members was very poor.

Early in 2023, Rhema church also known as the French Church, Foursquare Gospel Church, discontinued the regular joint Sunday worship with us. They however identified fully with us during special occasions like the crossover night among others.

On Power and Authority WhatsApp platform, we communicated and shared each other burdens. We also celebrated one another especially on special occasions like birthdays. The platform enables us to hold virtual meetings and fellowship.

CONCLUSION:

The year 2023 to 2024 has been a year of significant increase numerically, spiritually and financially. We experienced progress on every side. To God be the glory.

MARANATHA!!!

Significant activities

The principal activities of the church are:

Christian worship, Christian outreach program to increase Christian awareness and to spread the gospel of our Lord Jesus Christ and the development of the whole man, spiritually, mentally and physically

Church History and Status

4square Gospel Church, Power & Authority Sanctuary as a registered charity organisation in the United Kingdom continue to function purely within the scope of its charitable status since its inception and registration.

Operations during the year

The church continues to engage in the propagation of the Christian religion to the local, national and international communities within Birmingham and its environs. The year under review was memorable and very eventful. God bless the church with both numerical and spiritual increase.

At a time, the church grappled with the challenges of giving support with the goal of integrating the brethren who migrated from Nigeria to the UK. As a charity organisation, we assisted the migrants with financial support, counselling, prayers, advice so as to make their relocation to UK less stressful and integrate them into the church, community and society at large.

During the year, we embarked on building a befitting place of worship for our children.

As a charity, the church supports:

Projects and goals which are aimed at relieving the effect of poverty on the less privileged, as well as bridging the links among the diverse people of our communities.

Future strategy and policy

The trustees are satisfied that the charity has sufficient resources to maintain its current activities and hope that the congregation will grow and increase naturally with time.

Operations

The church continues to engage in the propagation of the Christian faith within the community within Birmingham and its environs.

Pandemic: During the period under review, the church gave financial support to some members of the church who lost their means of livelihood due to Covid 19 pandemic. This was possible as a result of the £10000 grant received from Birmingham City Council. We were able to pay arrears of energy bills since there was lockdown. The church had virtual WhatsApp church services for about three Sundays. We could not sustain it due to poor attendance. The frontage of the church used to be a refuse dumping ground by the neighbours within the community. We put slabs on it shortly after the lockdown was lifted.

November 2021, the roof of the church ripped open and the whole place of worship was flooded. We remain resilient and worshipped God in the flood, even celebrated Christmas in the flood and no light in the building. Not until February 2022 before we could get an Artisan (builder) to fix the roof. The renovation of the church was completed in May 2022.

The impact of Covid 19 on the church cannot be quantified. We lost a Pastor and a sister to another Pastor passed away. The church was able to minister to the relatives that were bereaved financially. The church participated in the burial through Zoom and WhatsApp virtual platforms.

We are glad to say that by May and June last year, we welcomed some new members into the church. They are migrants from Africa who came in pursuit of academic and a family relocated from Nigeria to UK due to work. However, some members of the Board of Trustees left the church.

On the 30th of April, we had our Annual General Membership Meeting after which we elected new officers to the Foursquare Gospel Church Council and they will also serve as members of the Board of Trustees on the platform of the Charity Commission of England.

The following were elected, ratified by and prayed for by the entire members of the church.

1. **Pastor Mike Taiwo- Chairman of the Council / Board of Trustees.**
2. **Pastor Rose Taiwo - Member of the Board of Trustees.**
3. **Brother Omoniyi Modede- Church Secretary & Member of the Board of Trustees.**
4. **Brother Olusola Dada- Church Treasurer & Member of the Board of Trustees.**

**FOURSQUARE GOSPEL CHURCH ANNUAL
RETURN FINANCIAL YEAR JUNE 25TH 2020
TO JUNE 24TH 2021**

The church was on locked down due to covid restrictions. The activities of the church during this period was next to nothing. Visual church services were held about 3 to 4 times, but the attendance and response was not encouraging. The chairman of the board of Trustees and one other member of the board were out of jobs due to covid. There was a significant increase to the rent and utility bills the church was

paying in 2019. One of our pastors lost his life to covid. Another pastor and a brother also lost their loved ones to covid. These losses imparted greatly on the church.

Charity (Foursquare Gospel Church)

Source of Income:

The church depends largely on the offerings collected every Sunday during church services and the tithes paid in by the senior pastor who is the chairman of the Board of Trustees. Unfortunately, the chairman lost his job and this made the church income to decline tremendously.
